Dear Fellow Manila Rotarians,

Last week, the country's number one ranked senator in the last elections, Sen. Cynthia Villar, enlightened us on her advocacies on farming livelihood and tourism. It was an enlightening talk which kept our members engaged, especially, during the open forum.

The exact day of our centennial was last June 1, 2019, but, with respect to our centennial celebration culminating activities, we are fourteen (14) days away from celebrating the gains of a century. Hence, last minute preparations are currently taking place. Our fellow Manila Rotarians have been making last minute pitches for attendance at our centennial celebration activities by making the rounds of the Rotary clubs across the country. We began shooting the audiovisual of Manila Rotarians singing the Philippine National Anthem at the historic Manila Hotel which will be used for the playing of the anthem in the celebration of the centennial culminating activities and thereafter. Advertisements and articles on the centennial celebration have been flooding the broadsheets, increasing public awareness of our celebration. Logistics on rotary dignitaries who will be arriving are already in place. We are on the final touches on our Centennial Chronicles and we are paying attention to key details we may have missed out in our preparations.

To remind all of you, our Angels in Rendu Art Exhibit will be on June 15, 2019 from 3:00 pm to 6:00 pm at the Art Pavillion of the LRI Design Plaza in Makati City. Cocktails will be served. Proceeds of the sale will all go to the Hospicio de San Jose Cerebral Palsy Center. As such, please wholeheartedly support this endeavor.

The "Salubong Fiesta" will be on June 20, 2019 where the Guest of Honor will be Rotary International Director Raffy Garcia as Rotary International President-Elect Mark Maloney still arrives later in the evening. This will be from 4:30 pm to 7:30 pm. Cocktails will be served on this event. This will be held at the Luna, Hidalgo and Amorsolo Function Rooms of the World Trade Center in Pasay City. Many Rotarians have been invited. Please be in Filipiniana Casual attire.

The highlight of the Centennial Celebration is the event on June 21, 2019, known as "A Legacy of Rotary Service" which features the mass induction of District Governors-Elect and Presidents-Elect by no less than Rotary International President-Elect Mark Maloney where a certificate will be given to them. Our Rotaractors will help us and join us in the morning session of this day. In the same manner, on this day will be the historic Rotary Forum led by the RI President-Elect himself. Moreover, the five (5) grand finalists will be singing the best composition in the Centennial Chorale Competition where they vie for top honors. The most outstanding service projects from all the rotary districts will be chosen. The evening will be a rare one with President Rodrigo Duterte and you will all enjoy good music from Lara Maigue, the Ryan Cayabyab singers and Marcy David and his band.

I wish to likewise appeal to all of you to consider being Lambert Fellows as your humble donation to the cause of our centennial celebration and be the additional fellow to our first fourteen fellow Manila Rotarians.

The Centennial Gala Night will be the celebration of all celebrations for a hundred years of strides. With VPE/PAT Hermie Esguerra and his team of Manila Rotarians as well as event coordinators, this event promises to be an evening to remember from first class entertainment to venue as this will take place on June 22, 2019 at the posh Grand Ballroom of the OKADA MANILA in Parañaque City. Please do not miss this by invitation only event. Thank you to all of you who have donated as we anticipate the success of this event.

Our Coffee Table Book is now being printed. Don't miss the opportunity of securing your copies of this commemorative book once it is released.

The Centennial Commemorative Stamps are still on sale. Please don't fail to purchase issues of these once in a lifetime memorabilia worth keeping.

The Rotary Club of Manila Educational Assistance Program (REAP) is continues to help to the academically endowed, but, financially challenged graduating students of PLM and PUP. The program needs more benefactors to help these deserving students. Hence, I appeal to your generous hearts. I likewise wish to thank all those who supported our special art exhibition, entitled, "A Giving Heart: A Fundraising Event" at the North Court of the Power Plant Mall, Rockwell, Makati City last May 30, 2019 to June 2, 2019. The ribbon-cutting took place last May 31, 2019 with Czech Ambassador Jana Sediva and renowned Engr. Pabling Calma doing the honors. The proceeds will subsidize our REAP project.

