Dear Fellow Manila Rotarians,

A Blessed Easter to all of you. I hope the Holy Week break has given you time away from your busy schedule to be with family as you reflected on the Almighty's plan of salvation for all of us and the ultimate sacrifice He has made by dying on the cross. A week before that, we were treated to an enlightening talk by Rev. Father Dennis Paez, who made us realize how lucky we all are and how we should treat the marginalized of society. After the talk, we were all briefed on the financial aspects of our centennial culminating activities during the brief Townhall Meeting.

Our preparations for our culminating activities for the Centennial Celebration are almost complete. The electronic poster for our Salubong Fiesta on June 20, 2019 is already out and we already have a fixed program for that. We will likewise be featured in the cover page of the June issue of the Philippine Rotary Magazine after our meeting with PDG Chit Lijauco.

"A Legacy of Rotary Service" already has an electronic poster being circulated. In addition, we have sent out a total of 1,148 local invitations and 2,544 foreign invitations. Confirmations of attendance have been gradually increasing. We expect a surge as we move closer to the date of the event.

The top ten Rotary projects selected by the Centennial Awards Screening Committee have been turned over to the panel of judges composed of Ayala Foundation President Ruel Maranan, Zonta International Past President Olivia Ferry, Gawad Kalinga Founder Antonio Meloto and US Ambassador Sung Kim who heads the Board of Judges. The turnover took place last April 11, 2019 where Chair PDG Alex Cureg and I were present.

There has likewise been an increase in the number of attendees from our club in the Centennial Gala Night and thanks to Chair VPE/PAT Hermie Esguerra, pledges of financial support have been pouring in as many of us have realized the importance of celebrating the gains of a hundred years of serving the community.

Our Rotary's Heart for Little Angels has helped another beneficiary as the person was operated on last April 22, 2019 at the National Children's Hospital in Quezon City and is now walking. This would not have been possible without the leadership of Rtn. Zdenek Jankovsky.

Our Centennial Commemorative Stamps are still on sale. Please do not miss the opportunity of securing for yourself this once in a lifetime memorabilia.

Meanwhile, the names of those who have paid and partially paid the Centennial Seed Fund, the Centennial Donations and the Annual Dues will appear in the BALITA as we endeavor to collect all these since they will go a long way in augmenting our centennial expenses.

Today, our venue shifts to the Makati Shangrila Hotel as we honor our benefactors of our Rotary Club of Manila Educational Assistance Program (REAP) where we have invited school officials of both PLM and PUP and REAP scholars alike in our REAP Appreciation Luncheon while we get enlightened by inspirational speaker Mr. Hassan Younes who will talk about business, academics and personal development.

Without an iota of doubt, all these are colossal undertakings which need the best of efforts in furtherance of Service Above Self. Indeed, great things in Rotary are never done by a single individual, but, by a team of Rotarians, moving together towards a common goal. Under ONE CENTURY, towards ONE MISSION and in furtherance of ONE ROTARY, the best is yet to come. Let us all BE THE INSPIRATION as we embrace the tenets of Rotary in living our everyday lives.

BE THE CHANGE

(PART I)

In Hinduism, the lotus flower or its Sanskrit name “padma” primarily represents beauty and non-attachment. The lotus is rooted in the mud but floats on

water without becoming wet or muddy. This symbolizes how one should live in the world – without attachment to one’s surroundings. A

Hindu teaching from the Bhagavad Gita says: “One who performs his duty without attachment, surrendering the results unto the Supreme Lord, is unaffected by sinful action, as the lotus leaf is untouched by water.”

Ideally, in rendering Rotary service we should be guided by time-honored guiding principles, the most popular of course is the Four-Way Test. Sometimes, human nature and its weaknesses get the better of us and we fall into error. Some of us have experienced a falling out with our clubs or club members due to certain issues among which are district politics which have always divided us. That is why in these times, we have to re-examine our rationale as to why we are

ALL THE DAYS OF MARCH, Part 5
(A month-long of dealing with public health concerns)

Elias D. Adamos, M.D.

Just a day after the 6.1 magnitude earthquake that hit Castillejos, Zambales and the provinces of Central Luzon, a 6.5 magnitude earthquake hit the Visayas region. If you feel the ground shaking beneath your feet, stay calm and remember the three basic steps to safety: **DROP TO THE GROUND, TAKE COVER BY GETTING UNDER A STURDY DESK OR TABLE, HOLD ON TO IT UNTIL THE SHAKING STOPS.**

Fire is a main earthquake hazard. Fire in an earthquake can come from broken gas lines and power lines. Be careful. Don't just go back inside the building without the "fire out" pronouncement.

Rotarians. Our existence as Rotarians should be impelled exclusively by an honest desire to serve and live by Rotary's ideals. Let us not let worldly trouble get the better of us and remain steadfast in our commitment to serve. Let us focus on the millions

of poor local or foreign communities who need our help. Millions die of diseases which can easily be prevented just by raising awareness among those who can do something to create positive change. We, as Rotarians, have a solemn commitment to help those in need. We know that our existence as Rotarians can be challenged by the many dissensions or conflicts that beset any well-meaning organization like ours. But just like the lotus flower, we cannot afford to be affected by these. Instead, let us focus on the task at hand because it is in seeing the improvement of the life of another human being that we can find fulfillment as individuals.

An honest examination of conscience almost always leads to change. If we are dissatisfied with our present condition, we need to find means to change it. It is an immutable truth that change must always begin within our self. I quote the ever-venerable Mahatma Gandhi, "Be the change you want to be in the world."

The Search for The Outstanding Workers of the Republic (TOWER) Awards was founded in 1975 by the Rotary Club of Manila as an annual search for outstanding “blue collar” workers of the country. Subsequently, it included in its coverage “white collar” (non-supervisory) workers. It aims to recognize the contributions to economic development of the legions of skilled workers who constitute the backbone of our country's manpower capacity. The awards program transcended the confines of a Club's concern because of its nationwide reach and significance in uplifting the Filipino workers' morale and social status leading to greater prestige at the workplace – to the entrepreneur / employer and the colleagues, to the family and the community while enhancing individual career opportunities and promoting industrial peace.

CENTENNIAL LAUNCH

This activity aims to announce the different projects and activities for the Centennial of the Rotary Club of Manila and the Rotary movement in the Philippines and in Asia through a press conference launch where cocktails will be served and with Rotarians from different clubs and districts in attendance.

Dear Fellow RCMers,

As you well know, our Centennial Year is upon us. In the past few years leading up to the present, your club leadership has planned and prepared several projects and events befitting this milestone in the history of our prestigious club. During the Town Hall Meeting last August 9, 2018, these activities were presented and broadly discussed. The responses of our members afterwards were inspiring. They want to do their share in making our centennial celebrations truly memorable, not only for RCMers but also to all Rotarians of the Philippines and of Asia. Indeed, in various district functions recently, other Rotarians from all over the country have also expressed their enthusiasm in joining us in the celebration of 100 years of the Rotary movement in this part of the world. They are just waiting, in their own words, for the Rotary Club of Manila to lead them.

It is it time therefore, for us to take the challenge of leading our fellow Rotarians. And for us to do this effectively, the participation of each RCM member is needed. Attached is the list of our centennial committees and their projects. Also provided is the Program of Activities for the Centennial Week. I urge you to volunteer your participation in any of the activities. Together, we can attain greater achievements for our club!

Please indicate the committee(s) / event(s) that you are joining.

Yours in Rotary,

Pres. Susing Pineda

CENTENNIAL GALA NIGHT

Latest Update:

Dear FellowRCMers,

The Centennial Celebration is a milestone event that will not happen in the lifetime of our _nth level descendants. This is indeed an event that calls for Total Celebration, our way to treat ourselves, our spouse, partners in life and family members to this Celebration of Service.

It will be untrue not to express that I am, personally, very elated by members who spontaneously volunteered their financial resources in reaction to the need presented, during the town hall meeting. This is the spark calling for members to participate in any amount to ensure that we all witness the successful fruition of this once in lifetime celebration.
