nectar of the orchids; giving away a countryside of different colors of incomparable beauty. It is a nymph of nature; a mystical energy that communicates with living beings through the movement and force of water travels through the lands through the streams until reaching the oceans where it expands its power. Her spirit continues to live in the beauty of the rainbow and the immense swell of biodiversity, her mission is to protect the natural beauty and water that surrounds.

Advocacy: I advocate that education be more complete and easily accessible to all people, because only through it can we plant that seed of equal rights, tolerance and the sense of preservation in future generations

MALAYSIA

Name: Jasmine Yeo
Age: 21

Goddess Name: Goddess of the Sea

Meaning: I am a living Guardian Goddess of

Marine Life that helps protect and conserve their existence for the benefit of our Young generation.

Advocacy: My advocacy is to preserve marine life and coral conservation. Ocean is our top source of food. We eat what we feed to our ocean. We must stop illegal fish and teach our coastal community on Proper waste disposal.

Age: 22

Goddess Name: Anjana Star

Meaning: Anjana is a fairy that comes from the Mitologia Cantabra in Cantabria (Spain), they are generally bonded beings that help the people in need, normally living in the forests and maintaining nature over all the rivers.

AUSTRALIA

Name: Monique Shippen
Age: 25

Goddess Name: Avalon Goddess of the Sea

Meaning: Avalon is a local beach, part of the Northern Beaches in Sydney, where I spent a lot of my childhood at. Therefore, I chose Avalon (local beach), Goddess of the sea because I want to protect wildlife and marine life by reducing the creation and use of plastics because it is polluting our oceans. Growing up by the ocean I have seen these effects daily and do my best participate in local clean up days.

Advocacy: We are the only creatures in the history of our planet that creates 'rubbish'. It's a human thing. In nature, there is no such thing as rubbish. Animals use what they no longer need for different purposes. Australians use 4 billion plastic bags a year and we have one of the highest rates of tree clearing in any developed country. If each individual follows the 5 Rs - RETHINK, REDUCE, REUSE, RECYCLE, RESPECT, we can start by changing our everyday lifestyle in small ways to make a big impact.

- Say no to plastic bags – BYO reusable bags
- Use alternatives to plastic – bamboo toothbrushes
- Refill your own drink bottle, bring own cutlery, straws
- Get a compost bin – reduce food waste
- Plant trees to purify the air/provide homes for animals affected by deforestation
- Donate to conservations protecting endangered animals

As Miss Earth Australia 2018, I wish to educate children about plastic and food waste by visiting schools, team up with groups at university to approach businesses in making environmentally friendly choices (go plastic free, use alternatives), volunteer at wildlife parks, host charity events to promote awareness and encourage the local community to get involved in various activities such as clean up days and markets where trash can be repurposed into treasure. Let's be plastic free!

HEALTHY AND SAFE ALL SOULS' DAY

Elias D. Adamos, M.D.

A trip to the province is a tradition to many Filipinos on All Saints' Day and All Souls' Day. To those who are lehitimong Manilenyo (legitimate Manilans) road, air, and sea travel to provincial destinations are often scheduled on these two significant holidays of the "ber" months. Here are some tips for a safe Halloween vacation.

For older travelers

Older people have the risk of getting ill while traveling. The Center for Disease Control in the United States, however, claim that the risk of serious illness and death is the same, or even less, in older people who are traveling, than staying at home. If you are bracketed as a "senior traveler," consider these:

- See your doctor for a check-up and discuss your fitness for the trip you are planning. Ask for advice if you need pneumonia and influenza (flu) vaccine.
- See your dentist and optometrist.
- Pack any medications you need. Bring a small medical kit. Include a spare pair of glasses in your kit.
- If you're going to travel abroad or by air or sea, get a travel insurance with your pre-existing illness covered.
- Travel light. Consider your back and joints. Use luggage with wheels.
- Don't forget your hat. Light clothes for hot weather and a sweater to brace you from the cold.
- If you have problems with mobility, take an organized or packaged tour.

