THE SPEAKER'S PROFILE

ROY A. CIMATU

Secretary, Department of Environment and Natural Resources

Rotarian Roy A. Cimatú is a man of remarkable credentials. He was a decorated soldier, a trained pilot, a four-star general and Chief of Staff of the Armed Forces of the Philippines, after which he continued to serve as an ambassador and a crisis negotiator, and now as a Cabinet Secretary.

As Secretary of the Department of Environment and Natural Resources, he chairs the Manila Bay Task Force that was created by President Rodrigo Roa Duterte in February 2019 to lead inter-agency efforts, in collaboration with the private sector, to clean up and rehabilitate the heavily polluted Manila Bay and restore it to its former glory.

Known as the “Thinking General” because of his keen acumen as a strategist, he has decisively managed issues on environmental security and sustainability. He led the successful inter-agency campaign to raise the water quality of the Boracay Island and rehabilitate that island’s degraded environment, thereby refurbishing Boracay’s status as a global tourist destination.

He is also the Cabinet Officer for Regional Development and Security for Western Visayas, or Region 6, and in that capacity heads the Regional Task Force to End Local Communist Armed Conflict. This region is the most populous in the Visayas, encompassing six provinces – Aklan, Antique, Capiz, Guimaras, Iloilo and Negros Occidental – plus 16 cities, 117 municipalities and 4,051 barangays.

The Rotary Club of Manila is proud to have such a distinguished leader in its rolls.

Thank you for your understanding on this matter.

Yours in the service of Rotary,

BALITA Editor-in-Chief

FROM THE TREASURER

Dear Fellow Manila Rotarian,

With the rapid rise in COVID-19 cases, it is unfortunate that our beloved Executive Secretary Anna Kun Toledo was not spared from the onslaught of this global pandemic. Last August 8, 2020, she was confined at the De Los Santos Medical Center in Quezon City and was transferred recently to the Philippine General Hospital in Manila.

As you all are aware, hospitalization for such disease costs a fortune in the light of medical equipments and medicine needed for complete recovery. Hence, we appeal to your generous hearts for any donation you could extend. She has served our club well with her dedicated service for many years. As such, she deserves our love and support in these difficult times in her life. Towards this end, the following club members have responded to our call for pledges for her COVID-19 hospitalization and other medical expenses as of 1:22 pm of August 26, 2020:

THE ROTARY FOUNDATION

AN INVITATION TO JOIN THE ROSTER OF PAUL HARRIS FELLOWS

July 14, 2020

Dear Fellow Rotarians,

An Opportunity has now opened doors for our club to be a 100% Paul Harris Club. With only US\$ 500.00 as a beginning contribution, you can now become a Paul Harris Fellow.

We have members who have risen to donor levels that have earned them significant point values. Our fellow members led by IPP Jackie Rodriguez, PDG Alex Cureg, IPVP Hermie Esguerra, PDG Rudy Bediones and PDG Obet Pagdanganan have indicated their willingness to share the points they have earned to allow Rotarians to be enrolled in the Roster of Paul Harris Fellows for only an initial contribution of US\$ 500.00 instead of the regular US\$ 1,000.00.

Contributions can easily be made by enrolling in www.rotary.org using your R.I. Identification Number.

Once enrolled, you are allowed to learn Rotary, increase your circle of friendship and contribute conveniently using the website.

We, Rotarians, belong to a global family of service-oriented people who believe that our congregation is a means to share our blessings to the less fortunate communities globally. The Rotary Foundation is the funding arm of global humanitarian undertakings of Rotary International. It was formally named in 1917 and the first trustees were appointed after Rotary International President Arch Klumph proposed for the establishment of an endowment for the purpose of doing good in the world. The first grant of US\$ 500 benefitted the International Society for Crippled Children (Easter Seals). History marks the milestone projects of The Rotary Foundation such a scholarship for

international graduate study, the elimination of Polio worldwide, the initiation of a World Peace Forum, among others. Under the Rotary's 7 Areas of Service Focus, namely, Peace and Conflict Prevention/Resolution, Disease Prevention and Treatment, Water and Sanitation, Maternal and Child Health, Basic Education and Literacy, Economic and Community Development and lastly, Supporting the Environment, Rotary International and The Rotary Foundation have made themselves relevant to developing communities globally.

