Dear Fellow Manila Rotarians,

I hope you have all taken time off from your busy schedules both at work and in Rotary during the Halloween, All Saints Day and All Souls Day break to recharge and make the most of family bonding time, whether at home, in the cemetery or elsewhere. I am positive that you are all now ready and eager to bring our busy Rotary year to even greater heights as we approach our culminating activities. The week before the break, we had the time of our lives, marvelling at the candidates of Ms. Earth 2018 as they exchanged pleasantries with each of us. Indeed, it was beauty with environmental advocacy at its finest as we signed a Joint Commitment to Protection of Earth and Humanity with the officials of the Ms. Earth Beauty Pageant. This, in effect, enhanced our public relations for our Seeds of Change by Rotary Club of Manila so much so that we even chose a Ms. RCM Earth in the person of Ms. Earth Spain.

On the aspect of international relations, I continuously invite you to join our respective delegations to the 49th Anniversary and Fund Raising Ball of the Rotary Club of Kowloon East and the 70th Charter Anniversary of the Rotary Club of Taipei. Attending these important milestones of our sister clubs affords us the opportunity to reciprocally invite them to take part in the culminating activities of our centennial celebration.

On the aspect of fellowship, I wish to announce that our Christmas Party will take place on December 13, 2018, 6:00 pm at the Grand Ballroom 3, Coral Wing Lobby of OKADA MANILA in Parañaque City. Let us all attend and share the Christmas spirit with everyone. Likewise, I wish to thank Special Children Committee Chair PD Phillip Ong, Co-Chair Rtn. Ray Davis and Rtn. Zdenek Jankovsky for bringing tons of cheers to the children and elderly of the Hospicio de San Jose through the Hospicio Halloween party we staged. I am certain these children and elderly felt the warmth of a genuine Manila Rotarian whose quintessential ways have defined who we have been for the past century.

On the aspect of our centennial projects, many of them are underway in nearing fruition. Our Sari-Saring Aralan project is set to launch on November 14, 2018 as I wish to invite all of you to signify your attendance with our Secretariat as Ayala Foundation needs the names of attendees for documentation. Our Seeds of Change by Rotary Club of Manila reached a milestone by enhancing its public image with the Joint Commitment to Protection of Earth and Humanity. Our Legacy of Rotary

Service event for June 21, 2018 is slowly shaping up as oculars and program plans have been drawn up. Our Rotary Club of Manila Centennial Chorale Competition has reached a new high with the recent Memorandum of Agreement signed with DepEd and the continuous meetings with the District Governors. Our Rotary Club of Manila Coffee Table Book is now in the identification of personalities in the archives stage. Our REAP is fully covered. Hence, I encourage everyone to do their share in making our centennial projects an overwhelming success.

Today, we welcome our Honorary Member, His Excellency Daniel Pruce, Ambassador Extraordinary and Plenipotentiary of the United Kingdom of Great Britain and Northern Ireland to the Republic of the Philippines, as he gives us a sneak peek into the present state British-Philippine Bilateral Relations.

Indeed, all these are colossal undertakings that require our passion for Service Above Self. Hence, great things in Rotary are never the works of a single individual, but, by a team of Rotarians moving together on the path to a common goal under ONE CENTURY towards ONE MISSION in furtherance of ONE ROTARY, our club, the Philippines and the world can truly be proud of. It's time for us to BE THE INSPIRATION as we all take pride in what we have collectively accomplished.

BEAT ERECTILE DYSFUNCTION
THE NATURAL WAY

Elias D. Adamos, M.D.

Things ain't what they used to be when you're a man over 60. Some men experience it even earlier. I am referring to a condition that puts a man out of the game – Erectile Dysfunction (ED). As a clinician, I heard older men complaining about "all talk, but no action." ED is not only an old man's personal problem; it is also a problem between spouses. After all, they say: "A happy wife equates to a happy life." With all the ads and TV commercials claiming to be "the miracle of science" or the instant cure to ED, it is important to be aware that simple lifestyle changes can be the real natural solution to triumph over it.

