Dear Fellow Manila Rotarians,

Last week, we were treated to a bright 2019 forecast on the Philippine Economy as well as the Global Economy through the very interesting and enlightening talk of Lito Camacho, Former Secretary of the Department of Energy and Former Secretary of the Department of Finance, who is, presently, Vice Chairman of Credit Suisse Asia Pacific and Managing Director of the Asia Pacific Division of Credit Suisse. In particular, his forecast on the phenomenal emergence of China was an eye opener for all of us, giving us a cue on our respective business plans for 2019.

On the Fellowship front, DE/Dir. Bobby Joseph and I are hosting cocktails for all active Star Rotarians of our club today, January 17, 2019, 3:00 pm, at the Ralph's Wine and Spirits along Arnaiz Ave. (formerly Pasay Road) in Makati City. This will serve as an opportunity to meet our Star Rotarians upclose and personal and motivate them to play active roles in our centennial celebration.

On the International Relations front, I wish to invite everyone to register for the 2019 Rotary International Convention in Hamburg, Germany while rates are still reasonable. This likewise presents a last minute opportunity to invite Rotarians from all over the world to attend our centennial culminating activities which happen a few weeks thereafter. Likewise, I wish to inform you that Rotary International has just launched the theme for RY 2019-2020, "Rotary Connects the World".

On the Centennial Celebrations front. I presided over the meeting of the Centennial Steering Committee last January 15, 2019 at the Rockwell Club in Makati City where we reviewed the status of the different centennial projects with particular emphasis on "A Legacy of Rotary Service" and the Centennial Gala Night. With respect to the DISCON 2019, our club will be hosting it by highly encouraging all our members to attend and accordingly, pay the fees for that event which is mandated by Rotary International. With respect to the Centennial Projects, the Rotary Club of Manila Coffee Table Book will be launched on March 1, 2019 which will be sold at Php 2,000.00 per copy. The Centennial Commemorative Stamps are now being sold to

generate much needed funds. The Rotary Club of Manila Centennial Chorale Competition Committee will be holding its Regional Eliminations at the CSI Stadia in Dagupan City on January 29, 2019 and I have caused the circulation of an advisory to all of you who wish to join us for this event. The REAP will be holding a Special Event on January 25, 2019 where the sponsors will be meeting our fifty (50) scholars in the Pamantasan ng Lungsod ng Manila. On this note, I wish to convey my earnest appeal for more benefactors so we could reach out to more students who need our help. D & L Industries has likewise given its commitment to the REAP project. The Save Manila Bay Project is now underway and press releases have shown the actions already undertaken by DE/Dir. Bobby Joseph.

On the Club Administration front, our Sagip Kabataan Foundation held its Annual Meeting last January 10, 2019 at the New World Makati Hotel in Makati City. This foundation has always been at the forefront of our community service activities.

Today, Japanese-Philippine relations take centerstage as His Excellency Koji Haneda, Ambassador Extraordinary and Plenipotentiary of Japan to the Republic of the Philippines, speaks before all of us.

Undoubtedly, all these are colossal undertakings which will greatly entail our unwavering commitment in furtherance of Service Above Self. Indeed, great things in Rotary are never done by a single individual, but, by a team of Rotarians, moving together towards a common goal. Under ONE CENTURY, towards ONE MISSION and in furtherance of ONE ROTARY, the best is yet to come. Let us all BE THE INSPIRATION in all our undertakings as we continue our fidelity to the tenets of Rotary in living our everyday lives.

FLU PREVENTION

Elias D. Adamos, M.D.

The Department of Health warns the public on the increasing cases of flu (influenza) after the holidays.

What causes flu?

Influenza virus causes flu. The virus enters through the nose, throat, mouth, eyes, and lungs.

The virus is contracted when a person with the infection sneezes, coughs, or talks to you. The virus is emitted in the air in droplets and you can unluckily inhale the droplets directly. Picking up objects that contain the virus is also a possible mode of infection (telephone, computer keyboard).

A person who has the virus can transfer from the days before the symptoms appear and until about 5 days after the appearance of the symptoms. This is not an absolute rule because the virus and virus activity can change from time to time and from one season to another.

Is flu a deadly condition?

Flu is a self-limiting condition. Said in another way, it can go away even without medicine. It is however considered to become a deadly condition to some people who are at risk. People who are under age 5, and those over 65 are at risk of getting pneumonia, the most serious complication of flu. People who have lowered immune system (example, cancer patients), pregnant women, women who have just delivered, people with chronic illnesses (asthma, liver disease, kidney disease, heart disease), the very obese, and institutionalized patients and those under long-term treatment also belong to the high-risk population for the complications of flu. Other complications include: ear infection, heart problems, bronchitis, and asthma flare-ups.

Symptoms of flu include the following: Fever, muscle and body aches, fatigue and weakness, cough, nasal congestion, sore throat, chills and sweats, and headache.

Flu vaccine is not 100% effective. The strain of flu virus changes from time to time. What attacks people this year may not be the same flu virus next year.

Preventing the flu

- 1. Wash your hands frequently. Use alcohol-based sanitizer.
- 2. Cover your mouth and nose when you sneezed. It is better if you sneeze into a tissue. Avoiding coming near a sneezing or coughing person.
- 3. Avoid crowds.
- 4. Stay at home when you are sick. You may just need home remedy for the flu.
- 5. Avoid touching your eyes, nose or mouth.
- 6. Get plenty of sleep. Exercise. Drink plenty of fluids and eat nutritious foods.

2019-20 RI president announces his presidential theme

Rotary International President-elect Mark Daniel Maloney explained his vision for building a stronger Rotary, calling on leaders to expand connections to their communities and to embrace innovative membership models.

Maloney, a member of the Rotary Club of Decatur, Alabama, USA, unveiled the 2019-20 presidential theme, Rotary Connects the World, to incoming district governors at Rotary's annual training event, the International Assembly, in San Diego, California, USA, on Monday.

RI President-elect Mark Maloney announces the 2019-20 presidential theme, *Rotary Connects the World*, to incoming district governors in San Diego, California, USA.

"The first emphasis is to grow Rotary — to grow our service; to grow the impact of our projects; but, most importantly, to grow our membership so that we can achieve more," Maloney said.

Maloney believes that connection is at the heart of the Rotary experience.

"(Rotary) allows us to connect with each other, in deep and meaningful ways, across our differences," Maloney said. "It connects us to people we would never otherwise have met, who are more like us than we ever could have known. It connects us to our communities, to professional opportunities, and to the people who need our help."

Maloney also called on every Rotary and Rotaract club to identify segments of their community not represented in their club by creating a membership committee with diverse members.

JOEY VIDUYA

"Through Rotary, we connect to the incredible diversity of humanity on a truly unique footing, forging deep and lasting ties in pursuit of a common goal," he added. "In this ever more divided world, Rotary connects us all."

Maloney urged leaders to offer alternative meeting experiences and service opportunities to make it easier for busy professionals and people with many family obligations to serve in leadership roles.

"We need to foster a culture where Rotary does not compete with the family, but rather complements it," Maloney said. "That means taking real, practical steps to change the existing culture: being realistic in our expectations, considerate in our scheduling, and welcoming of children at Rotary events on every level."

Maloney said many of the barriers that prevent people from serving as leaders in Rotary are based on expectations that are no longer relevant.

"It is time to adapt, to change our culture, and to convey the message that you can be a great district governor without visiting every club individually, and a great president without doing everything yourself."

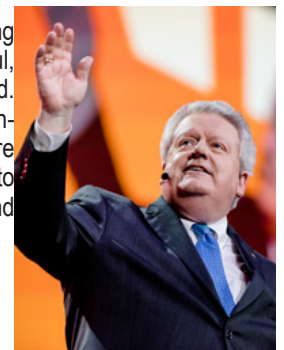

Relationship with the United Nations

During 2019-20, Rotary will host a series of presidential conferences around the world, focusing on Rotary's relationship with the United Nations and the UN's sustainable development goals that many Rotary service projects support. More information will be available in July.

In 2020, the United Nations will celebrate the 75th anniversary of its charter and its mission of promoting peace. Rotary was one of 42 organizations the United States invited to serve as consultants to its delegation at the 1945 San Francisco conference, which led to the UN's charter. For decades, Rotary has worked alongside the United Nations to address humanitarian issues around the world. Today, Rotary holds the highest consultative status that the UN offers to nongovernmental organizations.

"Rotary shares the United Nations' enduring commitment to a healthier, more peaceful, and more sustainable world," Maloney said. "And Rotary offers something no other organization can match: an existing infrastructure that allows people from all over the world to connect in a spirit of service and peace and take meaningful action toward that goal."

The Search for The Outstanding Workers of the Republic (TOWER) Awards was founded in 1975 by the Rotary Club of Manila as an annual search for outstanding "blue collar" workers of the country. Subsequently, it included in its coverage "white collar" (non-supervisory) workers. It aims to recognize the contributions to economic development of the legions of skilled workers who constitute the backbone of our country's manpower capacity. The awards program transcended the confines of a Club's concern because of its nationwide reach and significance in uplifting the Filipino workers' morale and social status leading to greater prestige at the workplace – to the entrepreneur / employer and the colleagues, to the family and the community while enhancing individual career opportunities and promoting industrial peace.

Dear Fellow RCMers,

As you well know, our Centennial Year is upon us. In the past few years leading up to the present, your club leadership has planned and prepared several projects and events befitting this milestone in the history of our prestigious club. During the Town Hall Meeting last August 9, 2018, these activities were presented and broadly discussed. The responses of our members afterwards were inspiring. They want to do their share in making our centennial celebrations truly memorable, not only for RCMers but also to all Rotarians of the Philippines and of Asia. Indeed, in various district functions recently, other Rotarians from all over the country have also expressed their enthusiasm in joining us in the celebration of 100 years of the Rotary movement in this part of the world. They are just waiting, in their own words, for the Rotary Club of Manila to lead them.

It is time therefore, for us to take the challenge of leading our fellow Rotarians. And for us to do this effectively, the participation of each RCM member is needed. Attached is the list of our centennial committees and their projects. Also provided is the Program of Activities for the Centennial Week. I urge you to volunteer your participation in any of the activities. Together, we can attain greater achievements for our club!

Please indicate the committee(s) / event(s) that you are joining.

Yours in Rotary,

Pres. Susing Pineda
