PRESIDENT'S CORNER

After my hiatus last week due to a flu where my fever kept returning, I am now back in harness. As such, I wish to thank Dir. Chito Zalzarriaga for taking over my role last week where we were given a very enlightening and eye opening talk on the China issue by our very own Former Parañaque Representative and PVP Roy Golez.

As for updates within our club, I wish to congratulate PD Eric Severino for being featured in the Philippine Daily Inquirer of July 25, 2016 in an article entitled, "ENCASH brings convenience to millions of people in the countryside". This clearly shows the club's significance in making a difference in people's lives in line with this year's theme of "Rotary Serving Humanity".

Updates from around the district include the attendance of IPDG/PP Obet Pagdanganan, DGN/PP Rudy Bediones, CoS/IPSDG/PP Cesar Ubaldo, DCoS/SDG/Dir. Albert Alday and PD Ner Lonzaga in the 36th Induction and Handover Ceremonies of the Rotary Club of Intramuros at the Pandango Ballroom of the Manila Hotel in Manila last July 28, 2016 where my classmate, ASP Angelina Mauricio, was inducted as President for Rotary Year 2016-2017. This was preceded by a Governor's Visit participated in by CoS/IPSDG/PP Cesar Ubaldo and DCoS/SDG/Dir. Albert Alday at the Gallery of the Manila Hotel in Manila. On the same day, SDG/PP Frank Evaristo represented me at the 67th Induction and Handover Ceremonies of the Inner Wheel Club of Manila at the Makati Shangri-La Hotel where Beth Tagle was inducted as President and Senator Cynthia Villar was Guest Speaker and Inducting Officer. The next day, July 29, 2016, IPDG/PP Obet Pagdanganan, DGN/PP Rudy Bediones, CoS/IPSDG/PP Cesar Ubaldo and DCoS/SDG/Dir. Albert Alday attended the Handover and 15th Induction Ceremonies of the Rotary Club of Quirino Manila Central at the Legend Seafood Restaurant in Pasay City where my classmate, ASP Rodel Mangaba, was sworn in as President for Rotary Year 2016-2017. This was preceded by a Governor's Visit at the same venue participated in by DCoS/SDG/Dir. Albert Alday, being part of the EXECOM of District 3810 for Rotary Year 2016-2017. Three days later, August 1, 2016, CoS/IPSDG/PP Cesar Ubaldo and DCoS/SDG/Dir. Albert Alday attended the Second District 3810 EXECOM Meeting and Second Area Meeting at the Aloha Hotel in Manila where the first issue of the Governor's Monthly Letter (GML) was distributed. For your information, the GML this year is led by our very own DCoS/SDG/Dir. Albert Alday who is, presently, its Editor-In-Chief. The new look of the GML in newsletter form received many accolades from my classmates, dubbing it as the most beautiful GML they have ever laid their hands on. Likewise, on that same date, DCoS/SDG/Dir. Albert Alday was appointed to head the Rules and Mechanics Committee of the District 3810 Midyear Review. Two days later, August 3, 2016, CoS/IPSDG/PP Cesar Ubaldo and DCoS/SDG/Dir. Albert Alday attended the Governor's Visit and Induction of the Rotary Club of Cavite Metro at the Island Cove Resort Hotel and Leisure Park in Kawit, Cavite where my classmate, ASP Ma. Alegria "Guia" Enriquez, was inducted as President for Rotary Year 2016-2017.

Today, we shall have our very own PVP Benjamin "Ben" Diokno, Ph.D., Secretary, Department of Budget and Management, who will talk on "A Budget for Real Change". I look forward to your cooperation as we endeavor to make our stars shine this Rotary Year 2016-2017 through meaningful projects and fellowships that will strengthen the bonds of Asia's First Rotary Club.