All these services would not have been made possible if not for the generosity of Rotarians, who voluntarily enlisted themselves to become members of The Rotary Foundation through a minimal contribution of US\$ 1,000.00.

We are currently working on a Global Grants for Covid-19 and other community-related projects. Your contribution will significantly improve the community living of our target beneficiaries.

For any assistance, please feel free to contact me.

Yours in the service of Rotary,

ROMEO THADDEUS LIAMZON
Vice President,
Chairman, The Rotary Foundation

ROTARY HISTORY

Rotary at the start of the United Nations

Rotary and the United Nations have a shared history of working toward peace and addressing humanitarian issues around the world.

During World War II, Rotary informed and educated members about the formation of the United Nations and the importance of planning for peace. Materials such as the booklet "From Here On!" and articles in *The Rotarian* helped members understand the UN before it was formally established and follow its work after its charter.

Many countries were fighting the war when the term "United Nations" was first used officially in the 1942 "Declaration by United Nations." The 26 nations that signed it pledged to uphold the ideals expressed by the United States and the United Kingdom the previous year of the common principles "on which they based their hopes for a better future for the world."

Officials from Great Britain, the Soviet Union, and the United States met in Moscow in 1943 and called for the creation of an international organization to maintain peace and security.

The next year, representatives of those countries plus China held conferences in Washington, D.C., to discuss how to go about this monumental task. Those sessions became known as the Dumbarton Oaks conference, where delegations from the four countries developed a proposal for the structure of the new organization.

ROTARY HISTORY

After the conference, Rotary published “What Can Rotarians Do Following Dumbarton Oaks?” It included the proposed charter, talking points, and suggestions for discussing with club members how the United Nations would relate to Rotary’s goal of advancing international understanding. It also emphasized the importance of having a plan ready for when the war ended, rather than waiting until the fighting stopped.

“Timely Questions on Dumbarton Oaks” helped Rotarians understand the complexities of the proposed charter.

After World War I, “proposals for international cooperation failed because of lack of enlightened public opinion to support them,” it explained. Discussions among members “will help to create an informed public opinion.”

“Timely Questions on Dumbarton Oaks” followed to help Rotarians understand the complexities of the proposed charter. The flyer presented different perspectives on the security council and other aspects of the UN as topics for Rotary club programs or discussions. At the same time, governments around the world were carefully studying and reacting to the work done at Dumbarton Oaks.

From April to June 1945, delegations from 50 nations attended the United Nations Conference on International Organization in San Francisco (often known as the San Francisco conference). Their task was to write a charter acceptable to all of them. The delegations were assisted in this historic effort by a large number of staff, advisers, and consultants.

Rotary International was one of 42 organizations the United States invited to serve as consultants to its delegation at the San Francisco conference. Each organization had seats for three representatives, so Rotary International’s 11 representatives served in rotation. The people officially representing Rotary included the general secretary, the editor of *The Rotarian*, and several past presidents. Other Rotarians from Africa, Asia, Europe, and North and South America served as members of their own nations’ delegations. Rotarians also served as consultants to their national delegations.

Just before the meetings began, Rotary International published and distributed the “Pattern for the San Francisco Conference” pamphlet. “It is a splendid opportunity for the individual Rotarian to fulfill the objective of International Service,” the document proclaimed, “by taking part in the debate on this scheme of world government.”