What causes ED?

Older men suffer from ED because of many reasons. These include not only medical problems, like vascular diseases (hypertension, diabetes, varicosities), neurological diseases (post stroke), rheumatologic (lower back problems, degenerative conditions), prostate problems, or surgeries; but also psychological problems, such as stress, anxiety, and depression. Complex problems that include more than one cause: combination of psychological and medical, as an example; occur in more than 75% of older men.

Diagnosis

- See your doctor for a check-up and discuss your concerns. He will perform examination of your penis and testicles.
- Laboratory tests include: Blood tests, urine tests, and ultrasound.
- To some men, psychological tests may be indicated.

Natural ways to trounce ED (Source: Harvard Health News, November 3, 2018)

1. Start walking. According to one Harvard study, just 30 minutes of walking a day was linked with a 41% drop in risk for ED. Other research suggests that moderate exercise can help restore sexual performance in obese middle-aged men with ED.
2. Eat right. In the Massachusetts Male Aging Study, eating a diet rich in natural foods like fruit, vegetables, whole grains, and fish — with fewer red and processed meat and refined grains — decreased the likelihood of ED.
3. Pay attention to your vascular health. High blood pressure, high blood sugar, high cholesterol, and high triglycerides can all damage arteries in the heart (causing heart attack), in the brain (causing stroke), and leading to the penis (causing ED).
4. Size matters, so get slim and stay slim. A trim waistline is one good defense — a man with a 42-inch waist is 50% more likely to have ED than one with a 32-inch waist.
5. Move a muscle, but we're not talking about your biceps. A strong pelvic floor enhances rigidity during erections and helps keep blood from leaving the penis by pressing on a key vein. In a British trial, three months of twice-daily sets of Kegel exercises (which strengthen these muscles), combined with biofeedback and advice on lifestyle changes — quitting smoking, losing weight, limiting alcohol — worked far better than just advice on lifestyle changes.

Jesus M. Pineda

President Elect, Rotary Club of Manila

543 Arquiza cor, Grey Street, Ermita

Manila City, Philippines

Dear Mr. Jesus M. Pineda,

We would like to invite you and your Rotarians to our Rotary Club of Taipei 70th charter on December 3, 2018 at the Mandarin Oriental Hotel in Taipei. It will be our honor to have our sister club Rotarians to join us for this special celebration. It will be a monumental event for our club as 70th year is a big birthday in Taiwanese tradition. I will be also be the first female president of our rotary club in 70 years.

Rotary Club of Taipei is the first club in Taiwan, ROC, which was chartered on October 9, 1948 by C.K. Yen, who was the former President of the Republic of China. We have around 100 members including honorary members from over 20 nationalities. Our club is extremely proud that our own member, Gary Huang, was the Rotary International President 2014-15.

We are very honor that our own PRIP Gary and the Rotary International President Elect Mark Maloney will be joining us on this special occasion. We hope we will also have the honor to have you and your Rotarians as our guests for our 70th charter.

Please kindly confirm your acceptance for the event. We have secured a special room rate with the Mandarin Oriental Hotel. Please contact our club for any question or help with arrangements. We hope to see you in Taipei soon. Thank you for your consideration.

Yours in Rotary,

Shirley Ting

President Elect, Rotary Club of Taipei

For our fellow Manila Rotarians interested in attending, please get in touch with our Secretariat at 5271886/5271887 or coordinate with Chairman PD Ed Lee.

Dear President "Susing",

The 49th Anniversary Fund Raising Ball of Rotary Club of Kowloon East on Approach of Golden Jubilee

Next year will see the Rotary Club of Kowloon East joyfully laying its milestone of 'Half-a-Century in Service'. Our 49th Anniversary Fund Raising Ball this year will hence be an auspicious moment to welcome the Approach of Golden Jubilee!