JOINT DENTAL MISSION

PHILIPPINES-JAPAN DENTAL MISSION July 2-3, 2016

by

DAD Maribeth Legado
Rotary Club of Manila Remedios Circle

All of us, from the Rotary Club of Manila Remedios Circle were so excited to learn that our club will host the Philippines-Japan Joint Dental Mission. With all the plannings, meetings and preparations for weeks with the guidance and counselling of District Governor Ernest Yuyek, we came up with two areas where the dental missions would be held. One would be in Sinag sa Sais in Pandacan and one in Maricaban in Pasay. While our club was the host club for the Manila area mission, the Rotary Club of Pasay Metro Sunrise under SDG Mary Mei Victorino was the host club for the Pasay mission.

On July 1, 2016, thirty-eight Japanese dentists and Rotarians arrived at the NAIA Terminal 1. The delegation was welcomed by PE Grace Macatangay of the Rotary Club of Manila Remedios Circle. The help of CP Francis Villegas, PP Willy Masangkay, PP Romy Amador and Rotarian Angel Yazaki lent both ease and comfort to the Japanese dentists upon their arrival such that a VIP treatment was accorded them while waiting at the terminal as well as a motorcade assistance which was extended en route to the Marriott Hotel just in time for the 2016 Handover and Induction Ceremonies of District 3810.

On July 2, 2016, the dental mission kicked off at Sinag sa Sais in Pandacan. The activity started at 9 am and ended at past 3 pm. The group effort of the Japanese dentists, DCC Dr Joyce Ambray, nurses from the Rotary Club of Sampaloc, dentists from the Philippine Navy and the Rotaract Club of Manila Remedios Circle members made the mission a lot easier. A total of 264 patients were given free prophylaxis, tooth extraction and consultation. With the presence of District Governor Ernest, co-host All Star Presidents and their assistants, the activity became a fellowship and service at the same time.

On that night of July 2, 2016,, District 3810 hosted a dinner for the Japanese delegation, It was held at Barbara's in Intramuros, Manila where the group enjoyed a sumptuous feast and a colorful cultural dance presentation.

On July 3, 2016, the second day of the dental mission was held in Maricaban, Pasay. Before 9 am, the group of dentists from Japan and dentists from PAFJO-TMJ,INC. headed by DCC Dr. Joyce Ambray arrived and prepared for the activity, While waiting, DCC Dr. Joyce Ambray started a short program. A prayer was led by ASP Christine Nuñez. Brief welcome remarks were delivered by SDG Mary Mei Victorino, Operations-Pasay Area. DCC Dr. Joyce Ambray delivered a lecture to the kids which made the program educational. Again, the presence of District Governor Ernest and co-host All Star Presidents made the whole activity a lively fellowship and

service. DCC Dr. Joyce Ambray distributed toothbrush and toothpaste for the children. SDG Mary Mei Victorino and ASP Christine Nuñez distributed slippers, school bags with school materials like notebooks, paper and pencil. The activity ended past 3 pm.

After the dental mission, our Japanese dentists together with the host clubs, co-host clubs and District Governor Ernest attended a send-off dinner held at the YWCA in UN Avenue, Manila. The occasion was made more festive with the presentation of cultural dance groups and song numbers of The Dream Girls DDES/SDG Nelia Seril and Maybelle Masangkay.

The highlight of the event was the induction of four (4) new members of the Rotary Club of Tsukuba Sunrise, District 2820 under ASP President Amemiya, Atsushi. Our District Governor Ernest Yuyek administered the induction of the new members.

On July 4, 2016, the delegation left for Japan, with the assistance of Nakamura San, PE Grace Macatangay and Rtn. Angel Yazaki.

With the combined efforts of Districts 3810, 2820, 2550, 2580 and all personnels involved, we can say it was a great and successful dental mission. Not only did we get good comments from the Japanese delegation, we were likewise able to serve more than 700 patients who are now enjoying clean and decay free teeth, ready to give their smile to everyone.

