Tony Lopez is the founder, president, chairman and CEO of BizNewsAsia, the Philippines’ largest and most influential weekly business and news magazine. Its pass-on circulation is as high as 350,000 readers.

Tony is one of the most senior and prominent journalists in the country today. He has 46 years of journalism experience here and abroad covering business, the economy, politics, and world affairs.

He has worked for the largest, oldest and premium news organizations here in abroad, including Asiaweek of Time Warner, Mainichi Shimbun of Japan, ARD and ZRD TV stations of Germany, and the Roces Manila Times. In 2001, he put up his own magazine, BizNewsAsia.

Tony began his business journalism in 1970, becoming senior business reporter of the Manila Chronicle, acting business editor of the Manila Times, and business editor of The Times Journal.

As a business writer of nearly 50 years, and editor of BizNews-Asia weekly, he has interacted with and interviewed many of the Philippines’ leading tycoons and taipans. He thus can write about them and their enterprises with urgency, immediacy and authority, as well as balance and fairness.

Lopez is the first honorary member of CREBA, the largest and most prestigious association of developers, builders, property owners and real estate professionals. He is a governor of PHIL-CONSA and current chairman of Manila Overseas Press Club.

His BizNewsAsia is remarkable for its incisive and in-depth reporting on business and the economy and for chronicling the achievements of the country’s leading enterprises and entrepreneurs.

Lopez writes a column, Virtual Reality, every Wednesday and Friday for Manila Standard and hosted for nearly six years the award-winning business-oriented weekly PTV talk show BizNewsTV.

Tony finished journalism, magna cum laude, from the University of Santo Tomas, on a four-year full scholarship. He also finished global journalism from the University of Stockholm, Sweden and three semesters of MBA at Ateneo de Manila.

He was for 25 years senior correspondent of Time Warner's Hong Kong-based weekly Asiaweek. He made Asiaweek the largest international news magazine in the Philippines.

His Asiaweek work helped put the Philippines on the world map, writing on events that shaped one of Asia's largest economies in population and economic size, both during its moment of great peril during the martial law years and its re-emergence as a bastion of democracy, economic revival and good governance today.

Lopez won the TOYM in 1985 for international journalism, the Outstanding Manilan in 1989 for international journalism, and the Gold Medal as Hero of EDSA from the Philippine Star in 1987. The Pilipino Reporter Magazine made him "Journalist of the Year". The Rotary Club of Manila has given him three awards -- for distinguished foreign correspondence in 1987, for lifetime achievements in journalism in 2015, and for BizNewsAsia as the "Business Magazine of the Year" in 2015 and 2016.

The UST College of Arts and Letters made him one of its Most Outstanding Alumni in Journalism in the last 100 years. UST itself made him one of its Most Outstanding Thomasians in the field of arts and letters.

Tony is a founding member of the Foreign Correspondents Association of the Philippines, long-time member of the National Press Club, and the only six-time president of the Manila Overseas Press Club, Asia's oldest press club.

Dear Fellow Manila Rotarians,

Last week, we had the privilege of having our Honorary Manila Rotarian His Excellency Daniel Pruce, Ambassador Extraordinary and Plenipotentiary of the United Kingdom of Great Britain and Northern Ireland to the Republic of the Philippines as Guest of Honor and Speaker where he delved extensively on the present state of British-Philippine relations. It was an enlightening talk that got our members engaged in the open forum that followed.

With respect to international relations, I continuously invite you to join our respective delegations to the 49th Anniversary and Fund Raising Ball of the Rotary Club of Kowloon East and the 70th Charter Anniversary of the Rotary Club of Taipei. Attending these important milestones of our sister clubs affords us the opportunity to reciprocally invite them to take part in the culminating activities of our centennial celebration.

With respect to the New Generations Service, I wish to invite each one of you to attend the Joint Induction and Handover Ceremonies of the Rotaract Club of De La Salle University Manila and the Rotaract Club of De La Salle-College of St. Benilde, entitled, "INSPIRE", on November 17, 2018 at Samar-Leyte Function Room of the Sofitel Philippine Plaza Manila. Registration starts at 5:30 pm. Let us support our Rotaractors in this endeavor as they have always been supportive of our club's projects.

With respect to fellowship, I wish to announce that our Christmas Party will take place on December 13, 2018, 6:00 pm at the Grand Ballroom 3, Coral Wing Lobby of OKADA MANILA in Parañaque City. Let us all attend and share the Christmas spirit with everyone as this likewise serves as a welcome respite from our busy centennial year.

With respect to our centennial projects, we just formalized our partnership with the City of Manila on our economic and community development centennial project, "Sari-Saring Aralan", where our other partners are the Ayala Foundation and Grameen Australia Philippines, last November 13, 2018 in a meeting with Secretary to the Mayor Atty. Edward Serapio at the Mayor's Board Room in Manila. The following day, November 14, 2018, we launched our "Sari-Saring Aralan" project at the Sari-Sari Store of Aling Nila in Barangay 50 under Barangay Chairman Rommel Galima, Tondo, Manila where project partners were in attendance which included Ayala Foundation President Ruel Maranan and Ayala Foundation Director Joanna Duarte as well as Rtn. Lutz Kunack and Secretary-General Rtn. Romy Nones. It gave us so much fulfillment as we saw the look of gratitude in the faces of more than fifty (50) out-of-school youth beneficiaries of our project. On this note, I wish to thank Rtn. Lutz Kunack for providing food and refreshments for the launching of this project. On the other hand, "A Legacy

UNDERSTANDING YOUR AGING SPINE

Elias D. Adamos, M.D.

Your spine, like your face, gets old. Said in another way, you get back pain as a result of natural aging process and it is no different from getting wrinkle next to your eye and expression crease on your forehead. Back pains don't often result from lifting or pushing heavy objects, like refrigerator or air conditioning unit; pain can come after a simple task, like reaching for a pencil or brushing your teeth in front of the sink. Why is this so? The simple explanation is a cliché – you're just getting old.

Knowing back pain

Research has yet to present proof that “being super or extra careful” and “going slow” will guarantee you to a back-pain-free life. Although techniques on lifting and pushing objects may somehow prevent, if not mitigate, back injury, they are not 100% assurances that you will not get pain on your back throughout your lifetime. Back pain may result from inevitable age-related tissue failure. Be positive: After all, not being active, and being extra careful, won't stop you from getting wrinkles and gray hair.

The mystery and oddities in back pain

- It is one of the most common medical complaints of patients in the doctor's office.
- It is not always related to injury. Unlike a sprained ankle wherein healing comes after recovery from injury; age-related back pain does not heal because there is no injury.
- Back pain is not always common among the aged. Some people suffer from pains on their back in their 40s and less in their 50s. If it is a degenerative process, then why do some people have less and less pain while they advance in age?
- What is odd about back pain is that while the spine ages, the pain is triggered by the neurological system – the brain and nerve tissues inside the spine; but not the bone or the spine itself. Thus, the pain goes away when the triggering point or factor is controlled --- the nerves.

Strategies to help your back

1. Don't baby your back pain. Babying your back pain by staying in bed will not help. Your condition might get worse overtime. Without activity, the flexibility and strength of muscles are affected. You also increase the possibility of depression.
2. Treat the pain. Over-the-counter medicines won't cure the problem. They just make you dependent on them. Hot or cold pack can make the pain more tolerable. Talk to your doctor to know which medicine is best for you.
3. Hit the gym and engage in an exercise program. Make your body strong.
4. Talk to a physical therapist or a doctor with specialty in rehabilitation medicine. These professionals will help you safely go past pain.

of Rotary Service” project is now into the details of its activities for the entire day after it held a workshop meeting last November 9, 2018 at the Taipan Room of the Tower Club in Makati City under the leadership of Chairman DE/BLA Amading Valdez. The activities under “A Legacy of Rotary Service” include the “Rotary Club of Manila Centennial Chorale Competition” where officials of DepEd likewise took part in the workshop as well as the “Centennial Awards” Committee which is in charge of the Rotary Success Stories to be awarded. With respect to REAP, we want more Rotarians to adopt more students to sustain our initiative to support our PLM and PUP students until graduation day. Hence, I encourage everyone to do their share in making our centennial projects an overwhelming success.

Today, we welcome our very own Rtn. Tony Lopez, Founder, Chairman, President and CEO of BizNewsAsia Philippines, Inc., as he gives us his take in the burning and pressing issues of the day that would showcase his stature as the quintessential journalist he has always been.

Indeed, all these are colossal undertakings that entail our unwavering passion for Service Above Self. Let us remember that great things in Rotary are never done by a single individual, but, by a team of Rotarians, moving together towards a common goal. Under ONE CENTURY, towards ONE MISSION and in furtherance of ONE ROTARY, the best is yet to come. Let us all BE THE INSPIRATION in everything we collectively accomplish in the service of Rotary.

Jesus M. Pineda
President Elect, Rotary Club of Manila
543 Arquiza cor, Grey Street, Ermita
Manila City, Philippines

Dear Mr. Jesus M. Pineda,

We would like to invite you and your Rotarians to our Rotary Club of Taipei 70th charter on December 3, 2018 at the Mandarin Oriental Hotel in Taipei. It will be our honor to have our sister club Rotarians to join us for this special celebration. It will be a monumental event for our club as 70th year is a big birthday in Taiwanese tradition. I will be also be the first female president of our rotary club in 70 years.

Rotary Club of Taipei is the first club in Taiwan, ROC, which was chartered on October 9, 1948 by C.K. Yen, who was the former President of the Republic of China. We have around 100 members including honorary members from over 20 nationalities. Our club is extremely proud that our own member, Gary Huang, was the Rotary International President 2014-15.

We are very honor that our own PRIP Gary and the Rotary International President Elect Mark Maloney will be joining us on this special occasion. We hope we will also have the honor to have you and your Rotarians as our guests for our 70th charter.

Please kindly confirm your acceptance for the event. We have secured a special room rate with the Mandarin Oriental Hotel. Please contact our club for any question or help with arrangements. We hope to see you in Taipei soon. Thank you for your consideration.

Yours in Rotary,

Shirley Ting
President Elect, Rotary Club of Taipei

For our fellow Manila Rotarians interested in attending, please get in touch with our Secretariat at 5271886/5271887 or coordinate with Chairman PD Ed Lee.

Dear President "Susing",

The 49th Anniversary Fund Raising Ball of Rotary Club of Kowloon East on Approach of Golden Jubilee

Next year will see the Rotary Club of Kowloon East joyfully laying its milestone of 'Half-a-Century in Service'. Our 49th Anniversary Fund Raising Ball this year will hence be an auspicious moment to welcome the Approach of Golden Jubilee!

The excitement in this regard has inspired our veteran Rotarian, Mr. YIU Ching-on, to shoulder the chairmanship of the Organizing Committee for the Ball this year. Such a challenging mission signifies Mr. YIU's eventual agreement to succeed the office of President Elect, only almost four decades after he became Rotarian! What an extra ground for our celebration this year!

May I appeal for the kind attendance of your goodself and other members to share our joy and fun at our 49th Anniversary Fund Raising Ball to be held on Monday 3 December 2018 at the Grand Hyatt Hong Kong, 1 Harbour Road. We would be grateful if you could render us a congratulatory message for the publication of corresponding programme book. A welcome dinner will be hosted for your visiting delegation on Sunday 2 December 2018 at a venue to be decided. Just like the Philippines, the economic outlook for Chile is promising, with experts projecting the Latin American nation's growth at four percent in 2018. According to the latest report by Spain-based BBVA Research, Chile is one of the "star economies" of 2018 and 2019 in the Latin American region. Along with Paraguay and Peru, Chile is projected to be among the Top 3 nations to post the highest growth in a region that is expected to recover its "dynamism" by 2019.

Chile and several Latin American countries belonging to the Pacific Alliance trade bloc are looking to forge closer ties with the Philippines, which they see as a "gateway" to the ASEAN region, saying the country can be a bridge because of its shared culture and history with the Latin American nations.

Although relations between the Philippines and Chile began as early as 1854, it was only in July 1946 when formal ties were established. In fact, the relationship with the Philippines is the oldest one established by Chile with a member-nation of the Association of Southeast Asian Nations (ASEAN). In the last 72 years, this relationship has grown, during which time a diverse agenda has been developed, Mosciatti noted.

Chile and the Philippines may be more than 17,000 kilometers apart, but the ties that bind the two countries bridge the geographical distance. This is because of a shared legacy courtesy of a Hispanic heritage, in which both Chileans and Filipinos identify themselves with common cultural aspects and traditions, as well as the same religion.

This, in essence, was the message of the Chilean Embassy Deputy Chief of Mission Giancarlo Mosciatti during the recent celebration of Chile's National Day held at the Dusit Thani Hotel in Makati City. Guests enjoyed the delectable food, wine and pisco — an iconic and emblematic drink of Chile.

The Search for The Outstanding Workers of the Republic (TOWER) Awards was founded in 1975 by the Rotary Club of Manila as an annual search for outstanding "blue collar" workers of the country. Subsequently, it included in its coverage "white collar" (non-supervisory) workers. It aims to recognize the contributions to economic development of the legions of skilled workers who constitute the backbone of our country's manpower capacity. The awards program transcended the confines of a Club's concern because of its nationwide reach and significance in uplifting the Filipino workers' morale and social status leading to greater prestige at the workplace – to the entrepreneur / employer and the colleagues, to the family and the community while enhancing individual career opportunities and promoting industrial peace.

Dear Fellow RCMers,

As you well know, our Centennial Year is upon us. In the past few years leading up to the present, your club leadership has planned and prepared several projects and events befitting this milestone in the history of our prestigious club. During the Town Hall Meeting last August 9, 2018, these activities were presented and broadly discussed. The responses of our members afterwards were inspiring. They want to do their share in making our centennial celebrations truly memorable, not only for RCMers but also to all Rotarians of the Philippines and of Asia. Indeed, in various district functions recently, other Rotarians from all over the country have also expressed their enthusiasm in joining us in the celebration of 100 years of the Rotary movement in this part of the world. They are just waiting, in their own words, for the Rotary Club of Manila to lead them.

It is it time therefore, for us to take the challenge of leading our fellow Rotarians. And for us to do this effectively, the participation of each RCM member is needed. Attached is the list of our centennial committees and their projects. Also provided is the Program of Activities for the Centennial Week. I urge you to volunteer your participation in any of the activities. Together, we can attain greater achievements for our club!

Please indicate the committee(s) / event(s) that you are joining.

Yours in Rotary,

Pres. Susing Pineda