Our TOWER AWARDS Board of Judges had just deliberated on those who be adjudged winners. Towards this end, I am confident that with PP Benny Laguesma at the helm, this will be a sure success.

Our Sari-Saring Aralan project had just held its graduation of the first batch of alternative learning students. This was held at the TMX, 3rd Level Prime Block of the Tutuban Center, Tondo, Manila.

All these would not be possible without your payments of the centennial seed fund and centennial donations. For those who have not yet remitted, please do so as these would go along way in covering our expenses for our centennial celebration. In the same manner, I would like to remind all those who have not paid their annual dues to please do so.

Today, we welcome our very own BSP Governor PVP Ben Diokno as he gives the current state of banking in the country. We will likewise hold the second segment of audiovisual shoot for the Philippine National Anthem. Please be early. We likewise stage the JOURNALISM AWARDS 2019. Congratulations to the winners!

Without doubt, all these are colossal undertakings which need the best of efforts in furtherance of Service Above Self. Indeed, great things in Rotary are never done by a single individual, but, by a team of Rotarians, moving together towards a common goal. Under ONE CENTURY, towards ONE MISSION and in furtherance of ONE ROTARY, the best is yet to come as we begin the next chapter of service. Let us all BE THE INSPIRATION and embrace Rotary in our everyday lives as we make a final push for a centennial worth our lasting legacy for the next one hundred years and beyond.

WHEN YOU'RE A CANCER SURVIVOR

Elias D. Adamos, M.D.

The National Coalition of Cancer Survivorship (NCCS), a nonprofit organization in the United States, founded in 1986, expanded even further the definition of Cancer Survivor. The term that used to mean as the person with cancer of any type and who is still living was expanded to include family, friends and voluntary caregivers who are affected by the diagnosis in any way. Thus, if you have an affinity or is a member of the family of a patient diagnosed with cancer, you are, as NCCS points it out, a cancer survivor. In this regard, a family member, more often than not, most especially in our Filipino culture, becomes the caregiver.

The caregiver as cancer survivor

The caregiver is the person who most often helps the person with cancer and is not paid to do so. In most cases, the main or primary caregiver is a spouse, partner, parent, or an adult child. Cancer patients whose family is not around, close friends, co-workers, or neighbors may fill this role. In both instances, the caregiver becomes a cancer survivor, as he or she is affected by the diagnosis.

Caregiver's role

The caregiver has the key role in the patient's care. Caregiver support is fundamental and necessary to the physical and emotional wellbeing of the patient with cancer.

The upside and downside of caregiver role

Accepting the role of caregiver allows you to show love and respect for the family member diagnosed with cancer. Upside of caregiver role includes confidence, satisfaction, and accomplishment in caring for a loved one. You may discover new strengths and abilities that you did not even know you could do, and may find greater purpose for your own life.

The downside is that caregiver role is also frustrating and painful. Caring for a very sick family member or spouse might result to your own feeling of sadness and physical and emotional distress.

You need to take care of yourself

Depression is common in caregivers. If you're easily angered, always feels down, has no energy, and cries or complains a lot, it may be a warning sign of depression. Decide on your limits. It might be helpful to find someone to pitch in for a shared caregiver role or find someone else to act as the primary caregiver, to help you recover from your burn out.

Enjoy and find happiness (2 types of activities that you need to do for yourself)

- Those that involve other people: Enjoy a meal and the company of a friend;
- Relaxation and accomplishment: Finish a project. Exercise. Spa. See a movie.

CENTENNIAL PROJECTS

Rotary Club of Manila Centennial Watch is a limited edition watch (100 pieces) made by Ibarra bearing the new logo of the Rotary Club of Manila which will be sold as part of a fund-raising endeavor.