The excitement in this regard has inspired our veteran Rotarian, Mr. YIU Ching-on, to shoulder the chairmanship of the Organizing Committee for the Ball this year. Such a challenging mission signifies Mr. YIU's eventual agreement to succeed the office of President Elect, only almost four decades after he became Rotarian! What an extra ground for our celebration this year!

May I appeal for the kind attendance of your goodself and other members to share our joy and fun at our 49th Anniversary Fund Raising Ball to be held on Monday 3 December 2018 at the Grand Hyatt Hong Kong, 1 Harbour Road. We would be grateful if you could render us a congratulatory message for the publication of corresponding programme book. A welcome dinner will be hosted for your visiting delegation on Sunday 2 December 2018 at a venue to be decided. We shall soon address you separately asking for detail of your delegation and presenting the relevant information on hotel accommodation. Your support would be greatly appreciated!

CENTENNIAL PROJECTS

Rotary Club of Manila Centennial Watch is a limited edition watch (100 pieces) made by Ibarra bearing the new logo of the Rotary Club of Manila which will be sold as part of a fund-raising endeavor.

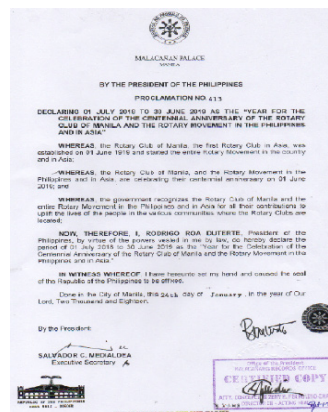

Monty Python's SPAMALOT is a Rotary Club of Manila-sponsored musical comedy adapted from the 1975 film Monty Python and the Holy Grail. Like the motion picture, it is a highly irreverent parody of the Arthurian legend, but it differs from the film in many ways. This show is a fund-raising endeavor of the club.

ALAY LAKAD FOR OUT-OF-SCHOOL YOUTH

From politics, let's move to civic-mindedness. The annual "Alay Lakad: Walk-for-a-Cause" was successfully held at the Quirino Grandstand. This year's theme was "Kabataan Suporta ng Bayan," for the "Alay Lakad: Walk-for-a-Cause" was conceptualized in 1972, by the late DSWD secretary Dr. Estefania Aldaba Lim. Raising funds through "walking" will enable the out-of-school youth to receive educational assistance, skills, and livelihood trainings to improve their way of life, said Frank Evaristo, Alay Lakad president and long-time advocate of the charity "walk."

Proceeds from the fundraising campaign are dedicated to assisting the government in enabling and empowering the youth, especially the out-of-school youth, to become productive and responsible citizens. Through these years, Rotary International is one of the avid supporters of this walk-for-a-cause.

The Search for The Outstanding Workers of the Republic (TOWER) Awards was founded in 1975 by the Rotary Club of Manila as an annual search for outstanding "blue collar" workers of the country. Subsequently, it included in its coverage "white collar" (non-supervisory) workers. It aims to recognize the contributions to economic development of the legions of skilled workers who constitute the backbone of our country's manpower capacity. The awards program transcended the confines of a Club's concern because of its nationwide reach and significance in uplifting the Filipino workers' morale and social status leading to greater prestige at the workplace – to the entrepreneur / employer and the colleagues, to the family and the community while enhancing individual career opportunities and promoting industrial peace.

Dear Rotary fellow

Almost a year ago I sent a letter to all the presidents and secretaries of the Rotary clubs requesting them to ask their club members if they could receive an exchange student from district 4380 (West of Venezuela). The response was successful, since all those who applied today are sharing homes in South America, Europe and even in the Philippines. This has been very important for us, since the young people who returned from their previous stay are laying the foundations for the growth and multiplication of the Interact clubs and future Rotaractors, the main school for future Rotarians.

In contact with the host families of our Outbounds about their experience with our young people, they all found themselves delighted with them, for their education and spirit of collaboration.

For all this we have only to give a very big THANK YOU for this help that you have given us, since the word "exchange", for now it is very difficult to pronounce it in Venezuela. We will know how to thank with generosity at its opportune moment.

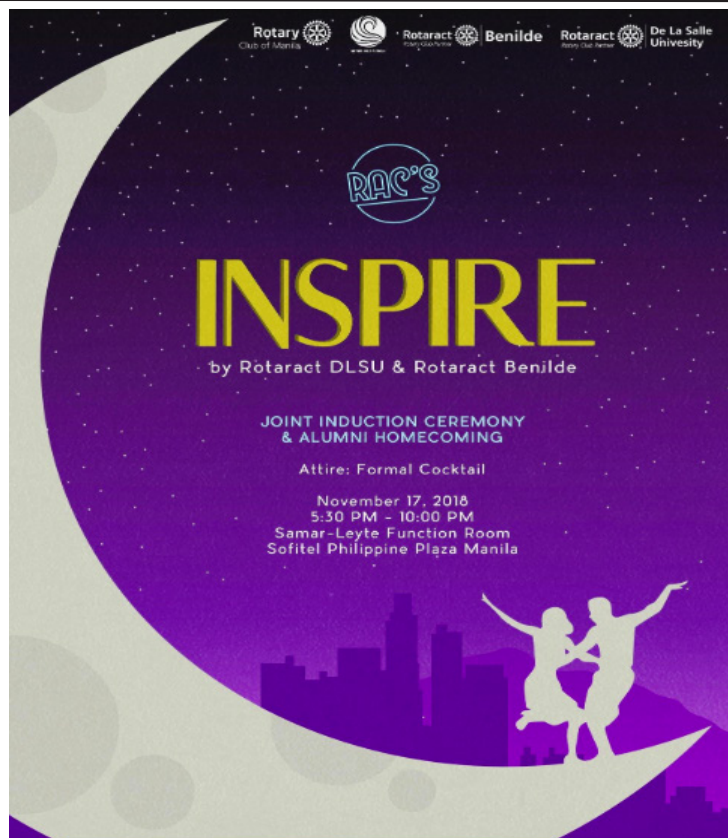

This year we are overcoming the challenge as 71 applicants are preparing to travel next year. While it is true that we already have 03 places that were offered for the 19-20 cycle, we need to reapply that, if any member of your club could receive one of our exchange students, contact the chairman of the district so that, together with ours, they can prepare the stay with a family from your club.

It should be noted that the young people we select for this activity are the most qualified, with healthy habits, they do not smoke, they come from families of professionals and they stand out for their application to study and a good level of education.

I thank you for the attention you give us in receiving this letter and we will appreciate what you could do for our young people.

Rotarians colleagues from the Philippines. We welcome you to this wonderful Rotary program and we want to be at your service to receive exchange students. Currently there is a Venezuelan student in the Philippines and she is very happy and grateful to be there. We have several highly qualified homes to receive students from all over the world and it would be great to know us. Please get in touch with Francisco Padilla (Chairman of District 4380) to advance the procedures.

SEEDS OF CHANGE by Rotary Club of Manila

Latest Update:

Tree Planting Costs (By BSoP and GSOP Combined):

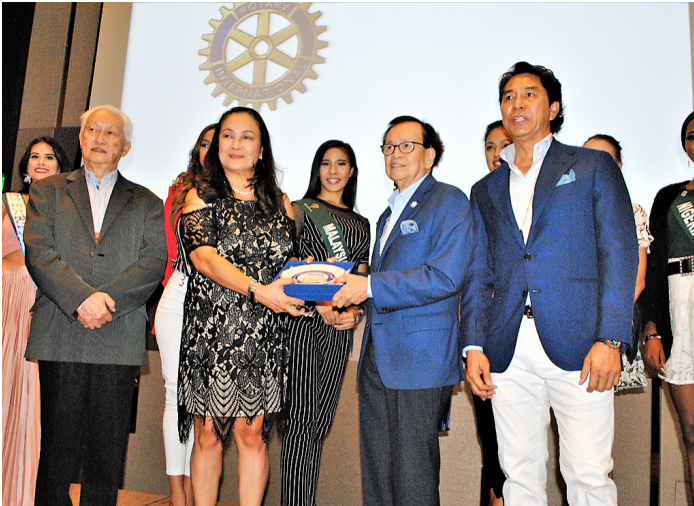

(Assuming one Boy Scout and
Girl Scout will plant one tree each
or total of 3,650,000 trees)