Our club would like to thank the following personalities for the great contribution in making this event a huge success:

1. District Governor Ernesto "Ernest" Yuyek
2. ASP's and co-host clubs from Manila, Pasay, Cavite and Mindoro Area
3. SDG Mary Mei Victorino - host club from Pasay area
4. Vivian Cabañero - for the services of Phil Navy nurses
5. DCC Joyce Ambray - for the services from PAFJO-TMJ, Inc. and the Philippine Dental Association
6. Congresswoman Emmy Calixto-Rubiano of Pasay
7. Congresswoman Sandy Ocampo of Pandacan District 6
8. Rotaract nurses of the RC of Sampaloc headed by ASP Ernie Carrido
9. Rotaract members of the Rotaract Club of Manila Remedios Circle headed by All Star President Princess Suniga
10. Dreamgirls DDES/SDG Nelia Seril and Maybelle Thelma
11. CTJ Catering of PP Domarie Suniga
12. Japanese dentists and Rotarians of District 2820

GOVERNOR'S MONTHLY LETTER

Ernest Yuyek Installed as All Star District Governor

With much anticipation at the moment, Ernest Yuyek, President of the Rotary Club of Manila, accepted the mantle of Leadership of Rotary International District 3810 from World Class District Governor Roberto "GSC" Pineda, President of the Rotary Club of Manila before more than a thousand Rotarians gathering from Manila, Pasay, Cebu and Occidental Mindoro together with foreign Rotarians, almost 600 of them, Japanese from District 3800 and some Philippine Rotarians who belong to our sister districts. The event was held at the peak Marriott Grand Ballroom, Pasay City, the newest convention center of the Philippines with state-of-the-art facilities, on July 1, 2016, the exact date which by Rotary International rules District Governor Ernest Yuyek starts his term which lives in name the beginning of Rotary Year 2016-2017 with the theme, "Rotary Serving Humanity".

The day started with a Thanksgiving Mass officiated by Fr. Sarmiento, Rotarians renewed their faith in the Almighty and thanked him for the World Class year that was and to imbibe more blessings for the All Star year ahead. This was followed by the blessing of three fire trucks and two ambulances which were donated by Rotary International District officers and which were given to beneficiaries from Manila, Pasay and Cebu.

Thereafter, the much awaited parade of All Star Presidents, District Clubmen, Past District Governors and the incoming District Governor and his family, ensued. The All Star Presidents and the World Class Presidents stood on opposite sides of their respective All Star banners as they marched on the entrance towards the stage before exiting. The Presidential march was followed by the passage of the Executive Committee.

District 3810 Now On-the-air, Makes First Ever Radio Broadcast

File 2016 will go down the pages of Rotary International District 3810 history as the day of the FIRST ever radio broadcast of the district. Yes you all heard it right. You can now catch Rotary matters at 7AM-12AM on your AM 1240. The program which runs every Tuesday from 12:00 AM to 11:00 AM is definitely the way to go in terms of public image of District 3810 and its clubs and

MEMBERSHIP DEVELOPMENT

Help the Man you Sponsored Become an Active and Engaged Member

By SAA/PVP Lance Masters

Thank you for sponsoring a new member in the premier Rotary Club in all of Asia. To assure that this worthy man gets everything out of Rotary for which they had hoped and that Rotary benefits from the time and talents that he may have, you have important responsibilities as his sponsor.