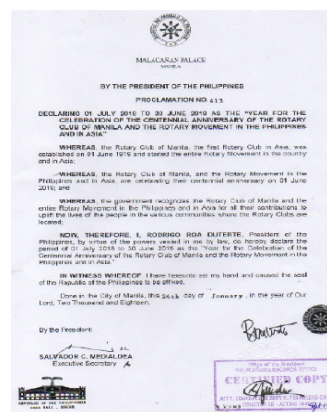

Monty Python's SPAMALOT is a Rotary Club of Manila-sponsored musical comedy adapted from the 1975 film Monty Python and the Holy Grail. Like the motion picture, it is a highly irreverent parody of the Arthurian legend, but it differs from the film in many ways. This show is a fund-raising endeavor of the club.

HOSPICIO DE SAN JOSE-NORZAGARAY PROJECT

This project aims to provide shelter for street families from the City of Manila within the hospice site located in Norzagaray, Bulacan and to equip parents from these families with the livelihood skills training to be conducted within the hospice site to adequately prepare them for independent living.

Presidential Proclamation No. 413 is a proclamation signed by President Rodrigo Roa Duterte "declaring 01 July 2018 to 30 June 2019 as the 'Year for the Celebration of the Centennial Anniversary of the Rotary Club of Manila and the Rotary Movement in the Philippines and in Asia'". This was obtained through the help of IPP Jimmie Policarpio and his Board of Directors and Executive Officers.

SARI-SARING ARALAN: 3K para sa 3K (Kabataan, Kababaihan, Kalalakihan para sa Karunungan, Kaugalian, Kagitingan) is based on the concept of the iconic Filipino sari-sari store, a well-known place in the community, that can be a venue for learning. It is based on the premise that learning does not and should not only take place inside schools and colleges, but in communities, workplaces, and families, as well. Sari-Saring Aralan aims to become a Learning Hub for OSY to help in increasing their capacity, sociability, change of values, and mind set in life.

The Rotary Club of Manila Educational Assistance Program (REAP)

(aka Adopt-a-Student program) is an initiative to support graduating students from the Pamantasan ng Lungsod ng Maynila and the Polytechnic University of the Philippines by providing financial aid for their everyday expenses. In line with celebrating 100 years of service, the initial goal is to provide support to 100 graduating students who will be needing financial support the most but at the same time providing better opportunities to improve their current state.

The Search for The Outstanding Workers of the Republic (TOWER) Awards was founded in 1975 by the Rotary Club of Manila as an annual search for outstanding "blue collar" workers of the country. Subsequently, it included in its coverage "white collar" (non-supervisory) workers. It aims to recognize the contributions to economic development of the legions of skilled workers who constitute the backbone of our country's manpower capacity. The awards program transcended the confines of a Club's concern because of its nationwide reach and significance in uplifting the Filipino workers' morale and social status leading to greater prestige at the workplace – to the entrepreneur / employer and the colleagues, to the family and the community while enhancing individual career opportunities and promoting industrial peace.

Dear Fellow RCMers,

As you well know, our Centennial Year is upon us. In the past few years leading up to the present, your club leadership has planned and prepared several projects and events befitting this milestone in the history of our prestigious club. During the Town Hall Meeting last August 9, 2018, these activities were presented and broadly discussed. The responses of our members afterwards were inspiring. They want to do their share in making our centennial celebrations truly memorable, not only for RCMers but also to all Rotarians of the Philippines and of Asia. Indeed, in various district functions recently, other Rotarians from all over the country have also expressed their enthusiasm in joining us in the celebration of 100 years of the Rotary movement in this part of the world. They are just waiting, in their own words, for the Rotary Club of Manila to lead them.

It is time therefore, for us to take the challenge of leading our fellow Rotarians. And for us to do this effectively, the participation of each RCM member is needed. Attached is the list of our centennial committees and their projects. Also provided is the Program of Activities for the Centennial Week. I urge you to volunteer your participation in any of the activities. Together, we can attain greater achievements for our club!

Please indicate the committee(s) / event(s) that you are joining.

Yours in Rotary,

Pres. Susing Pineda

This concept of BLA Amading Valdez targets the youth who will be called upon to serve in the next 100 years. The Lyrics of the Best Song Composition in the Chorale Competition

THIS IS OUR PLEDGE

(Himig Rotarian)

Lyrics by: Catherine Bancod

Music by: Fr. Ernest Raymund Simeon

Fountain of wisdom and love, source of inspiration.

Rotary Club you build you protect you bring

You strengthen those who are weak

You enlighten and give peace and understanding.

You strengthen those who are weak.

You give hope.

God bless you, Rotary Club Great

For you are God's instrument of grace

You have taught us fight for our dreams

and live in honesty and truth

This is our pledge to build a better world

Formed from the vision to serve, those who are in need
Rotary club you give hope to all by your overflowing kindness!

Build lives of the lost, you empower and inspire!

God bless you, Rotary club Great

For you are God's instrument of grace

You have taught us fight for our dreams and

live in honesty and truth

This is our pledge to build a better world

God bless you, Rotary club Great

For you are God's instrument of grace

You have taught us fight for our dreams and

live in honesty and truth

This is our pledge to build a better world.....

Build a better world.....

I went to Chippewa Square two days ago located at the heart of this city which is one of the best planned downtown in the United States. There is no doubt that the well-being of man is at the center of the city's priorities with the allotment of historic 24 open spaces they call Squares, abundant with age old oak trees whose green canopies serve as relief from the sweltering 100 degree Fahrenheit May heat. This was the setting of that highly successful motion picture Forrest Gump which earned six film Academy awards.

I expected to sit on a wooden bench like Forrest Gump to be tickled by the memory of the movie's hilarity and to accept its narrative that there is no need for supernatural interference called miracle to succeed, and one can find fulfillment by helping others even if born a Forrest Gump. It is the story of two human engines at work, a slow-witted mind, compensated by a kind, big heart, the former with its idea of good and a heart pursuing that idea relentlessly. The simple idea of Forrest Gump to run, though seemingly aimless, eventually became meaningful and beneficial for others with his steadfastness and innocent single-mindedness! The bench that was used as prop in the Forrest Gump movie is not there anymore as it is being kept as a treasured memento in Savannah's History Museum. I did not expect any white feather, which to me shows the uselessness of miracles that hovered around Forrest Gump at the start and end of the movie, but I took fancy of the hanging greenish gray plant called Spanish Moss that clings for dear life in the proud oak trees around the Square. I wondered why this plant thrive only with oak trees as I walked two blocks away to Broughton Street for another point of interest. This and the fact that at the founding of the colony in Georgia, slavery was banned and, to my great amusement, lawyers as well, would make a curious separate story.

At Broughton, there was a long line of ice cream aficionados, mostly tourists, a queue of almost 50 meters that afternoon, that momentarily dampened my spirits. Nevertheless, I did a Forrest Gump by being cool and patient for my turn under the burning sun instead of waiting the manna from heaven to fall for a chance to savor a rare experience, the reputedly best known and sought after ice cream in the Deep South and one of the world's ten best. I did not only have my ice cream but the wait netted me a good talk and a photo-op with Mary, a second generation scion of Peter Leopold, a Greek immigrant who introduced the

ice cream in Georgia 100 years ago. I was impressed by the celebrity status of the unpretentious ice cream parlor with photos of Hollywood's "who's who" visiting the place. She made me feel ten-foot tall when she invited me as her personal guest to the parlor's 100th year anniversary in August this year. It was therefore propitious to be there on another's anniversary year to understand the feeling and yearning of those outside the circle of organizers of our own Rotary Club's centennial.

I told the fine lady, whose enormous Greek beauty is still discernible, that the Rotary will also celebrate its centennial anniversary in 21 June this year, that it has also its own celebrities who founded or initiated among many other laudable projects, the Boys Scout Movement in the Philippines, the Gaches Village, the Philippine Band of Mercy, the Community Chest, the eradication of polio in the country, an example replicated in many parts of the world. She knew about the late Rotarians Carlos P. Romulo and Gil J. Puyat, whose name replaced the former Buendia Avenue, and Rotarian Fidel V. Ramos, the former president. Prominent Rotarians in the current administration include Secretary Sonny Dominguez and Central Bank Governor Benjamin Diokno who are expected to grace the 21 June centennial blast, including hopefully a very special guest. There are many Rotarians who are accomplished in their own right but great as well in doing acts of kindness in anonymity. Non sibi sed aliis.