Costs

A. Pre-Planting	
1. To plant 3,650,000 trees you need at least 2400 hectares, which is not easy to find.	
2. Assuming 2400 hectares land is found: Clearing Cost – 2400 Hectares @P5000/hectare-	P12M
B. Planting:	
1. Cost of 3,650,000 seedling @ P5 (assuming planting done by BS/GS).	18.25M
2. Logistics (Transport to Planting Sites)	
a. Seedlings: 3,650,000 seedlings @1.50	5.47M
b. Manpower (Planters): 3,650, pax @50 capacity per bus or 73,000 trips @7500	547.5M
C. Post planting Maintenance (for 2 years): 1 st year – 4x visits 2 nd year – 2x visits 3,650,000 @ 2.67 per visit x 6 visits (2years) =	58.47M
D. Total Costs with Logistics	P641.69M
1. Cost per tree after 2 years	P175.80
E. Total costs without Logistics (P5.47M + 547.5M = P552.97M)	P88.72M*
1. Cost per tree without Logistics *Assuming all seedlings are planted in one contiguous area of 2400 hectares.	P24.30*
F. Discussions	2
1. The cost of tree planting is not peanuts as can be shown by the numbers above. Because of the size of the cost of tree planting it is naturally better handled by the government. Though, it has to be viable/profitable proposition in order to encourage also mass planting by the private sector. It could be viable actually, though risky, due to the 25 typhoons that visit the country every year and the droughts that visit from time to time.	
2. In view of the huge cost coupled with threats and uncertainties relative to tree planting it is not advisable for RCM to go into the tree planting per se. Besides RCM has no capability to do it.	
3. What RCM can do is either Be a catalyst/organizer/aggregator (as originally envisioned) , of all tree plantings in the country or Be a promoter to increase the level of consciousness of every Filipino on the importance of tree planting in the Philippines . As catalyst/aggregator, RCM will have to face the challenge of dealing with different parties which have their own idiosyncrasies/culture, in order to ensure its success. These parties includes: DENR, AFP/PNP, CHED/DEPed, LGU's, BSoP, GSOP and other related NGO's. The author believes, the lesser parties to deal with, the simpler it is to manage, the more chances of success.	
4. Therefore it is highly recommended that RCM just engage in promotional project, that is, raising the level of consciousness of every Filipino on the need to plant trees, in coordination with Miss Earth organization, media group, and or other Rotary Clubs. RCM may engage too in a contest or search for the BEST TREE PLANTER(S) in the Philippines.

Dear Fellow RCMers,

As you well know, our Centennial Year is upon us. In the past few years leading up to the present, your club leadership has planned and prepared several projects and events befitting this milestone in the history of our prestigious club. During the Town Hall Meeting last August 9, 2018, these activities were presented and broadly discussed. The responses of our members afterwards were inspiring. They want to do their share in making our centennial celebrations truly memorable, not only for RCMers but also to all Rotarians of the Philippines and of Asia. Indeed, in various district functions recently, other Rotarians from all over the country have also expressed their enthusiasm in joining us in the celebration of 100 years of the Rotary movement in this part of the world. They are just waiting, in their own words, for the Rotary Club of Manila to lead them.

It is it time therefore, for us to take the challenge of leading our fellow Rotarians. And for us to do this effectively, the participation of each RCM member is needed. Attached is the list of our centennial committees and their projects. Also provided is the Program of Activities for the Centennial Week. I urge you to volunteer your participation in any of the activities. Together, we can attain greater achievements for our club!

Please indicate the committee(s) / event(s) that you are joining.

Yours in Rotary,

Pres. Susing Pineda