Healthy tips for camping and picnics

- Meat, eggs, fish, milk and precooked foods are the ones that get spoiled easily during long road trips. Keep them as cold as necessary. Pick the coolest cooler. The best coolers are the ones that are airtight. Put in blocks of ice to keep the drinks and food fresh when you reach your destination.
- Prepare perishable foods at home.
- Bring a box-full of bottled water if you're traveling with your family. Don't ever think that you're used to drinking from the tap as a kid growing up in the province. Don't take the chance as diarrhea can spoil your vacation.
- Local foods and delicacies are tempting. If you're not sure about them, just buy them for pasalubong (give-away).

Trick-or-treating

- Children should not be allowed to trick-or-treating alone. Walk in groups. Don't allow them to enter homes without a trusted adult.
- Let them wear reflective costumes. Bring a flashlight if you're treat-or-treating at night.
- Examine all treats. Eat only factory-wrapped candies and treats.

Dear Fellow Manila Rotarians,

Last week, we were enlightened on the new trends in Philippine education through the lady at the helm, Secretary Leonor Briones of the Department of Education. For her part, she likewise discussed the functions of her office and their initiatives.

On the matter of daughter club relations, we received an invitation from the Rotary Club of Davao on the occasion of their 80th Charter Anniversary which they celebrated last October 24, 2018 at the Marco Polo Hotel in Davao. It may be worthy for us to note that this daughter club of ours is the First Rotary Club in Mindanao. In like manner, our Centennial Director Albert Alday attended the weekly luncheon meeting of the Rotary Club of Cebu last October 18, 2018 at the Waterfront Hotel in Lahug, Cebu where he touched base with Cebu Rotarians and exchanged pleasantries with them while echoing the various centennial initiatives of our club since they inquired on how they could participate and take part in our centennial activities.

On the matter of club administration, the Board of Directors held its meeting last October 18, 2018 where important matters were taken up and discussed.

On the fellowship front, I wish to thank all Manila Rotarians who attended the District 3810 Halloween Party last October 20, 2018 at the Philippine Ports Authority in Manila. Likewise, many Manila Rotarians attended the launch of Entrego Fulfillment Solutions Inc., which is a joint undertaking of Zalora and Ayala Corporation, last October 22, 2018 at the Fairmont Hotel in Makati City. As such, I wish our fellow Star Rtn. Constantin Robertz well on this new venture of his. Likewise, our World Famous Music Chorale has been holding weekly rehearsals for their forthcoming Christmas carolling which will generate much needed funds.

On the international relations front, I wish to invite everyone to join us on the 49th Anniversary Fund Raising Ball of the Rotary Club of Kowloon East and the 70th Charter Anniversary of the Rotary Club of Taipei which both take place on the same day. Our attendance at these events will mean alot as this is an opportunity to invite them to be one with us on the culminating events of our centennial.

On The Rotary Foundation front, I wish to thank DE/Dir. Bobby Joseph for his resolve to donate US\$ 3,000 for the cause of our club in participating in the global grant of the Rotary Club of Bangkok, our sister club. As of the moment, per our communications with them, we await their go signal for us to deposit the said amount as our participation in such grant. Our gesture of participating in their global grant will ensure their goodwill in participating in our future global grant applications.

With respect to our centennial projects, the Seeds of Change by Rotary Club of Manila met last October 18, 2018 where a video was presented on what projects the committee will engage in towards a National Green Movement which includes partnerships with nurseries in nearby areas of Metro Manila, the Miss Earth organization, DepEd, LGU's and the Boy Scouts of the Philippines. Likewise, plans on a District-wide Arbor Day Celebration for June 2019 are in the works where students, boy scouts and other Rotary clubs in the district will be participating with our club as the lead club. On the TOWER Awards, Chair PP Benny Laguesma together with PMAP representatives were present last October 19, 2018 at PTV 4 where they were interviewed on the TOWER AWARDS by Biznews Asia Program courtesy of Rtn. Tony Lopez where they took the opportunity to promote the TOWER AWARDS Search. The interview was aired last October 22, 2018. On the Rotary Club of Manila Centennial Chorale Competition, the committee met with the district governors of the Philippines, to define clearly their respective roles, especially, with the five finalists. On the event, "A Legacy of Rotary Service", the activities for the day were discussed as well as the program flow with the district governors and their representatives in attendance. Our REAP is likewise fully covered. With respect to all our other centennial projects, I wish to reiterate my appeal for your utmost cooperation and participation as the success of the various centennial projects are anchored on your support.

As I have said, great things in Rotary are never done by a single person, but, by a team of Rotarians working together towards a common goal as we should bear in mind that our centennial celebration is a colossal undertaking. Under ONE CENTURY, in furtherance of ONE MISSION, towards ONE ROTARY, I remain.

Jesus M. Pineda

President Elect, Rotary Club of Manila

543 Arquiza cor, Grey Street, Ermita

Manila City, Philippines

Dear Mr. Jesus M. Pineda,

We would like to invite you and your Rotarians to our Rotary Club of Taipei 70th charter on December 3, 2018 at the Mandarin Oriental Hotel in Taipei. It will be our honor to have our sister club Rotarians to join us for this special celebration. It will be a monumental event for our club as 70th year is a big birthday in Taiwanese tradition. I will be also be the first female president of our rotary club in 70 years.

Rotary Club of Taipei is the first club in Taiwan, ROC, which was chartered on October 9, 1948 by C.K. Yen, who was the former President of the Republic of China. We have around 100 members including honorary members from over 20 nationalities. Our club is extremely proud that our own member, Gary Huang, was the Rotary International President 2014-15.

We are very honored that our own PRIP Gary and the Rotary International President Elect Mark Maloney will be joining us on this special occasion. We hope we will also have the honor to have you and your Rotarians as our guests for our 70th charter.

Please kindly confirm your acceptance for the event. We have secured a special room rate with the Mandarin Oriental Hotel. Please contact our club for any question or help with arrangements. We hope to see you in Taipei soon. Thank you for your consideration.

Yours in Rotary,

Shirley Ting

President Elect, Rotary Club of Taipei

Dear President "Susing",

The 49th Anniversary Fund Raising Ball of Rotary Club of Kowloon East on Approach of Golden Jubilee

Next year will see the Rotary Club of Kowloon East joyfully laying its milestone of 'Half-a-Century in Service'. Our 49th Anniversary Fund Raising Ball this year will hence be an auspicious moment to welcome the Approach of Golden Jubilee!

The excitement in this regard has inspired our veteran Rotarian, Mr. YIU Ching-on, to shoulder the chairmanship of the Organizing Committee for the Ball this year. Such a challenging mission signifies Mr. YIU's eventual agreement to succeed the office of President Elect, only almost four decades after he became Rotarian! What an extra ground for our celebration this year!

May I appeal for the kind attendance of your goodself and other members to share our joy and fun at our 49th Anniversary Fund Raising Ball to be held on Monday 3 December 2018 at the Grand Hyatt Hong Kong, 1 Harbour Road. We would be grateful if you could render us a congratulatory message for the publication of corresponding programme book. A welcome dinner will be hosted for your visiting delegation on Sunday 2 December 2018 at a venue to be decided. We shall soon address you separately asking for detail of your delegation and presenting the relevant information on hotel accommodation. Your support would be greatly appreciated!

Yours in Rotary,

(TUNG Siu-wing)

President Susing Pineda

Rotary Club of Manila

543 Arquiza Street, corner Grey Street
Ermita, Manila 1000

Dear Classmate, Centennial President Susing:

First of all, let me congratulate our very dear Mother Club, for its Centennial Year. It is great pleasure to all Rotarians in the Philippines particularly, that no less than our first Mindanawan President, Mayor Digong, had issued a special Proclamation recognizing the positive contribution to nation-building by the Rotary movement, and acknowledging the particular role played through the century, by the Rotary Club of Manila. In our own small way, we are making adjustments in the cover our Club Bulletin (The Apo Bulletin, attached is a copy), to gladly recognize this.

Indeed, time flies so fast. Your First Daughter Club in Mindanao, the Rotary Club of Davao, will also be Eighty Years old this year. We shall be holding our Special Fellowship Meeting to modestly commemorate this, on October 24, 2018, 6-6:30 p.m., at the Marco Polo Hotel here in Davao City.

