PALAFox SHOWCASES URBAN PLANNING TRENDS AROUND THE WORLD

GUEST SPEAKER

MADELINE DELP

Miss Wheelchair USA 2017
Founder, Live Boundless

MISS WORLD PHILIPPINES 2019 WINNERS

KABALITA

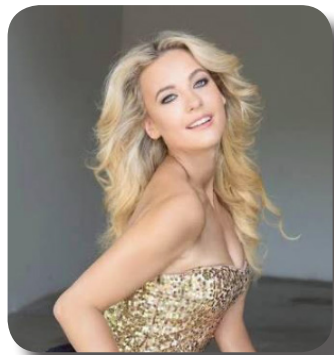

After marvelling in awe at the new trends in urban planning, it's time we hear the inspiring story of a living boundlessly Beauty Queen who has turned a life threatening tragedy into an enduring advocacy of distributing wheelchairs. It's a day of beauty as Miss World Philippines Title Holders make a courtesy call at Asia's First Rotary Club.

MADELINE DELP - Biography

Madeline Delp learned at a young age that sometimes almost losing your life can be the catalyst to truly finding it in a way you never had before. After miraculously surviving a

car accident that left her crushed in the back of a car and comatose for several weeks, she woke up to find that she had been paralyzed from the waist down. Madeline soon realized that the physical bounds she faced were small in comparison to the emotional repercussions of paralyzing fear and doubt. After a multi-continental journey of fear-chasing, Madeline learned that she could refuse to be the victim of her circumstance – that by mastering the mind, one can profoundly reclaim control of their life. Her journey included being the first paraplegic girl to BASE jump in the US, rock climb the cliffs of Mt. Rushmore and drive cross country alone on a national tour.

Madeline launched her career as a public figure after winning the national competition, Ms. Wheelchair USA. Spending the year traveling and speaking across the United States, she established her reputation as a deeply-moving and inspirational keynote speaker and has been hired for major events, such as conferences at the NC Governor's mansion and the US Senate. Madeline has also partnered with LA production teams to create film series that complement her keynote message of overcoming and living bold adventures.

Madeline's ultimate goal is to give back to the world around her, not only by inspiring people to chase boundless dreams, but by also giving them the resources to do so. In 2017, she founded a nonprofit organization called Live Boundless, which helps to deliver wheelchairs to medically-underserved communities around the world.

Great adversity can simply be the seed of a great adventure – how will you choose to live boundless?

Dear Fellow Rotarians,

We had a very good meeting last week with the amazing city planner cum architect Felino "Jun" Palafox. Jun has shown us what we can be as a city and as a country. Many of us were completely taken aback by the beautiful renditions shown to us by our beloved guest of honor, Rotarian Jun. AMAZING!!! to say the least! We had a great time.

Today, we shall relax a bit with the presence of the country's beauties who will each say a few words of wisdom. Led by my granddaughter, Katarina, last year's Miss World Philippines and Bb Pilipinas Intercontinental 2017. Today, Katarina is the Ambassador to SAVE THE CHILDREN and is still active in supporting One Rotary One Philippines One for Marawi. She has spoken in several United Nations Youth Peace Conferences. She is accompanied by the beautiful and intelligent winners of this year's Miss World Philippines pageantry.

The club is very busy preparing for the grand speaking engagement of the Ambassador of Spain to our club on the 17th of October. Do not miss this. This Spanish Ambassador is proud of his PINOY blood and promises a great day for us.

And WOW!!!! The 24th of October is another great day as well for our luncheon meeting at the Manila Hotel. US Ambassador Sung Kim will deliver his valedictory in front of the Rotary Clubs. We are expecting at least 500 in attendance to wish the USA Ambassador farewell.

I welcome today our beloved VP with the happiness for his wellness. We HAIL you HERMIE!!!!

I also would like to congratulate and welcome PE BOBBY and his winning team. We shall work together, Bobby, for THE ROTARY ENVIRONMENT AWARD, THE ROTARY BEST ATHLETE AWARD and THE ROTARY NATIONAL LEADER AWARD. Let us do this.

And as we have continued with the great program of REAP, we shall likewise continue, all the good programs we have started such as T.R.E.E.S., THE AMBASSADOR OF GOODWILL PROGRAM, ONE ROTARY, HEARTS FOR LITTLE ANGELS, HOSPICIO DE SAN JOSE as well as our club's outreach program to all other Rotary clubs.

Best,

Jackie

PALAFox SHOWCASES URBAN PLANNING TRENDS AROUND THE WORLD

In the face of accelerating urbanization in the Philippines, renowned Architect Felino “Jun” Palafox, Jr., Founder, Principal Architect and Urban Planner of Palafox Associates, showcased different high density architectural designs, citing different infrastructures around the world to support this emerging global trend thereby exciting the interests of a huge attendance at the Main Lounge of the Manila Polo Club last October 3, 2019. Rotarians from various clubs and guests alike marvelled at the exquisite designs presented by the famed architect.

THE FUTURE DEPENDS ON WHAT YOU DO TODAY, Part 1

Elias D. Adamos, M.D.

The title is a quote from a great man – Mahatma Gandhi, one of the most transformative and inspirational figures in modern day history. His fearless campaign for the rights and dignity of all people, through constant and unwavering promotion of non-violence, has left its mark in this world.

Today, the 2nd day of October 2019, as declared by the United Nations, is the International Non-Violence Day.

How do we define violence?

Violence is a destructive and brutal action. It destroys the body and the mind. The World Health Organization defines it as "the intentional use of physical force or power, threatened or actual, against oneself, another person, or a group of community, which either results in or has a high likelihood of resulting in injury, death, psychological harm, maldevelopment, or deprivation."

Violence can be present anywhere. Acts of violence can come in different degrees and forms. It can be in the midst of friends, partners and spouses; inside the family; in schools; the workplace; organizations (fraternities and sororities); social institutions (nursing homes, retirement homes), and in uniformed men and women of the armed forces.

Violence in schools

The recent death of one Philippine Military 4th class cadet and a few other members of his class in crutches prove not only the ill effects of violence, but also the presence of violence among the young men and women of society.

Violence inside the school campus can come in many faces. It includes physical violence (including student-to-student fighting), in fraternity and sorority hazing, maltreatment, or corporal punishments, psychological abuses, verbal abuses, sexual violence (rape and sexual harassment), many forms of bullying (including cyberbullying) and carrying weapons in school.

Anti-Hazing Law of 2018

Under Republic Act 11053 that was signed into law in 2018, hazing is a criminal offense. It is punishable by life imprisonment, not to mention the civil liability that goes with the punishable act.

What if the person or neophyte consented to the initiation rites?

The law provides that any waiver, approval, or agreement, whether written or not, is not an excuse for culpability under the new Anti-Hazing Law. The law provides: "The defense that the recruit, neophyte, or applicant consented to being subjected to hazing shall not be available to persons prosecuted under this Act." (To be continued)

The Rotary Briefing Committee held a Rotary Briefing last October 3, 2019 at the Sports Cafe of the Manila Polo Club in Makati City. The aim of the briefing is to give basic information on the mission and objectives of Rotary International and Rotary Club of Manila in particular. Photo shows (clockwise) **Mr. Brian Skinner, Mr. Peri Resabal, Mr. Reginald Yu (prospective new members) with Rtn. Romy Nones, PDG Alex Cureg and SDG/Club Secretary/DE/Dir. Albert Alday.**

The Membership Committee held a meeting last October 3, 2019 at the Main Lounge of the Manila Polo Club in Makati City. Present were **Chair. PVP Fausto Preysler and members, PDG Vince Carlos, PT Jun Follosco and Rtn. Jujut Enriquez (not in picture).**

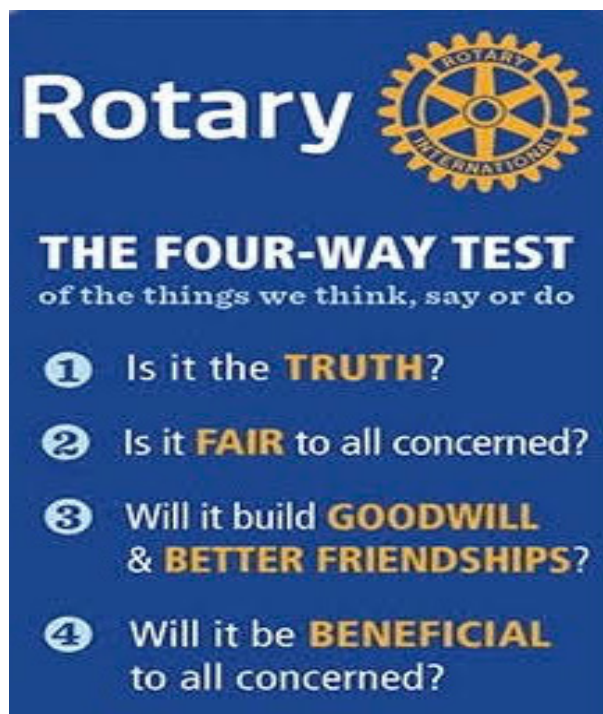

IPS/PD Alvin Lacambacal, DE/AS Rene Policarpio, VPE/Dir. Nicky Villaseñor, Rtn. Romy Nones (not in picture), Treasurer Jason Ong (not in picture), SDG/Club Secretary/DE/Dir. Albert Alday (not in picture) and President Jackie Rodriguez (not in picture) held a meeting with representatives from the Engineering Department and the Banquet Office last October 3, 2019 at the Sports Cafe of the Manila Polo Club in Makati City in preparation for the October 10 Luncheon Meeting.

PDG Vince Carlos attended the meeting of the Rotary Club of Tokyo last October 9, 2019 in Tokyo, Japan where he presented to President Koichi Takenaka the Rotary Club of Manila Centennial Coffee Table Book. He discussed with them the Ambassador of Goodwill program and their club appointed Rtn. Maroyo Sekiyama as their

Rtn. Ariel Abriam attended the weekly meeting of the Rotary Club of Kalibo last October 8, 2019 and presented them with the RCM Centennial Book and Framed RCM First Issue Stamp by PhilPost. Kalibo is the gateway to Boracay with over 40 daily direct international flights. He discussed the planned upcoming Ambassadorial visit with a Joint Luncheon Meeting scheduled for November 22, 2019 before proceeding to Boracay in the mid-afternoon. The group will enjoy some sunset drinks prior to meeting with the Rotary Club of Boracay (Friday) for dinner meeting. The group will have a free Saturday morning tour of Boracay before going on a 5-hour day trip to <http://ArielsPoint.com>. Then, the group flies back to Manila on November 24, 2019 (or later). He will finalize upon President Jackie's and the board's approval. This will surely be a fun trip.

*The surgeon then begins to cut away or remove the excess fat, drooping skin, and muscle.

* He then closes the incisions with fine stitches.

* On the lower eyelid, the surgeon makes an incision on the natural crease of the lid.

* He then removes the excess sagging skin, fat and muscles.

* Finally, he closes the incision with fine stitches.

This surgery takes less than two hours and is an outpatient procedure. You can consider undergoing this surgery if you have droopy eyelids and under eye bags, which gives you a tired-looking appearance or impairs your vision in any way.

Recovery Period

Although the recovery period varies from patient to patient, in general, it takes around two weeks to recover from blepharoplasty. There are of course patients who take a longer time, i.e., three to four weeks to heal.

Candidate for procedure

This procedure is not for you if you are pregnant or lactating or if you suffer from health problems such as uncontrolled diabetes, thyroid disorder, circulatory or immune system disorder, and heart disease.

You are the ideal candidate for the surgery if you possess good general physical and mental health, have fat deposits under your eyelids which give them a puffy look, have excess skin in your upper or lower eyelids which cause them to sag or have droopy eyelids.

Eyelid and Eyebags treatment - Blepharoplasty

By PD John Cenica, M.D, FPAAS, FICS, FPSCS, MBA.

Blepharoplasty is commonly known as an eyelid correction procedure. It involves removing excess drooping skin, muscles and fat pads from near the eyelids. Based on the need of the patient, blepharoplasty can be functional and cosmetic. Functional blepharoplasty is performed solely due to medical reasons. It is performed to remove loose skin or excess fat from the upper eyelid which can sag due to the pressure, and impair vision.

Cosmetic blepharoplasty, on the other hand, is performed with the sole aim of improving one's appearance. With the natural process of aging as the muscles weaken, and the skin begins to stretch and sag, the upper eyelids tend to droop and puffy bags appear under the lower eyelid.

While in eye bags procedure the incision sites may vary, a doctor will make cuts into the lower eyelid. Your doctor will then remove excess skin and fat and suture or sew the skin back together to create a smoother, lifted appearance.

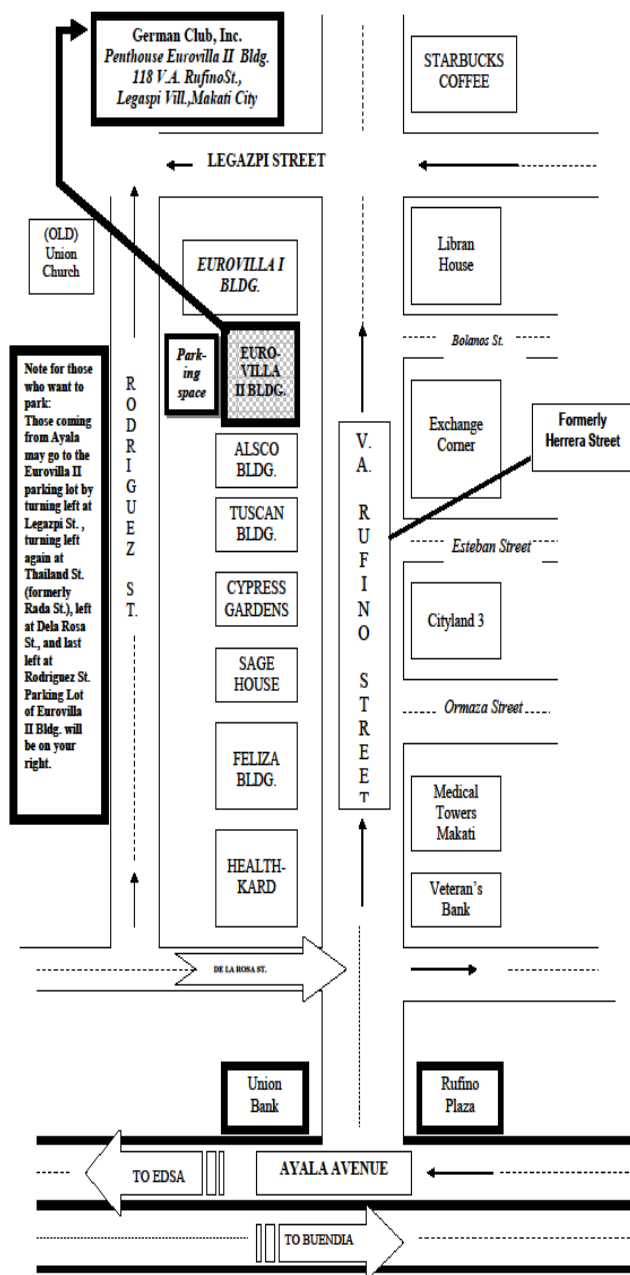

During the blepharoplasty procedure assuming you require surgery on both the upper and lower lids:

* The surgeon first administers local anesthesia on the eyelid.

* The surgeon then starts working first on your upper eyelid.

* He makes incisions along the natural folds of the eyelid, just above the eyelashes.

Our **Fellowship Committee** chaired by **DE/Treas. Jason Ong** will be giving-away "Beer Mugs" to attendees as souvenir.

Do come and enjoy the FUN !!!

FROM THE TREASURY

Dear Fellow Manila Rotarians,

If you are interested in receiving a hard copy of the accounting report of the Centennial Fund presented during our Club Assembly and Second Fellowship last August 22, 2019, please email our Secretariat, rcmanila@rcmanila.org, or request your copy through our RCM General Info viber group.

APPEAL FOR PAYMENT OF CENTENNIAL ASSESSMENT

Dear Fellow Manila Rotarians,

This is a last minute appeal to those who have not sent their CENTENNIAL ASSESSMENT PAYMENT of TWENTY THOUSAND PESOS (Php 20,000.00) to please do so as this would go a long way in furtherance of being beacons of cooperation through the sacrifices you are willing to make as members of our club, the prestigious Rotary Club of Manila, the First in Asia. It might be of interest for you to note that the assessment was approved by the Board of Directors of RY 2016-2017 in preparation for the centennial celebrations and became due during the RY 2018-2019.

Your full cooperation on this matter is highly appreciated.

Yours in Rotary,

The Board of Directors
RY 2019-2020