Throughout the rest of 1945, *The Rotarian* and other publications kept Rotary members informed about issues and developments related to the new organization. Editorials and articles clarified issues, provided additional insights and talking points, and updated readers on what was happening and the people involved:

- “Rotarians in the News at San Francisco,” July 1945
- “Report from San Francisco,” July 1945
- “Rotary at the Conference,” July 1945
- “Gateway to Peace,” August 1945
- “San Francisco Just Started It,” November 1945

Pattern for the San Francisco Conference

After the UN was established, the 95-page booklet “From Here On!” contained the exact text of the UN Charter on one side of every two-page spread with annotations and questions designed to stimulate discussion on the other. With this layout, Rotarians could use it to learn and lead club discussions.

The Charter, it explained, would be effective only if “free citizens” worldwide were determined to give it vitality. “The Rotarian faithfully following these pages,” the booklet said, “will find himself treading the path to service.”

In 1946, Rotary published a supplement listing the major accomplishments of the meetings held by the UN General Assembly in January and February of that year. Later articles in *The Rotarian* kept the United Nations and its work on the minds of members:

- “UN or World States,” June 1946
- “What Do You Want UN to Do?” September 1948
- “Speaking of the United Nations,” March 1955
- “Appraisal at San Francisco,” September 1955
- “How I Would Change the UN,” October 1955

Today, Rotary holds the highest consultative status offered to a nongovernmental organization by the UN’s Economic and Social Council, which oversees many specialized UN agencies. The Rotary Representative Network maintains and furthers its relationship with several UN bodies, programs, commissions, and agencies. This network consists of Rotary International representatives to the United Nations and other organizations.

Rotary Day at the United Nations each year celebrates the organizations’ shared vision for peace and highlights the critical humanitarian activities that Rotary and the United Nations lead around the world.

THE FOUR-WAY TEST

NUTS N' BALLS

by PP Boy Guevara, Jr.

☐ Good Day.

This is one of the best set of reflections I have come across. There are also LESSONS to be learned.

1. Take risks in your life. If you win, you can lead; if you lose, you can guide.
2. People are not what they say but what they do; so judge them not from their words but from their actions.
3. When someone hurts you, don't feel bad because it's a law of nature that the tree that bears the sweetest fruits gets maximum number of stones.
4. Take whatever you can from your life because when life starts taking from you, it takes even your last breath.
5. In this world, people will always throw stones on the path of your success. It depends on what you make from them - a wall or a bridge.
6. Challenges make life interesting; overcoming them make life meaningful.
7. There is no joy in victory without running the risk of defeat.
8. A path without obstacles leads nowhere.
9. Past is a nice place to visit but certainly not a good place to stay.

0. You can't have a better tomorrow if you are thinking about yesterday all the time.

11. If what you did yesterday still looks big to you, then you haven't done much today.

12. If you don't build your dreams, someone else will hire you to build theirs.

13. If you don't climb the mountain; you can't view the plain.

14. Don't leave it idle - use your brain.

15. You are not paid for having brain, you are only rewarded for using it intelligently.

16. It is not what you don't have that limits you; it is what you have but don't know how to use.

17. What you fail to learn might teach you a lesson.

18. The difference between a corrupt person and an honest person is: The corrupt person has a price while the honest person has a value.

19. If you succeed in cheating someone, don't think that the person is a fool..... Realize that the person trusted you much more than you deserved.

20. Honesty is an expensive gift; don't expect it from cheap people.

QUOTES ON LIFE

by PP Frank Evaristo

1. "Our prime purpose on this life is to help others and if you can't help then at least don't hurt them."
2. "I forgive people by forgetting about them."
3. "Motivate yourself, don't listen to those people who only see your mistakes."
4. "Be happy. You never know how much time you have left. Help even when you knew they can't help you back."
5. "Faith is trusting God even when you don't understand His plan."
6. "Being honest may not get you a lot of friends, but, it'll always get you the right ones."
7. "The ultimate measure of a man is where he stands at times of challenge and controversy."
8. "The happiest people are the givers, not the takers."
9. "The Filipino is worth dying for." - Ninoy Aquino