WE ARE CORDIALLY INVITING YOU personally and on behalf of the Rotary Club of Manila, it will be great pleasure to acknowledge you among our very distinguished guests. Let me apologize that this letter could not be sent earlier enough. Nevertheless, please share our message of goodwill with your fellow members of RCManila.

Incidentally also, to make this occasion more memorable, we are publishing a Souvenir Magazine which should come out shortly after the said Commemoration Fellowship, to serve as our Memento that will highlight important information about Rotary, along with Rotary Club of Davao's own happy memories. We wish to take the liberty of allocating a portion for the Rotary Club of Manila and will gladly include particular information you may wish to be in the page. We look forward to discuss this with you soon.

In anticipation, thank you very much.

Very sincerely,

Edgar L. Bullecer
President, RY 2018-19

The Search for The Outstanding Workers of the Republic (TOWER) Awards was founded in 1975 by the Rotary Club of Manila as an annual search for outstanding "blue collar" workers of the country. Subsequently, it included in its coverage "white collar" (non-supervisory) workers. It aims to recognize the contributions to economic development of the legions of skilled workers who constitute the backbone of our country's manpower capacity. The awards program transcended the confines of a Club's concern because of its nationwide reach and significance in uplifting the Filipino workers' morale and social status leading to greater prestige at the workplace – to the entrepreneur / employer and the colleagues, to the family and the community while enhancing individual career opportunities and promoting industrial peace.

GREEN AND GO

Coconut Tree, A Quintessence of Resilience

Have you ever seen a coconut tree full of holes from its bottom to upper trunk, but, still bearing a lot of fruits? It just shows it had gone through a lot of fights for its life and had fully recovered. I saw one by the tee mount of Par 3 Hole No. 5 of the Midlands Golf. I took a picture of it, but, unfortunately, I could not retrieve it. It must have been erased by accident. The holes, actually, are indicative that the tree had been attacked by insects or had gone through a disease called Cadang cadang for almost all of its life. True to its reputation, it has withstood the disease so many times over. That's why you can see those scars like a soldier bearing scars of wounds from a battle. About eight (8) years ago, the coconut trees in the Calabarzon area were infested by cocolisap, an insect infestation that affects the coconut leaves, turning them into brown color. This really affected the trees' food production and hence, its fruit bearing process. The infestation was then a puzzle to Agriculture authorities, even to some senators, on how to treat this disease. The coconut trees for a few years suffered until Typhoon Glenda with maximum winds of 220 kph hammered Southern Luzon. The coconut trees bore the brunt of the typhoon and weathered it. And only a few fell down, but, the most interesting thing that happened was all the cocolisap insects were blown away by the typhoon. After the typhoon, the trees recovered and are now bearing many fruits. Indeed, there are many lessons to learn from the coconut trees. Not only is it a good tree to plant in typhoon prone areas, but, also, a good mirror for our lives. When life seems hopeless, just hang on until a great opportunity comes a long. However, the most common lesson from it: Use your coconut!

Dear Fellow RCMers,

As you well know, our Centennial Year is upon us. In the past few years leading up to the present, your club leadership has planned and prepared several projects and events befitting this milestone in the history of our prestigious club. During the Town Hall Meeting last August 9, 2018, these activities were presented and broadly discussed. The responses of our members afterwards were inspiring. They want to do their share in making our centennial celebrations truly memorable, not only for RCMers but also to all Rotarians of the Philippines and of Asia. Indeed, in various district functions recently, other Rotarians from all over the country have also expressed their enthusiasm in joining us in the celebration of 100 years of the Rotary movement in this part of the world. They are just waiting, in their own words, for the Rotary Club of Manila to lead them.

It is it time therefore, for us to take the challenge of leading our fellow Rotarians. And for us to do this effectively, the participation of each RCM member is needed. Attached is the list of our centennial committees and their projects. Also provided is the Program of Activities for the Centennial Week. I urge you to volunteer your participation in any of the activities. Together, we can attain greater achievements for our club!

Please indicate the committee(s) / event(s) that you are joining.

Yours in Rotary,

Pres. Susing Pineda