She genuinely smiled with what I punned as our version of ice cream, a sweetness from the heart, which we give our poor countrymen for free, and she was undisguised with her admiration for our long years of giving, caring and sharing which, like Forrest Gump, we had relentlessly pursued, and unlike the fictional Forrest Gump, we have the human will to pursue in the next 100 years.

I want to end this short travel sidelight with a confession that I had to politely decline her offer to send us her famous ice cream even if unnecessary for what seemed to be spontaneous, though "spur of the moment" is the better phrase. Nevertheless, I invited her to visit the Philippines this June in time with our centennial celebration. I do not expect her attendance, although it is a probability.

A truly memorable menu of events await Rotarians in June. We prepared a program to give the Rotarians that festive ambience, with the implied license to breathe in, even just a whiff of that Rotarian aroma of pride, after all, a fruitful 100 years is like the best ice cream in the world, a legitimate excuse for exuberance. Seattle Rotary #4 celebrates Manila Rotary's 100 anniversary
[youtu.be](https://youtu.be/Z3YEuM52c6c)

Greetings Rotary Club of Manila & Club President Jesus Pineda Jr,

"It is my honor as President of the Rotary Club of Seattle to offer sincere congratulations on behalf of our Club to our fellow Rotarians in Manila.

We have been linked together since your establishment 100 years ago when Seattle Rotarian Roger Pinneo was sent to Manila to help start Rotary clubs in the Far East.

He met with Leon Lambert (soon to become the 1st president of the Rotary Club of Manila). And on June 1st, 1919, you were established as the 1st Rotary Club in Asia.

You have accomplished many great things since your inception. We look forward to continued ties of friendship & cooperation in the century ahead.

In recognition of your Club's establishment 100 years ago, we all want to congratulate you.

Sincerely,
 Cindy

A LEGACY OF ROTARY SERVICE

Latest Update:

LAMBERT FELLOWS

A Lambert Fellow is a person whose happiness grows from the soil of goodness, service, charity and generosity. To him one is happiest when he serves best.

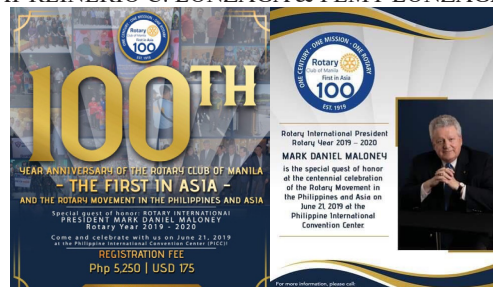

This is an award given on the occasion of the Centennial celebration of the Rotary Club of Manila on June 21, 2019, a singular club whose examples of good deeds were rooted in the noblest of human nature. It is the logic of nature that good seeds grow on fertile soil, that when they put out shoots with the blessings of sunshine, they could become the trees that give comfort with their shades, or fruit that sustains, or flowers that give scent or beauty to the senses. Such was the natural evolution of the Rotary Club of Manila, and in time, it became a nationwide and undisputed primary movement of service in the Philippines and in Asia.

All that metaphor said above, we owe it to Leon J. Lambert, the first and Charter President of the Rotary Club of Manila, who hosted the first Rotary luncheon in his Pasay City home on January 12, 1919 with Roger D. Pinneo as his guest. The latter had been commissioned by the Rotary Club of Seattle to assist in the organization of the first Rotary Club in the Far East. Among those in attendance were Messrs. E. E. Elser, James Geary, A.W. Beam.

We wish to continue this metaphor through the living reality practiced by these chosen Lambert Fellows on the occasion of the 100 years of the founding of the Rotary Club of Manila and the Rotary movement of the Philippines and Asia.

Let us meet the first batch of LAMBERT FELLOWS, as follows:
