100 Years of Rotary: An Art Celebration An Evening of Culture and the Arts

A hundred years of glorious existence deserves a class act to showcase its finest hour. With many of its landmark accomplishments finding their ways into the history of the Philippines, the First Rotary Club in the Philippines and in Asia deserves an evening filled with the finer things life can offer. Hence, an art exhibit, through the painstaking initiatives of President Susing Pineda, was staged at the North Court of the posh Powerplant Mall in Rockwell, Makati City last September 13 to 16, 2018.

100 YEARS OF ROTARY AT POWER PLANT MALL SPECIAL ART EXHIBITION RUNS SEPTEMBER 13 TO 16, 2018

In celebration of the Centennial Year of the Rotary Club of Manila District 3810, a special art exhibition titled "100 Years of Rotary: An Art Celebration" will take place at the North Court of the Power Plant Mall on September 13-16, 2018 with special pieces on display by distinguished artists Richard Arimado, Michael Cacio, Allen Lanuza, Benjie Mallari, Ronni Manansala, Almer Moneda, Marge Organo, Ramon Orlina, Averil Paras, Aljo Pingol, Juanito Torres, Dominic Rubio, Solar Santos, and Medal of Merit Awardee Juvenal Sanso. The project is also intended to raise funds that will support 100 scholars of Rotary.

The Rotary motto "Service Above Self" conveys the humanitarian spirit of the organization's more than 1.2 million members.

The Rotary Club of the Philippines has been a source of support to other community service projects. It holds medical and surgical services in the indigenous communities to serve the needy and also offers scholarships to deserving students. Strong fellowship among Rotarians and meaningful community and international service projects characterize Rotary worldwide.

This meaningful exhibit presented by the Rotary Club of Manila District 3810 intends to link the artists' personal works to a community service platform that enables goodwill and peace through the improvement of health, alleviation of poverty, and the support of education.

"100 Years of Rotary: An Art Celebration" will run from September 13 to 16 at the North Court of Power Plant Mall, Makati City. Opening Reception will be on September 13, Thursday at 6PM. For inquiries, contact Denise at (+632) 723 9231 or (+632) 7239418 or Cathy at (+63) 915 651 2250.

Attended by many art enthusiasts, who count among their ranks, members of the diplomatic corps and people of prominence which include many of the esteemed members of the Rotary Club of Manila, the four-day exhibit was an overwhelming success, so much so that the artists themselves, personal friends of President Susing and Rotary Ann Maritess Pineda, who took part in the exhibit and who believed in the cause of Rotary, donated part of the proceeds of the sale for the coffers of the club to be used for any of its worthwhile service projects.

HERBAL REMEDIES AND SELF-HELP FOR ANGINA

Elias D. Adamos, M.D.

If you feel heaviness and pressure on your chest, it may be due to angina. The most common presentation of angina is chest pain that comes after activity, stress, or exertion; although there is a form of angina that happens even when at rest. Therefore the classic angina is chest pain on exertion and relieved by rest.

What is angina?

The accepted medical nomenclature is angina pectoris. Angina can feel like a heart attack. Even though it is not really a heart attack, it can be a precursor to such an unlikely and life-threatening event. Chest pain in angina happens when there is not enough oxygen-rich blood flowing to a part or section of your heart. It occurs when the arteries are blocked and are unable to deliver oxygen to your heart. Chest pain brought about by angina goes away quickly. It usually lasts a few minutes. It goes away with rest. Nonetheless, it can still be a dangerous condition. If you're unsure about it or if the pain does not go away, call your doctor.

What causes angina?

Angina is usually due to heart disease. Fatty substance or cholesterol build-up in your arteries blocks blood flow to your heart muscle. This forces your heart to work double time or perhaps even triple time. That causes the pain. Blood clots in the arteries can also block blood flow that can cause heart attack.

At the hospital or in the clinic

Your doctor will get your medical history. He will request for examinations, including electrocardiogram. He might request for an echocardiogram of your heart. He will differentiate and eliminate other possible causes of chest pain, like heartburn, lung problem, and cardiomyopathy (enlarged thickened heart). Once you're diagnosed with angina, he might prescribed medicines to widen your blood vessels, slow the heart down, and relax blood vessels to let more blood to flow to the heart. If medicines are not enough, you might be a candidate for the insertion of a tiny tube that props open arteries (angioplasty or stent). If more than one artery is blocked, bypass surgery might be indicated.

Self-help for angina

Lead an active life. Exercise. But if you feel pain, stop and rest. Know what triggers your angina. Avoid stress. If large meal triggers angina, try smaller portions. Protect your heart through life-style changes. Limit alcohol. Stop smoking.

Herbal remedies (Source: The Herbal Drugstore by Linda B. White, M.D.)

Garlic (*allium sativum*) and Onion (*A. cepa*). Garlic comes in tablet form. Daily dose of 40 to 80 milligrams of Ginkgo biloba. 1 cup of Hawthorne (*crataegus* spp.) tea three times per day. Ginger (*Zingiber officinale*), ½ inch slice of an average root daily.

It is interesting to note that among those who purchased the paintings and sculpture are members of the Rotary Club of Manila, whose passion for the arts is beyond comparison.

ISDG/PP Joyce Ambray of the Rotary Club of Manila Premier, PAT Hermie Esguerra and PP Benny Laguesma

The four-day art exhibit was truly a sight to behold as it was an event befitting of the stature of members of Asia's First Rotary Club as gentlemen of prominence in business and national affairs with a resolve towards Service Above Self. And indeed, the proceeds will go a long, long way in serving humanity towards the club's resolve to continue touching lives as it stands on the doorsteps of a hundred years of Rotary glory in its resolve to BE THE INSPIRATION for the rest of the Rotary movement in the Philippines and in Asia.

ROTARY CLUB OF MANILA MEMBERS ATTEND 88th CHARTER ANNIVERSARY OF THE ROTARY CLUB OF BANGKOK

Despite the threat of Super Typhoon "Ompong" (International Code Name: Mangkhut) wreaking havoc on the Philippines as it entered the Philippine Area of Responsibility almost the evening before our departure, the delegation of the Rotary Club of Manila saw to it that the Rotary Club of Bangkok would not be deprived of its presence at a most auspicious time as it celebrated its 88th Charter Anniversary. PDG Vince and Lady Tina Carlos were the first to arrive last September 12, 2018. The rest of the delegation gathered at the Ninoy Aquino International Airport Terminal 2 last September 13, 2018 as early as half past the hour of six in the morning for their PR 730 flight.

The following day, September 14, 2018, the group headed out to Chatuchak Market for some real bargain shopping via almost an hour cab ride while AS Rene Policarpio and PP Boy Guevara engaged the Bangkok Rotarians in a friendly game of golf elsewhere. After exploring the different stores while shopping to their heart's content, the group partook in a sumptuous Thai lunch at the said place.

As the day neared the sunset, the group returned to the hotel to prepare for the 88th Charter Anniversary of the Rotary Club of Bangkok at the Grand Hyatt Erawan. When the group arrived at the posh venue, Rotarian congeniality became commonplace as exchange of cards became a phenomenon. All Rotarians looked fabulous in their national dress while some in other formal attire. A vast majority of the delegation came in their best barong tagalog as the evening began with cocktails as guests lined up for registration. The program began with each of the sister clubs bearing their respective flags.

Dear President "Susing",

The 49th Anniversary Fund Raising Ball of Rotary Club of Kowloon East on Approach of Golden Jubilee

Next year will see the Rotary Club of Kowloon East joyfully laying its milestone of 'Half-a-Century in Service'. Our 49th Anniversary Fund Raising Ball this year will hence be an auspicious moment to welcome the Approach of Golden Jubilee!

The excitement in this regard has inspired our veteran Rotarian, Mr. YIU Ching-on, to shoulder the chairmanship of the Organizing Committee for the Ball this year. Such a challenging mission signifies Mr. YIU's eventual agreement to succeed the office of President Elect, only almost four decades after he became Rotarian! What an extra ground for our celebration this year!

May I appeal for the kind attendance of your goodself and other members to share our joy and fun at our 49th Anniversary Fund Raising Ball to be held on Monday 3 December 2018 at the Grand Hyatt Hong Kong, 1 Harbour Road. We would be grateful if you could render us a congratulatory message for the publication of corresponding programme book. A welcome dinner will be hosted for your visiting delegation on Sunday 2 December 2018 at a venue to be decided. We shall soon address you separately asking for detail of your delegation and presenting the relevant information on hotel accommodation. Your support would be greatly appreciated!

Pres. Susing Pineda on a final reminder to fellow RCMers' for the "100 Years of Rotary: An Art Exhibit Celebration", showcasing the art works of many well-known Filipino Artists, September 13 until 16, 2018, 6PM, Thursday, at the Lobby of the Power Plant in Rockwell, Makati City, during his President's Time.

Rtn Jun Alvarez, Jr. does the honor and pleasure of introducing Mr. Wilson L. Sy, Chairman Wealth Securities, Inc., Manila Stock Exchange Foundation, Director, Philippine Stock Exchange, Philequity Management, Stock Market Veteran, Columnist, Business Section, The Philippine STAR, as guest speaker.

Dear Fellow Manila Rotarians,

Last week, we were treated to an enlightening talk by Mr. Wilson Sy, Chairman of Wealth Securities, Inc. on the secrets of the stockmarket playing field to the benefit of many of our members who heavily indulge themselves in investing in such a market.

On the centennial front, I wish to inform everyone that the Steering Committee is working hard to ensure that our centennial projects are successfully implemented. As such, the committee meets on a weekly basis to report updates. On this note, I wish to thank all of you for supporting the "100 Years of Rotary: An Art Celebration", especially, your strong presence during the opening of the exhibit, where no less than His Excellency Sung Kim, Ambassador of the USA to the Philippines, cut the ribbon to open the exhibit, to the purchase of paintings and sculptures. Further, I am happy to inform you that the artists who participated in the exhibit have graciously agreed to donate a portion of the proceeds of the sale to the coffers of our club for use in any of our worthwhile service projects. With respect to our tree planting project, it is all systems go for the tree planting at the roundabout of Okada Road and J.W. Diokno Boulevard in Parañaque City. This will be on September 28, 2018 at 8:30am. Participants will be wearing a specially designed eco-shirt for this purpose. As such, I exhort all of you to participate in this worthwhile endeavor. With respect to the Centennial Choral Competition, the committee in charge is closely coordinating with DepEd in crafting the mechanics and implementation of the same. Today, our "Sari-Saring Aralan" takes off as we undertake the signing of the Memorandum of Agreement between our club and the Ayala Foundation to formally launch this innovative project of using sari-sari stores as alternative learning hubs.

On the international relations front, our big delegation to the 88th Charter Anniversary of the Rotary Club of Bangkok has just returned, bringing with them the goodwill established and rekindled ties with our sister club as the delegation invited them and their other sister clubs present at the occasion to attend our centennial celebration from June 21, 2018 to June 22, 2018.

On the local scene, together with two of our directors, Caloy Reyes and Jackie Rodriguez, I attended the 59th Charter Anniversary of our daughter club, the Rotary Club of Caloocan. Further, I presented a Centennial Plate to Inspiring President Domenador "Domeng" Sanidad as a symbol of goodwill towards a lasting mother club and daughter club partnership in furtherance of Service Above Self as I likewise personally invited them and all the clubs and district governors present during that occasion to take part in our centennial celebrations.

With all these events happening, let us always bear in mind that great things in Rotary are never the works of a single person, but, by a team of Rotarians working together towards a common goal. Indeed, the best is yet to come.

In ONE CENTURY ONE MISSION ONE ROTARY, I remain.

The Search for The Outstanding Workers of the Republic (TOWER) Awards was founded in 1975 by the Rotary Club of Manila as an annual search for outstanding "blue collar" workers of the country. Subsequently, it included in its coverage "white collar" (non-supervisory) workers. It aims to recognize the contributions to economic development of the legions of skilled workers who constitute the backbone of our country's manpower capacity. The awards program transcended the confines of a Club's concern because of its nationwide reach and significance in uplifting the Filipino workers' morale and social status leading to greater prestige at the workplace – to the entrepreneur / employer and the colleagues, to the family and the community while enhancing individual career opportunities and promoting industrial peace.

Latest update:

(from Chair Rtn. Celso Abastillas)

AN INVITATION TO RCM TREE PLANTING CEREMONY: The recent big typhoon named Ompong (called Mangkhut internationally) that wrecked havoc to Northern Luzon and Southern China including Hong Kong, underscored the necessity of planting trees. Planting trees is actually the simplest and easiest way to fight global warming that causes super strong typhoons and hurricanes. It is unfortunate, however, that the simple question of what causes global warming and what to do about it has become highly politicized. Shall we ban from now on fossil fuel/coal power generation or shall we make all cars running on gas and diesel obsolete? This is a trillion-dollar question of course. It's really not easy to answer, considering the consequences it will entail on the world economy. On Friday (8.30am), September 28, 2018, the RCM Centennial Friendship Trees Committee is holding a ceremonial tree planting at the Rotonda of Okada Road/J.W. Diokno Extension. This is to launch the centennial tree planting project

of RCM throughout the country. As discussed before during our Town Hall meeting, we will establish nurseries of tree seedlings in different parts of the country to be distributed for free. By this way, we believe that in our little way, we can contribute to the mitigation of the effects of climate change and global warming. By the way, did you know that a tree can absorb 48 lbs. of carbon dioxide per year? So be among those who will help reduce carbons in our planet. BE THERE AND PLANT TREES!

The Eco-Shirt design to be distributed and used for the tree planting on September 28, 2018 at the Rotonda of Okada Road/J.W. Diokno Extension. The back portion will bear the print, "PLANT A TREE, BUILD A LEGACY".

A CALL FOR DONATIONS

Background

Ompong has wrought extensive damage in Northern and Central Luzon, and has caused the evacuation of over 32,000 families. We've gathered from government sources that the medical requirements for medical missions are as follows:

- oxycycline for leptospirosis, ointments for skin diseases, paracetamol, and CAMPOLAS kits that contain antibiotics, mefenamic acid, oral rehydration solution, lagundi and vitamin A.

- hygiene kits to flooded areas; treatment of drinking water; fogging operations in areas with dengue clustering, and medicines for gastroenteritis and diarrhea.

Taskings

Extension of this project to Central Luzon under ONE ROTARY ONE PHILIPPINES ONE FOR CENTRAL LUZON.

Request PDG Lyne, Sr Eva, Dr Sharon, Dr Naomi, Dr. Kenneth Hartigan-Go, PD Abe Pascual and Rtn. Hans Palacios to source donors for the above listed items.

Find out from NDRRMC or OCD where One Rotary, One Philippines, One for Central Luzon can go to in Central Luzon to plug the gaps in medical services and relief delivery.

This is a shout out to the membership for cash donations for the purchase of medicines as a fallback to delays in donations for Ompong, Jolo and of course, Marawi.

Need to raise an amount of P2-million from the membership to assure us of our operational requirements and medicine requirements every other month until June 2019.

Gentle reminder for outstanding pledges from a few months back.

Dear Fellow RCMers,

As you well know, our Centennial Year is upon us. In the past few years leading up to the present, your club leadership has planned and prepared several projects and events befitting this milestone in the history of our prestigious club. During the Town Hall Meeting last August 9, 2018, these activities were presented and broadly discussed. The responses of our members afterwards were inspiring. They want to do their share in making our centennial celebrations truly memorable, not only for RCMers but also to all Rotarians of the Philippines and of Asia. Indeed, in various district functions recently, other Rotarians from all over the country have also expressed their enthusiasm in joining us in the celebration of 100 years of the Rotary movement in this part of the world. They are just waiting, in their own words, for the Rotary Club of Manila to lead them.

It is time therefore, for us to take the challenge of leading our fellow Rotarians. And for us to do this effectively, the participation of each RCM member is needed. Attached is the list of our centennial committees and their projects. Also provided is the Program of Activities for the Centennial Week. I urge you to volunteer your participation in any of the activities. Together, we can attain greater achievements for our club!

Please indicate the committee(s) / event(s) that you are joining.

Yours in Rotary,

Pres. Susing Pineda
