Dear Colleagues in RCM,

Thank you Lord for all the Rotarians and Rotaractors who are active, creative and passionate to serve the community with the highest respect of the 4 Way Test as our guiding principle.

Being a proud member of the Rotary Club of Manila since 1999, I have grown to love the club because of friendships and to serve above self. The club has given me the opportunity to share my openness on how we can contribute to the success of the club and help our fellow members network with each other.

Fellowship and service go together but when we have to decide on what is good for the club, friendship has to give way and our ideals of honesty and fairness have to prevail for the good of all, not for a few.

We have a responsibility and accountability to protect the legacy we have inherited from the member leaders who have gone ahead as leaders embodied with transparency and servitude who have made a difference in our country and the world.

We are a very select group among our society, so, the more we have to emphasize that no one should take advantage or disrespect our friendship and camaraderie. We all enjoy it with the highest esteem.

We frown upon dictators as we are a service organization to the highest order. We are all servant leaders whose motto is Service Above Self. It is good that the Presidency is limited to one year. As President it takes much of one's time, money, effort and stress, yet, it is challenging and fulfilling. We encourage all Rotarians to take online learnings by registering to www.rotary.org. We want you all to be rotarized for you to appreciate and enjoy being true blooded Rotarians.

As your servant President for the Rotary Year 2020 2021, I need your suggestions and cooperation to get this year under the pandemic going! We have to make it very fruitful by engaging, networking and serving our communities to the best way we can. On behalf of the Transformational Team, let us bring our very best and protect and promote the best of RCM and RCMFI.

For your contributions to The Rotary Foundation, kindly take the offer of PDG Alex Cureg, IPP Jackie Rodriguez and Chairman IPVP Hermie Esguerra. You will only have to contribute only US \$500 instead of USD1,000 to become a Paul Harris Fellow as your contribution will be matched with 500 points. We urge all non-Paul Harris Fellows and Paul Harris Fellows to take advantage of the offer. Our Club has to be a 100% Paul Harris Fellows before December. Your contribution is of tremendous value in the humanitarian work of The Rotary Foundation in developing parts of the world and thereby expresses appreciation for your gift by naming you a Paul Harris Fellow or Multi PHF.

Many have requested to continue the Balita. We need your comments on how we can improve, especially, that we now have a page on Facebook, Rcm Balita, for members to read and review past editions.

Some have suggested a minimum monthly contribution for charity projects since members have not been spending for transportation and food since the pandemic. Perhaps, we should bring this matter to the general assembly for a vote and if approved, collect every quarter.

We thank our Lord God for our health, happiness, family unity and abundance. We have the opportunity to be of service with those who are in dire need, sick, lonely, hungry.

Let us all pray for our countrymen that this pandemic has taught us good lessons for the future.

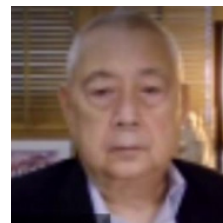

Thank you and Mabuhay!

Your Servant President,

Robert Lim Joseph, Jr.
President
RY 2020-2021

FROM THE TREASURER

Dear Fellow Manila Rotarian,

With the rapid rise in CoVid-19 cases, it is unfortunate that our beloved Executive Secretary Anna Kun Toledo was not spared from the onslaught of this global pandemic. Last August 8, 2020, she was confined at the De Los Santos Medical Center in Quezon City and was transferred recently to the Philippine General Hospital in Manila. As you all are aware, hospitalization for such disease costs a fortune in the light of medical equipments and medicine needed for complete recovery. Hence, we appeal to your generous hearts for any donation you could extend. She has served our club well with her dedicated service for many years. As such, she deserves our love and support in these difficult times in her life. Towards this end, the following club members have responded to our call for pledges for her CoVid-19 hospitalization and other medical expenses as of 7:16 pm of August 12, 2020:

INTERCLUB RELATIONS

President Bobby Joseph attended the Rotary District 3810 Area Meeting for the month of August last August 10, 2020. During the meeting, he shared the Save Manila Bay Clean Up Project which the district will adopt and turn into a district project. Those present were all appreciative in his move to make it a bigger project. This is the first step in convincing other districts to adopt the project. This project started in the Rotary Club of Manila way back in 1998.

Manila Rotarians led by **President Bobby Joseph**, Programs Committee **Chair. IPVP Hermie Esguerra** and **ASAG/Dir. TOWARDS A GREENER WORLD

July 14, 2020

Dear Fellow Rotarians,

An Opportunity has now opened doors for our club to be a 100% Paul Harris Club. With only US\$ 500.00 as a beginning contribution, you can now become a Paul Harris Fellow.

We have members who have risen to donor levels that have earned them significant point values. Our fellow members led by IPP Jackie Rodriguez, PDG Alex Cureg, IPVP Hermie Esguerra, PDG Rudy Bediones and PDG Obet Pagdanganan have indicated their willingness to share the points they have earned to allow Rotarians to be enrolled in the Roster of Paul Harris Fellows for only an initial contribution of US\$ 500.00 instead of the regular US\$ 1,000.00.

Contributions can easily be made by enrolling in www.rotary.org using your R.I. Identification Number. Once enrolled, you are allowed to learn Rotary, increase your circle of friendship and contribute conveniently using the website.

We, Rotarians, belong to a global family of service-oriented people who believe that our congregation is a means to share our blessings to the less fortunate communities globally. The Rotary Foundation is the funding arm of global humanitarian undertakings of Rotary International. It was formally named in 1917 and the first trustees were appointed after Rotary International President Arch Klumph proposed for the establishment of an endowment for the purpose of doing good in the world. The first grant of US\$ 500 benefitted the International Society for Crippled Children (Easter Seals). History marks the milestone projects of The Rotary Foundation such as a scholarship for international graduate study, the elimination of Polio worldwide, the initiation of a World Peace Forum, among others. Under the Rotary's 7 Areas of Service Focus, namely, Peace and Conflict Prevention/Resolution, Disease Prevention and Treatment, Water and Sanitation, Maternal and Child Health, Basic Education and Literacy, Economic and Community Development and lastly, Supporting the Environment, Rotary International and The Rotary Foundation have made themselves relevant to developing communities globally.

All these services would not have been made possible if not for the generosity of Rotarians, who voluntarily enlisted themselves to become members of The Rotary Foundation through a minimal contribution of US\$ 1,000.00.

We are currently working on a Global Grants for Covid-19 and other community-related projects. Your contribution will significantly improve the community living of our target beneficiaries.

For any assistance, please feel free to contact me.

Yours in the service of Rotary,

ROMEO THADDEUS LIAMZON

President
RY 2020-2021

Jennifer E. Jones, of the Rotary Club of Windsor-Roseland, Ontario, Canada, is the selection of the Nominating Committee for President of Rotary International for 2022-23.

Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become Rotary International's president for 2022-23, a groundbreaking selection that will make her the first woman to hold that office in the organization's 115-year history.

Jones will officially become president-nominee on 1 October if no other candidates challenge her.

Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact.

"As we reflect upon our new strategic priorities, we could have never envisioned that *our ability to adapt* would become our North Star during what is inarguably the most profound time in recent history," Jones said in her vision statement. "Silver linings rise out of the most challenging circumstances. Using metric-driven goals, I will harness this historic landscape to innovate, educate, and communicate opportunities that reflect today's reality."

As the first woman to be nominated to be president, Jones understands how important it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) Statement. "I believe that diversity, equity, and inclusion ... begins at the top and for us to realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership," Jones said. "I will champion double-digit growth in both categories while never losing sight of our entire family."

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor and chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the Year Award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.).

The members of the Nominating Committee for the 2022-23 President of Rotary International are: Robert L. Hall, Dunwoody, Metro Atlanta, Georgia, USA; Bradford R. Howard Oakland Uptown, California, USA; Per Høyen, Aarup, Gelsted, Denmark; Peter Iblher, Nürnberg-Reichswald, Zirndorf, Germany; Ashok Mahajan, Mulund, Mah., India; Sam Okudzeto, Accra, Accra, Ghana; Eduardo San Martín Carreño, Majadahonda, Madrid, Spain; Takeshi Matsumiya, Chigasaki-Shonan,

Chigasaki Kanagawa, Japan; Michael K. McGovern (secretary), Cape Elizabeth, Maine, USA; José Alfredo Pretoni, São Paulo-Sul, São Paulo, Brazil; Saowalak Rattanaich, Bang Rak, Bangkok, Thailand; Hendreen Dean Rohrs, Langley Central, Surrey, British Columbia, Canada; Kenneth M. Schuppert, Jr (chair), Decatur, Alabama, USA; Ravindra P. Sehgal, Belur, West Bengal, India; Noel Trevaskis, Merimbula, Tura Beach, Australia; Giuseppe Viale, Genova, Genova, Italy; and Chang-Gon Yim, Daegu-West, Daegu, Korea.

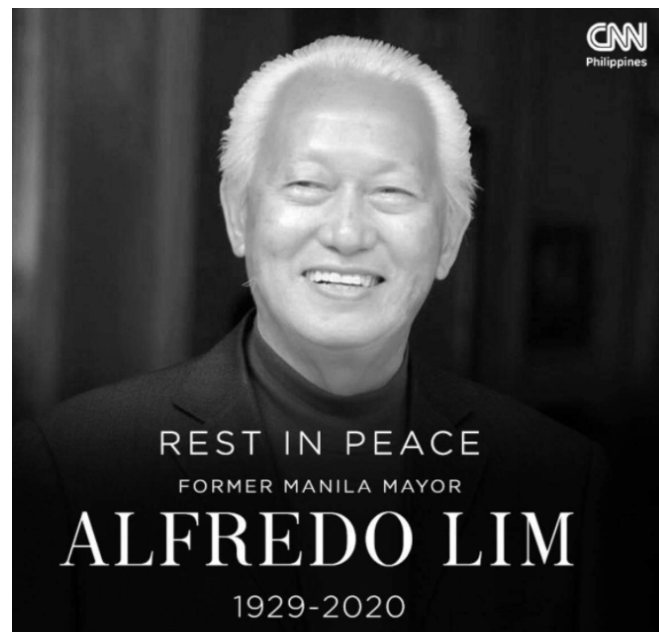

A current Rotary Foundation trustee, Jones has been a Rotary member since 1997 and has served Rotary as RI vice president, director, training leader, committee chair, moderator, and district governor. She played a lead role in Rotary's rebranding effort by serving as chair of the Strengthening Rotary's Advisory Group. She is the co-chair of the End Polio Now Countdown to History Campaign Committee, which aims to raise \$150 million for polio eradication efforts.

Jones recently led the successful #RotaryResponds telethon, which raised critical funds for COVID-19 relief and was viewed by more than 65,000. Jones has also received Rotary International's Service Above Self Award and The Rotary Foundation Citation for Meritorious Service. She and her husband, Nick Krayacich, are members of The Rotary Foundation's Arch Klumph Society, Paul Harris Society, and the Bequest Society.

DIRTY HARRY: A TRIBUTE TO THE LEGACY OF MAYOR FRED LIM

by AS Reginald T. Yu

ADIOS, 'DIRTY HARRY.' "Down these mean streets a man must go who is not himself mean, and who is neither tarnished nor afraid." — Raymond Chandler

By rite and out of respect, we honor those recently passed with praise for their accomplishments. For a statesman like Alfredo Siojo Lim, who died on August 8 at age 90, there is no shortage in that regard. From the Manila slums, this orphan rose to become one of the most heavily-decorated police officers in the city's history, boasts of having raised the meager salaries of agents as Director of the National Bureau of Investigation, worked on a strong law and order program as a two-time Mayor of Manila, Philippines, and enacted key legislation on the floor of the Senate of the Philippines — a colorful public life that shaped five decades of local and national governance, leaving an unimpeachable legacy of discipline, integrity and honesty rarely seen in today's public officials.

While I was already well-aware of his exploits as a no-nonsense police officer, I remember first crossing paths with this esteemed gentleman during a courtesy call, fresh from his election victory as a newly-elected Mayor of Manila in 1992. Being a new member of JCI Manila (formerly, Manila Jaycees) then, I belonged to a small group of "Baby Jaycees" tasked with a gargantuan undertaking of painting all the six main vehicular underpasses of the City of Manila for the first time. Together with Club President Eros Kaw, we sought his customary blessing and support. A perfunctory, 15-minute reception turned out to be an engaging, two-hour storytelling session of his extraordinary exploits as a policeman. Underneath his stern — almost detached — demeanor, I saw the personification of a bona fide law enforcement officer who genuinely valued the dignity of his uniform in dispensing the sworn duty he made to God and country.

I could never forget the incident he relayed when he, as police captain in the sixties, earned the ire of the Vice-Mayor for arresting his son for illegal possession of firearms who promptly stripped him of his rank and demoted him to the traffic beat. Notwithstanding the indignity that befell him, he soldiered on for several years, assisting pedestrians and directing traffic at the center of Divisoria, with nary a word or whimper.

We met again a few years later, when he was being feted by JCI Philippines (formerly, Philippine Jaycees) as one of the "Hall of Fame" honorees of "The Outstanding Policemen of the Philippines (TOPP)" — for being one of the first recipients of this prestigious distinction way back in 1967, the award launch's maiden year. It was during Mayor Lim's watch as chief of the Western Police District that earned him and his men the reputation of being "Manila's Finest."

The erstwhile Mayor's success in his endeavors epitomized the perfect balance between handling two interchangeable lives — one as a public servant and the other, as a civic leader. Among the myriad roles in both spheres, he cherished his stay with the Rotary Club of Manila the most, having considered the organization as his "second home." He served as the Club's Sergeant-At-Arms for many years and even chaired several Rotary projects, the latest of which was his "Womb to Tomb" program — incorporating the services of six city-run hospitals that provided free medical services for the most indigent; as well as two colleges offering free tuition for the city's poorest students — among his chief indelible legacies that he established when he was Mayor.

Little did I know that the most recent Rotary meeting that he attended in December of last year — when this picture was taken — would be his last.

All told, the name Mayor Alfredo Siojo Lim shall forever be remembered as that decorated police officer who was tough on crime. His reputation earned him the moniker "Dirty Harry," after the Clint Eastwood character in the famous film series about a cop who was ruthless against criminals. As Manila Mayor, he was known for his efficiency in dealing with felons and suspected drug dealers. Long before President Rodrigo Duterte administration's "war on drugs," he had his own highly publicized battle with narcotics, with shaming tactics that included spray painting the homes of known or suspected drug pushers or users. He closed down the city's red-light districts and instituted curfews meant to deter lawlessness. Among his many strengths was discipline, which he enforced, especially as the city's chief executive, at the risk of losing his popularity.

For his colleagues at Rotary, however, "Fred" — even more than for most great men of his generation — these sometimes fabled accomplishments are difficult to separate from the real person. "The law applies to all or to none at all" was the rallying cry he repeated time and again: a cry that reflected his immutable core for justice to every man. Indeed, in every trial and triumph, in his battle for survival in local politics, in his dogged pursuit of peace and order, and all he served on the front lines of civic service — whether in battle to defend democracy or in combat to preserve the honor at the risk of personal glory, Fred Lim will always be remembered for his admirable professionalism, irreproachable integrity, and laser-like vision that placed him on a league entirely of his own.

Maraming, maraming salamat po, Mayor Fred S. Lim, ang aming "Dirty Harry ng Bayan." Adios.

NUTS N' BALLS

by PP Boy Guevara, Jr.

Just too good

“At the point of death, a man, Tom Smith, called his children and he advised them to follow his footsteps so that they can have peace of mind in all that they do..

His daughter, Sara, said,
 "Daddy, its unfortunate you are dying without a penny in your bank..
 Other fathers' that you tag as being corrupt, thieves of public funds left houses and properties for their children; even this house we live in is a rented apartment..Sorry, I can't emulate you, just go, let's chart our own course..

Few moments later, their father gave up the spirit..

Three years later, Sara went for an interview in a multinational company..

At interview the Chairman of the committee asked,
 "Which Smith are you..?"

Sara replied,
 "I am Sara Smith. My Dad Tom Smith is now late.."

Chairman cuts in,
 "O my God, you are Tom Smith's daughter..?"

He turned to the other members and said,
 "This Smith man was the one that signed my membership form into the Institute of Administrators and his recommendation earned me where I am today. He did all these free. I didn't even know his address, he never knew me. He just did it for me.."

He turned to Sara,
 "I have no questions for you, consider yourself as having gotten this job, come tomorrow, your letter will be waiting for you.."

Sara Smith became the Corporate Affairs Manager of the company with two Cars with Drivers, A duplex attached to the office, and a salary of £1,00,000 per month excluding allowances and other costs..

After two years of working in the company, the MD of the company came from America to announce his intention to resign and needed a replacement. A personality with high integrity was sought after, again the company's Consultant nominated Sara Smith..

In an interview, she was asked the secret of her success,,

With tears, she replied, "My Daddy paved these ways for me. It was after he died that I knew that he was financially poor but stinkingly rich in integrity, discipline and honesty".

She was asked again, why she is weeping since she is no longer a kid as to miss her dad still after a long time..

She replied, "At the point of death, I insulted my dad for being an honest man of integrity. I hope he will forgive me in his grave now. I didn't work for all these, he did it for me to just walk in".

So, finally she was asked, "Will you follow your father's foot steps as he requested ?"

And her simple answer was, "I now adore the man, I have a big picture of him in my living room and at the entrance of my house. He deserves whatever I have after God".

Are you like Tom Smith..?

It pays to build a name, the reward doesn't come quickly but it will come however long it may take and it lasts longer..

Integrity, discipline, self control and fear of God makes a man wealthy, not the fat bank account..

Leave a good heritage for your children..

As an agent of CHANGE, please share this true life story with your loved ones..

God bless u/us all..”