1. Be sure to ask the Club Secretariat to produce a membership card for them, and ask them to carry it in their wallet. It helps make them feel like they are one of us already.
2. Introduce the new member to other club members each week at our luncheon meetings for at least the first month. *Sit at different tables* and go out of your way to engage him in conversations with as many members as possible. Come early and stay late to enjoy the fellowship. After you are confident that they can fly solo, don't assume that they want to sit beside you forever; intentionally arrive late once so that they are already seated with others, then you sit at a different table. Make it easy for them to develop friendships with other club members and not overly dependent on you.
3. Invite the new member to accompany you, the sponsor, to other clubs for an intentional make-up meeting to learn the process and observe the spirit of fellowship. Download and demonstrate how to use the mobile phone application "Club Finder."
4. One of the great benefits of being a Rotarian is the opportunity to meet other like-minded individuals, especially when travelling. Ask the new member about their travels and be sure to show how to get a club banner and how the exchange is made when visiting abroad. Be sure to invite them to participate in one of our international trips to sister clubs, especially with their spouse.
5. Ask the new member to join you in a club project, such as the upcoming turnover of upgraded facilities at Hospicio de San Jose on August 17th. One of the most important reasons that people become Rotarians is to join with others in doing good for their communities. Show them how we have fun doing just that.
6. Accompany the new member to a Rotarian Fellowship event, such as a rehearsal of "The World Famous RCM Chorale" or a golf fellowship. It is a great way to become "Rotarized."
7. If the club is hosting a social activity, dinner or special occasion includes spouses, be sure to accompany the new member and his spouse. It's important that our spouses appreciate what we do in Rotary, too.
8. Urge the new member to attend the district conference with you. If there is a ball, be sure to include the spouse!
9. Serve as a true friend to assure that the new member becomes an active Rotarian. If you notice that the member has missed two meetings, call them up and find out why. Show your commitment as their sponsor and as a Rotarian.
10. Ask the new Rotarian which of their friends and acquaintances might be a good potential member. Walk them through the process and help them become a new member sponsor, too. Remember that we learn the most when we are teaching, so help them learn more about Rotary by helping them teach another about the good that can result by Serving Humanity in Rotary.

When the proposer follows these guidelines, Rotary becomes stronger with each new member.

The World Minded Rotarian

By SAA/PVP Lance Masters

The years of World War II and their aftermath caused Rotarians around the world to consider how they might further the causes of peace and harmony. In 1947, under the Presidency of S. Kendrick Guernsey, the International Affairs Committee of the RI Board of Directors formulated a questionnaire directed to all Rotary Officers. The results of the questionnaire were used to formulate an amendment to the Policy on International Service by adding a paragraph indicating the attributes of the world-minded Rotarian. To call this notable development in policy to the attention of all Rotarians, the month of May 1949 was suggested to all Clubs as the occasion for a special program on "The Attributes of the World-minded Rotarian." Program paper No. 712 was circulated to suggest ways of achieving spontaneous and fruitful discussion of this important topic. Here is the list of the attributes of a world-minded Rotarian, we think still relevant today:

"A world-minded Rotarian:

- looks beyond national patriotism and considers himself as sharing responsibility for the advancement of international understanding, goodwill and peace;
- resists any tendency to act in terms of national or racial superiority;
- seeks and develops common grounds for agreement with peoples of other lands;
- defends the rule of law and order to preserve the liberty of the individual so that he may enjoy freedom of thought, speech and assembly, and freedom from persecution, aggression, want and fear;
- supports action directed toward improving standards of living for all peoples, realizing that poverty anywhere endangers prosperity everywhere;
- upholds the principles of justice for mankind;
- strives always to promote peace between nations and prepares to make personal sacrifices for that ideal;
- urges and practices a spirit of understanding of every other man's beliefs as a step toward international goodwill, recognizing that there are certain basic moral and spiritual standards which will ensure a richer, fuller life."

Congratulations Dr. Henry Chusuey!

ON THE LIGHTER SIDE

Olympics

2500 years ago a slave call girl from Sardinia named Gedophamee (pronounced Get-offa'-me) was attending the first athletic festival in Greece. This festival had no name.

In those days the athletes performed naked. To prevent unwanted arousal while competing, the men imbibed freely on a drink containing saltpeter before and throughout the variety of events.

PDG VINCE CARLOS At the opening ceremonial parade of this first great event, Gedophamee observed the first wave of naked athletic males marching toward her and she exclaimed: "Oh! Limp Pricks!"

Over the next two and a half millennia that expression morphed into "Olympics" and that is what will be going on in Rio.

Difficult Pronunciation

A husband and wife were driving through Louisiana. As they approached Natchitoches, they started arguing about the pronunciation of the town. They argued back and forth, then they stopped for lunch.

At the counter, the husband asked the blonde waitress, "Before we order, could you please settle an argument for us? Would you please pronounce where we are very slowly?"

She leaned over the counter and said, "Burrr-gerrr Kiiing."

Winning thesis in international economics!

Communism

You have 2 cows

The State takes both and give you some milk.

Socialism

You have 2 cows.

You give one to your neighbour.

Fascism

You have 2 cows.

The State takes both and sells you some milk.

Traditional Capitalism

You have 2 cows.

You sell one and buy a bull.

You herd multiplies, and the economy grows.

You sell them and retire on the income.

Venture Capitalism

You have two cows.

You sell three of them to your publicly listed company, using letters of credit opened by your brother-in-law at the bank, then execute a debt/equity swap with an associated general offer so that you get all four cows back, with a tax exemption for five

cows. The milk rights of the six cows are transferred via an intermediary to a Cayman Island Company secretly owned by the majority shareholder who sells the rights to all seven cows back to your listed company.

The annual report says the company owns eight cows, with an option on one more.

Bureaucratism

You have 2 cows. The State takes both, shoots one, milks the other and then throws the milk away.

An Italian Corporation

You have 2 cows, but you do not know where they are. You decide to have lunch.

A French Corporation

You have 2 cows. You go on strike, organize a riot, and block the roads, because you want three cows.

A Swiss Corporation

You have 5,000 cows. None of them belong to you. You charge the owners for storing them.

A Greek Corporation

You have two cows borrowed from French and German banks. You eat both of them. The banks call to collect their milk, but you cannot deliver so you call the IMF. The IMF loans you have two cows. You eat both of them. The banks and the IMF call to collect their cows/milk. You are out getting a haircut.

A British Corporation

You have two cows. Both are mad.

An Irish Corporation

You have two cows. One of them is a horse.

An American Corporation

You have two cows.

You sell one, and force the other to produce the milk of four cows.

Later, you hire a consultant to analyse why the cow has died.

An Australian Corporation

You have two cows. Business seems pretty good.

You close the office and go for a few beers to celebrate.

A Chinese Corporation

You have two cows. You have 300 people milking them. You claim that you have full employment and high bovine productivity.

You arrest the newsman who reported the real situation.

An Indian Corporation

You have two cows. You worship them.

An Iraqi Corporation

Everyone thinks you have lots of cows.

You tell them that you have none.

Nobody believe you, so they bomb the crap out of you and invade your country. You still have no cows but at least you are now a Democracy.

PUBLIC HEALTH NUTRITION AND CHILD CARE

CONSTIPATION

Elias D. Adamos, M.D.

Constipation is a symptom, not a disease. Constipation can be extremely bothersome.

When do you have constipation?

When you have infrequent bowel movements, you are constipated or in other words, you have constipation. It is healthy to move your bowels daily, but in general terms, if you have fewer than three stools in a week, you have hard stools, or if you have to strain during bowel movements, you have constipation.

What other symptoms accompany constipation?

You may feel bloated or airy feeling inside your tummy. You may also have cramps and discomfort. You may fart often (flatulence).

What factors contribute to constipation?

A diet low in fiber may lead to constipation. Other factors include: Not drinking enough water or fluids; irregular bowel movements (irregular schedule or bowel movement discipline); lack of activity; pregnancy; illness; and older age.

If left untreated, what can be the usual complications?

Constipation, if left untreated, can lead to hemorrhoids and cracks in the anus (anal fissures).

What can you do if you are constipated?

You may lessen the chance of being constipated if you:

- Eat on a regular schedule (including breakfast) and eat plenty of high-fiber foods, fresh fruits, and whole grain cereals and breads.
- Drink plenty of water and fluids to soften stools.
- Increase physical activity. Exercise increases movements of your intestines.
- Don't ignore the urge to have bowel movement.

Avoid laxatives

Laxatives are medicines that can hasten or stimulate bowel movement. The use of laxatives can be habit-forming. **Use laxatives only when prescribed.** Laxatives can be harmful to the body. They flush out vitamins and other nutrients before they are properly absorbed. Laxatives can also make constipation worse when they are overused. They may interfere with other medications that you are taking. Laxatives lead to 'lazy bowel' wherein the intestines' function is affected as it relies on laxatives for stimulation and movement.
