Dear Fellow Manila Rotarians,

Last week, we staged our 15th Tourism Awards where we recognized outstanding personalities in the Tourism industry, mostly on ecological, farm tourism, shopping tourism, education tourism, integrated tourism, heritage tourism, and social tourism, to name a few. They, indeed, have made their respective marks in the field of tourism.

We are less than a month away from the most awaited centennial celebration culminating activities. Hence, we are now on the final stages of our preparations that would guarantee the success of our centennial. The gains of a hundred years deserve only the best of celebrations.

The Angels in Rendu Art Exhibit will be on June 15, 2019 from 3:00 pm to 6:00 pm at the Art Pavillion of the LRI Design Plaza in Makati City. On this occasion, cocktails will be served. Proceeds of the sale will all go to the Hospicio de San Jose Cerebral Palsy Center. On this note, I ask all of you to wholeheartedly support this endeavor.

The "Salubong Fiesta" will be on June 20, 2019 where the Guest of Honor is no less than Rotary International President-Elect Mark Maloney. This will be from 4:30 pm to 7:30 pm. Cocktails will be served. The venues are the Luna, Hidalgo and Amorsolo Function Rooms of the World Trade Center in Pasay City. Many Rotarians have been invited. Please be in Filipiniana Casual attire.

The apex of the Centennial Celebration is the event on June 21, 2019, known as "A Legacy of Rotary Service" which features the mass induction of District Governors-Elect and Presidents-Elect by no less than Rotary International President-Elect Mark Maloney where a certificate will be given to them. Our Rotaractors will help us and join us in the morning session of this day. In the same manner, on this day will be the historic Rotary Forum led by the RI President-Elect himself. Moreover, the five (5) grand finalists will be singing the best composition in the Centennial Chorale Competition where they vie for top honors. The most outstanding service projects from all the rotary districts will be chosen. The evening will be a rare one with President Rodrigo Duterte and you will all enjoy good music from Lara Maigue, the Ryan Cayabyab singers and Marcy David and his band.

I am happy to announce that we now have our fourteen (14) Manila Rotarians/Manila Rotarian Spouses who are now Lambert Fellows, namely, Rtn. Celso Abastillas, Rtn. Jun Bella, Rtn. John Emyl Eugenio, PP Benny Laguesma, PD Ed Led, PP Teddy Ocampo, PD Abe Pascual. PVP Fausto Preysler, Jr., DE/BLA Amading Valdez, PVP Ben Diokno, RID Raffy Garcia, Rtn. Gani Macatoman and AT Ner and Femy Lonzaga.

The Centennial Gala Night will be the climax of all celebrations for a hundred years of achievements. With VPE/PAT Hermie Esguerra and his team of Manila Rotarians as well as event coordinators, the event promises to be the evening of all evenings from first class entertainment to venue as this will take place on June 22, 2019 at the posh Grand Ballroom of the OKADA MANILA in Parañaque City. Please do not miss this by invitation only event. Thank you to all of you who have donated as we anticipate the success of this event.

Our Coffee Table Book is already in the printing stages. Don't miss the opportunity of securing your copies of this commemorative book once it is released.

Our Centennial Commemorative Stamps are still on sale. Don't miss securing issues of these once in a lifetime memorabilia.

The Rotary Club of Manila Educational Assistance Program (REAP) is certainly a phenomenon to say the least as it continues to help to the academically endowed, but, financially challenged graduating students of PLM and PUP. The program needs more benefactors to help these deserving students. Hence, I appeal to your generous hearts. Other than my appeal, our club will stage a special art exhibition, entitled, "A Giving Heart: A Fundraising Event" at the North Court of the Power Plant Mall, Rockwell, Makati City from May 30, 2019 to June 2, 2019 with special pieces on display by distinguished artists. The proceeds will go to our REAP project. Cocktails and ribbon cutting take place on May 31, 2019 at 6:00 pm at the Main Lobby of The Power Plant Mall. See you all there.

All these would not be possible without your payments of the centennial seed fund and centennial donations. As such, I would like to appeal to all those who have not remitted to please do so as these would go along way in covering our expenses for our centennial celebration. In the same manner, I would like to remind all those who have not paid their annual dues to please do so.

Today, we welcome the number one ranked senator during the recent midterm elections, the livelihood lady herself, Sen. Cynthia Villar, as she graces our luncheon meeting.

Without an iota of doubt, all these are colossal undertakings which need our earnest efforts in furtherance of Service Above Self. Indeed, great things in Rotary are never done by a single individual, but, by a team of Rotarians, moving together towards a common goal. Under ONE CENTURY, towards ONE MISSION and in furtherance of ONE ROTARY, the best is yet to come as we begin the next chapter of service. Let us all BE THE INSPIRATION and embrace Rotary in our everyday lives as we make these final preparations for the centennial worth our lasting legacy for the next one hundred years and beyond.

PRICKLY HEAT

Elias D. Adamos, M.D.

Prickly heat is also called heat rash or sweat rash. A high-sounding medical term for heat rash is miliaria. In the native tongue, it is called bungalow araw. Heat rash, although common in newborns, babies and children, affects adults too, during hot and humid weather. It appears anywhere in the body, but it usually affects the feet, back, neck, groin, hands, armpits, abdomen and upper chest. In some people, most especially those who live in tropical countries like ours, heat rash impinges on the forehead and face. Aside from hot and humid weather, intense exercise and physical activities that make you sweat heavily can trigger heat rash. Prickly heat can also occur in the bedridden or people who are confined to bed for long periods.

Mechanism of the condition

Prickly heat is a form of swelling and rash in the skin. It develops when some of your skin pores (sweat ducts) are clogged. Instead of evaporating, perspiration gets trapped beneath the skin. When your skin pores suddenly burst open, skin irritation happens and results to prickly heat.

Symptoms

Prickling sensation and itch are the common symptoms pointing to heat rash. Small red spots appear on the skin. Redness and mild swelling is present on the affected areas of the body. The deeper layer of the skin can be affected and prickly heat appears as goose bumps. In some cases, prickly heat forms pus-filled sacs (vesicles).

Treatment

Calamine lotion is an over-the-counter topical treatment for prickly heat. Antihistamine or anti-allergy or anti-itch medicine can help in the reduction and treatment of itch and prickling sensation. Steroidal cream, such as hydrocortisone is indicated or used, but only upon the advice of your doctor.

Prevention

1. Avoid overdressing. In these hot days, wear soft, lightweight, and cotton clothing.
2. Avoid tight-fitting clothes that can irritate the skin.
3. Stay in the shade or in an air-conditioned place. Use a fan to circulate the air.
4. Keep your sleeping area cool and with good ventilation.

When do you need to see your doctor?

Prickly heat can heal even without medicine. You need to see your doctor if the symptoms last longer than a few days or if the heat rash seems to be getting worse. If there's pain and swelling, redness or warmth around the affected area, pus is draining from the lesions; if you feel some enlarged lymph nodes in the armpit, groin, or neck; and if you're running a fever, go and see your doctor.

PE/Dir. Jackie Rodriguez exchanged bannerettes with Rotary Club of Apopka President Dave Rothfeld last May 23, 2019 during the meeting of the club at VFW, Apopka, Florida, USA.

The Search for The Outstanding Workers of the Republic (TOWER) Awards was founded in 1975 by the Rotary Club of Manila as an annual search for outstanding "blue collar" workers of the country. Subsequently, it included in its coverage "white collar" (non-supervisory) workers. It aims to recognize the contributions to economic development of the legions of skilled workers who constitute the backbone of our country's manpower capacity. The awards program transcended the confines of a Club's concern because of its nationwide reach and significance in uplifting the Filipino workers' morale and social status leading to greater prestige at the workplace – to the entrepreneur / employer and the colleagues, to the family and the community while enhancing individual career opportunities and promoting industrial peace.

Dear Fellow RCMers,

As you well know, our Centennial Year is upon us. In the past few years leading up to the present, your club leadership has planned and prepared several projects and events befitting this milestone in the history of our prestigious club. During the Town Hall Meeting last August 9, 2018, these activities were presented and broadly discussed. The responses of our members afterwards were inspiring. They want to do their share in making our centennial celebrations truly memorable, not only for RCMers but also to all Rotarians of the Philippines and of Asia. Indeed, in various district functions recently, other Rotarians from all over the country have also expressed their enthusiasm in joining us in the celebration of 100 years of the Rotary movement in this part of the world. They are just waiting, in their own words, for the Rotary Club of Manila to lead them.

It is time therefore, for us to take the challenge of leading our fellow Rotarians. And for us to do this effectively, the participation of each RCM member is needed. Attached is the list of our centennial committees and their projects. Also provided is the Program of Activities for the Centennial Week. I urge you to volunteer your participation in any of the activities. Together, we can attain greater achievements for our club!

Please indicate the committee(s) / event(s) that you are joining.

Yours in Rotary,

Pres. Susing Pineda

CENTENNIAL LAUNCH

This activity aims to announce the different projects and activities for the Centennial of the Rotary Club of Manila and the Rotary movement in the Philippines and in Asia through a press conference launch where cocktails will be served and with Rotarians from different clubs and districts in attendance.

A LEGACY OF ROTARY SERVICE

This activity aims to recognize Rotarians and clubs from all over the Philippines for their noteworthy projects. The highlight of the evening would be the induction of the District Governors-Elect and the Presidents-Elect by the Rotary International President-Elect.

CENTENNIAL GALA NIGHT

This is the culminating activity of the centennial of the Rotary Club of Manila and the Rotary movement in the Philippines and in Asia in an evening of nostalgia and congeniality uniting Rotarians from different parts of the archipelago which will be graced by the presence of Rotary International President-Elect Mark Maloney.

ROTARY CLUB OF MANILA CENTENNIAL CHORALE COMPETITION

This concept of BLA Amading Valdez targets the youth who will be called upon to serve in the next 100 years. The resulting musical composition from this competition may trigger a national consciousness for service and sacrifice for country and humanity. It will be the lasting legacy of our club. It is just appropriate albeit a necessity that this musical competition be the centerpiece of the culminating centennial celebration to be held on June 21, 2019. This competition will be open to all high school students in cooperation with DepEd and qualified out-of-school youth in cooperation with DILG.

Comelec accepts Cardema petition on substitution

By ARRA ORRAL

The Commission on Elections (Comelec) has accepted the petition of National Youth Congress (NYC) chairman Raul Cardema to substitute in a congress of Duterte Youth party for...

Cardema is qualified to sit as a member. The issue here is whether or not it is a valid case of substitution. Before elections, candidates are not allowed to change their names or substitute for others. But after the election, they can do so.

Cardema said they have not yet discussed Cardema's eligibility to sit as a Congress party but members, and whether or not he had resigned from the NYC before they ran.

"It's more on constitution and substitution. The issue on eligibility may be handled by the House of Representatives Electoral Tribunal," Alan said.

It was not immediately clear if Cardema could sit in Congress while the issue is being resolved.

'Ratebreaker'

Cardema drew criticism and pressure from party lawmakers for not attending their organizational meeting on Sunday night.

"He is the president. He had the right to go to the meeting and get together with the party members and the party group," one lawmaker representative of the party said.

Cardema has not yet been seen in the House of Representatives and has not yet been seen in the House of Representatives.

Alan said the issue of Cardema's eligibility to sit in Congress is not yet resolved.

Cardema has asked the Comelec to replace him with Duterte. Alan is an incoming representative of Duterte Youth in the House.

LAMBERT FELLOWS

A Lambert Fellow is a person whose happiness grows from the soil of goodness, service, charity and generosity. To him one is happiest when he serves best.

This is an award given on the occasion of the Centennial celebration of the Rotary Club of Manila on June 21, 2019, a singular club whose examples of good deeds were rooted in the noblest of human nature. It is the logic of nature that good seeds grow on fertile soil, that when they put out shoots with the blessings of sunshine, they could become the trees that give comfort with their shades, or fruit that sustains, or flowers that give scent or beauty to the senses. Such was the natural evolution of the Rotary Club of Manila, and in time, it became a nationwide and undisputed primary movement of service in the Philippines and in Asia.

All that metaphor said above, we owe it to Leon J. Lambert, the first and Charter President of the Rotary Club of Manila, who hosted the first Rotary luncheon in his Pasay City home on January 12, 1919 with Roger D. Pinneo as his guest. The latter had been commissioned by the Rotary Club of Seattle to assist in the organization of the first Rotary Club in the Far East. Among those in attendance were Messrs. E. E. Elser, James Geary, A.W. Beam.

We wish to continue this metaphor through the living reality practiced by these chosen Lambert Fellows on the occasion of the 100 years of the founding of the Rotary Club of Manila and the Rotary movement of the Philippines and Asia.

Let us meet the first batch of LAMBERT FELLOWS, as follows:
