MESSAGE

Planting the seeds of service is genuinely painstaking, yet, its never-ending fruits showcase a bountiful harvest. This is the story of your club, the First Rotary Club in Asia. Without your existence, the Rotary name in the archipelago would not have reverberated with the many good deeds you have shared with the Filipino people. The projects you have undertaken throughout your many years of existence not only became milestones, they became the finest hours of Philippine history. Many fine gentlemen of this nation wished they were in your shoes because while your exacting standards have become the pedestal upon which we all look up to not only in the district, but, in the entire Philippine Rotary, as well, you continue to manifest the kind of service excellence despite the obstacles of the global pandemic that has defined Service Above Self. These are marks of the true Champions of Service you have always been for which the district is forever in awe at your accomplishments.

On the occasion of the Joint Formal Handover/Awarding Meeting of the Rotary Club of Manila, the First in Asia, allow me to convey my warmest personal wishes for a productive Rotary year ahead to Transformational President Robert "Bobby" L. Joseph, Jr., his Board of Directors and Executive Officers, as well as to my Champion President Joaquin "Jackie" C. Rodriguez, Sr., his Board of Directors and Executive Officers, for hoisting the banner of your club high and mighty above the rest as you ended a Champion year that was, replete with achievements that have defined your finest hour. Let us all foster the fellowship, camaraderie and selfless service towards the end of Peace and Conflict Resolution with our fellow Rotarians wherever they may be because after ensuring that "ROTARY CONNECTS THE WORLD", the new normal implores us to transform and take action as "ROTARY OPENS OPPORTUNITIES".

MESSAGE

The story of Rotary on Philippine and Asian shores begins with your existence. More than a centennial of doing good in the world, you have remained the guiding light to the many in our district and beyond our confines. As mentor of Rotarians across the country, you have served as a bedrock of leadership and a repository of Rotary's role in Philippine history. Many of the greatest men who have ever lived in the Philippines inhabit your distinguished membership roster so much so that a mere glance at more than a century that was for your club is akin to the shaping of the Filipino nation. While you continue to bask in your finest hour despite the onslaught of the global pandemic, you have never ceased to inspire many in imparting the tenets of Service Above Self to which many of us, your brothers and sisters in the district express our deepest gratitude. Your wisdom, indeed, is a treasured gift we all wish to emulate and embracing us as part of your ever growing family is truly a priceless moment we will cherish as we undertake our missions in Rotary.

Today, as you turn a new leaf with the staging of the Joint Formal Handover/Awarding Meeting of the Rotary Club of Manila, the First in Asia, let me send my warmest greetings for a prosperous Rotary year of service to Transformational President Robert "Bobby" L. Joseph, Jr., his Board of Directors and Executive Officers, as well as to Champion President Joaquin "Jackie" C. PRESIDENT'S CORNER

Good afternoon Fellow Rotarians and special friends. May the Almighty God gift us with peace, harmony, healing, blessings and better friendships. Mama Mary pray for us and continue giving us hope, charity and love.

Welcome to the 18th Weekly Meeting which was supposed to be last 26th of October 2020 for our Joint Formal Handover/Awarding Meeting at the Ballroom of The Heritage Hotel Manila, but, which was postponed to today, 29th of October 2020, due to the onslaught of Typhoon Quinta in Metro Manila and neighboring provinces. We celebrate in thanksgiving the first face-to-face event with suggested health protocols and God's goodness in saving us from the wrath of the typhoon. We are also in the Zoom platform for those who are not able to make it.

Last year, we had eleven (11) Star Rotarians and this year, our target is a minimum of twenty (20). We will go beyond eleven (11) by next month. The Star Rotarians programs have started with them being active in their Classification Talks, featuring them in our Balita, being active in our projects and will be attending a once a month face-to-face fellowship meeting at Ralph's Wines and Spirits along Pasay Road behind the New World Makati Hotel in Makati City.

We are aggressive in searching for young professionals who have shown leadership skills to join the Rotary Club of Manila. There will be more engagements with Rotaractors by helping them in projects, joining our Zoom Meetings and being ready to share with them our abled speakers.

Recognition among our members is a must. We acknowledge those who have contributed to the success of our club on a quarterly basis through our Presidential Haribon Leadership Awards, thanking them through our Balita and with the Board of Directors, sending them our gratefulness for their contribution.

We are on our Second (2nd) Centennial with programs on the Environment and Ambassadorship that will strengthen ties with other Rotary clubs in the country and abroad. There will be new business opportunities and promoting friendships in the entire country through joint projects.

Our team this year is packed with great Rotarians who are 101 percenters. We have the leadership and connections of IPP Jackie Rodriguez, Chair of the RCManila Foundation Inc. and Programs Committee Chairman, the benevolent IPVP Hermie Esguerra, who likewise serves as Director Ex-Officio in his capacity as Foundation Chairman. Two other past Presidents, PP Jesus "Susing" Pineda and PP Teodoro "Teddy" Ocampo, serve as Board Advisers. Chairing our Education and Tower Awards is PP Jesus "Susing" Pineda, who likewise serves as Director Ex-Officio in his capacity as RCManila Foundation Inc. President with PDG Alex Cureg taking charge of the Rotary Information Committee. IPD Dean Atty Amado Valdez serves as Board Legal Adviser. Our present Board of Directors, who are leaders in their own rights, are excellent and compassionate gentlemen of Service Above Self. Aside from me as President, the other members of the Board of Directors include IPP Jackie Rodriguez, VP Thad Liamzon, Dir. Albert Alday, Dir. Johnny Chotrani, Dir. Celso Abastillas, AT/Dir. Jujut Enriquez, Dir. Hans Palacios and Dir. Farid Alain Schoucair. Executive Officers include Club Secretary Reginald "Reggie" Yu, Treasurer Karlo Castro, SAA Dave Reynolds, AS Henry Go, AT Marcus Dee and DSAA Jason Bogovich. This is our Transformational Wow Team. I thank the Lord for giving me this magnanimous team during my term.

Maraming salamat.

Cheers!

Your Servant President,

CLUB ADMINISTRATION

FROM THE PROGRAMS COMMITTEE

Dear Fellow Manila Rotarians,

The beginning of the work week should have marked the changing of the guards and the passing of the torch as our club turns a new leaf, but, Typhoon Quinta turned out to be an unwanted guest, causing our club to postpone festivities for a few more days. However, let us not despair as the in-person staging of the JOINT FORMAL HANDOVER/INAUGURAL/ AWARDING MEETING, finally, happens today, October 29, 2020, Thursday, 5:00 PM, at the Ballroom of The Heritage Hotel Manila, Pasay City. Rest assured, proper social distancing and other safety measures will be observed. Come and join us as we missed each other's company because of the global pandemic. It's time to rekindle our Rotary bonds on this face to face event.

And, for those who will not be able to join our face to face meeting, we will be broadcasting live on our regular club Zoom platform.

There's more! We will be raffling off twelve (12) gift certificates donated by PVP Manny Dy!

ROTARIAN OF THE WEEK

PRESIDENT BOBBY JOSEPH: A PRIME MOVER AND WALKING MIRACLE

By Rhea Vitto Tabora

For someone who has already accomplished so much—not just for himself, his family and the organizations he is leading, but also for the community, the environment, and the country—it is but fitting to admire how President Bobby Joseph still wishes he could be an improved version of himself.

At 70, President Joseph isn't standing still. He's always on the move, pouring his passion, energy, and commitment into various projects, even during this pandemic. If he's not joining Zoom meetings, he's attending functions and events, especially the "Save the Manila Bay" project, which he has been involved for two years now.

An entrepreneur, tourism and environmental advocate, diplomat (Honorary Consul of the Republic of Latvia to the Philippines since 1994), author, motivational speaker, and a champion of admirable causes, there's just no stopping a passionate and dedicated leader like Bobby Joseph.

Because of his various projects and engagements, you won't think he's been battling stage four cancer for nearly 20 years. He lives his life with joy, positivity, and enthusiasm. Considering himself a walking miracle, he always starts and ends his day with prayers, grateful for each day.

President Joseph is an exemplar Rotarian who lives the Club's motto of "Service Above Self". He lives a purposeful life, and his passion and perseverance to serve others becomes his daily habit. He also encourages, motivates, and inspires people everywhere he goes.

To me, meeting Mr. Bobby Joseph last year was a great blessing. Talking to him is always a privilege. Collaborating with him is a blast!

Know more about this incredible man as he shares his thoughts and wisdom.

Rhea Vitto Tabora (RVT): How meaningful and challenging is it to be the leader of Rotary Club of Manila?

Robert Lim Joseph (RLJ): It is very challenging because it is transformational and purpose-driven to make a difference. And it is not limited to RCM; we also get involved with District 3810, other districts in the country, and sister clubs overseas because of our Ambassador Program. We forge lifelong friendships, encourage volunteerism, and adhere to our core values and moral principles to share and serve the marginalized, protect the environment, support education, and help the street children.

ROTARIAN OF THE WEEK

PRESIDENT BOBBY JOSEPH: A PRIME MOVER AND WALKING MIRACLE

RVT: What made you fall in love with the travel and tourism industry? Why are you so passionate about this sector?

RLJ: Tourism and transportation are among the most challenging industries that require passion, vigor, and vitality. Creativity and networking across the globe are the true essence of productivity through perseverance and humility.

RVT: Many articles have been written about you being a survivor. You have surpassed various challenges and adversities - both in your industry and personal life (health). Where do you get your strength? What keeps you going?

RLJ: Gratitude and prayers on a daily basis. Every day is a special day, and I am always thankful to God and Mama Mary for my life.

And I am always inspired to make a difference to serve the micro enterprises and the academe.

President Bobby Joseph with his wife Ida

RVT: What are your success habits?

RLJ: Staying focused in my projects and programs, having the right network, and always being grateful, persevering, and making things right with God's blessings.

RVT: What are you most proud of?

RLJ: Seeing people happy. Being a catalyst of change by motivating others to succeed and stay humble.

RVT: What was one cool thing you did when you were a teenager?

RLJ: Being different by taking summer jobs since the age of 13, selling items to my classmates, and being a head cheerleader for eight years from high school to college.

RVT: If you could sit down with your 21-year-old self, what would you tell him?

RLJ: I would tell my younger self to study more, improve martial arts for self-discipline, and stay cool and caring.

Nothing beats the love and support of his family.

ROTARIAN OF THE WEEK

PRESIDENT BOBBY JOSEPH: A PRIME MOVER AND WALKING MIRACLE

RVT: You have already accomplished so much. What else is in your bucket list?

RLJ: To be able to expand our Paraiso Village Farm Tourism Project; expand our International School for Sustainable Tourism, and continue saving Manila Bay for the next six years.

Note: President Joseph, together with Gawad Kalinga founder Tony Meloto, is involved in the Paraiso Village Farm Tourism Project, a sustainable farm tourism in San Jose, Batangas.

He also serves as vice-chair of the International School of Sustainable Tourism (ISST), with former Tourism Secretary Mina Gabor as president.

Save Manila Bay is a project he launched during his term as Commodore of the Manila Yacht Club, together with DENR Secretary Roy Cimatu, and in collaboration with the Rotary Club of Manila. While much work has been done, President Joseph said it will take six years for this project to be completed.

IN ACTION: Even the pandemic can't stop a man like Bobby Joseph. In photo with Environment Secretary Roy Cimatu discussing environment strategies.

RVT: Which one thing in your life do you wish you had done differently?

RLJ: To be an improved version of myself.

RVT: What is one piece of advice you can give today's leaders?

RLJ: You have to be servant leaders, purpose-driven, and uphold the moral principles that are badly needed in the country. You have to promote integrity, goodwill, and peace.

THE ROTARY FOUNDATION

AN INVITATION TO JOIN THE ROSTER OF PAUL HARRIS FELLOWS

July 14, 2020

Dear Fellow Rotarians,

An Opportunity has now opened doors for our club to be a 100% Paul Harris Club. With only US\$ 500.00 as a beginning contribution, you can now become a Paul Harris Fellow.

We have members who have risen to donor levels that have earned them significant point values. Our fellow members led by IPP Jackie Rodriguez, PDG Alex Cureg, IPVP Hermie Esguerra, PDG Rudy Bediones and PDG Obet Pagdanganan have indicated their willingness to share the points they have earned to allow Rotarians to be enrolled in the Roster of Paul Harris Fellows for only an initial contribution of US\$ 500.00 instead of the regular US\$ 1,000.00.

Contributions can easily be made by enrolling in www.rotary.org using your R.I. Identification Number. Once enrolled, you are allowed to learn Rotary, increase your circle of friendship and contribute conveniently using the website.

We, Rotarians, belong to a global family of service-oriented people who believe that our congregation is a means to share our blessings to the less fortunate communities globally. The Rotary Foundation is the funding arm of global humanitarian undertakings of Rotary International. It was formally named in 1917 and the first trustees were appointed after Rotary International President Arch Klumph proposed for the establishment of an endowment for the purpose of doing good in the world. The first grant of US\$ 500 benefitted the International Society for Crippled Children (Easter Seals). History marks the milestone projects of The Rotary Foundation such a scholarship for international graduate study, the elimination

of Polio worldwide, the initiation of a World Peace Forum, among others. Under the Rotary's 7 Areas of Service Focus, namely, Peace and Conflict Prevention/Resolution, Disease Prevention and Treatment, Water and Sanitation, Maternal and Child Health, Basic Education and Literacy, Economic and Community Development and lastly, Supporting the Environment, Rotary International and The Rotary Foundation have made themselves relevant to developing communities globally.

All these services would not have been made possible if not for the generosity of Rotarians, who voluntarily enlisted themselves to become members of The Rotary Foundation through a minimal contribution of US\$ 1,000.00.

We are currently working on a Global Grants for COVID-19 and other community-related projects. Your contribution will significantly improve the community living of our target beneficiaries.

For any assistance, please feel free to contact me.

Yours in the service of Rotary,

END POLIO NOW 2020 CAMPAIGN LAUNCHED

Rotary District 3810, led by DG Odie Tarriela and where President Bobby Joseph is one of the Transformational Presidents, launched its End Polio Now 2020 Campaign last October 24, 2020 at the Rizal Park in Manila in celebration of World Polio Day.

MAJOR ACHIEVEMENT FOCUS OF ROTARY'S WORLD POLIO DAY EVENT

by Ryan Hyland

Rotary's 2020 **World Polio Day Online Global Update** program on 24 October hails this year's historic achievement in polio eradication: **Africa being declared free of the wild poliovirus.**

Paralympic medalist and TV presenter Ade Adepitan, who co-hosts this year's program, says that the eradication of polio in Africa was personal for him. "Since I was born in Nigeria, this achievement is close to my heart," says Adepitan, a polio survivor who contracted the disease as a child. "I've been waiting for this day since I was young."

He notes that, just a decade ago, three-quarters of all of the world's polio cases caused by the wild virus were contracted in Africa. Now, more than a billion Africans are safe from the disease. "But we're not done," Adepitan cautions. "We're in pursuit of an even greater triumph — a world without polio. And I can't wait."

Rotary Foundation Trustee Geeta Manek, who co-hosts the program with Adepitan, says that World Polio Day is an opportunity for Rotary members to be motivated to "continue this fight."

She adds, "Rotarians around the world are working tirelessly to support the global effort to end polio."

“

Polio eradication is truly a collective effort ... This accomplishment belongs to all of us.

A collective effort

Dr. Tunji Funsho, chair of Rotary's Nigeria PolioPlus Committee and a member of the Rotary Club of Lekki Phase 1, Lagos State, Nigeria, tells online viewers that the milestone couldn't have been reached without the efforts of Rotary members and leaders in Africa and around the world.

MAJOR ACHIEVEMENT FOCUS OF ROTARY'S WORLD POLIO DAY EVENT

Funsho, who was recently **named one of TIME magazine's 100 Most Influential People of 2020**, says countless Rotarians helped by holding events to raise awareness and to raise funds or by working with governments to secure funding and other support for polio eradication.

"Polio eradication is truly a collective effort ... This accomplishment belongs to all of us," says Funsho.

Rotary and its members have contributed nearly \$890 million toward polio eradication efforts in the African region. The funds have allowed Rotary to award PolioPlus grants to fund polio surveillance, transportation, awareness campaigns, and National Immunization Days.

This year's World Polio Day Online Global Update is streamed on Facebook in several languages and in a number of time zones around the world. The program, which is sponsored by the Bill & Melinda Gates Foundation, features Jeffrey Kluger, editor at large for TIME magazine; Mark Wright, TV news host and member of the Rotary Club of Seattle, Washington, USA; and Angélique Kidjo, a Grammy Award-winning singer who performs her song "M'Baamba."

The challenges of 2020

It's impossible to talk about 2020 without mentioning the coronavirus pandemic, which has killed more than a million people and devastated economies around the world.

In the program, a panel of global health experts from Rotary's partners in the Global Polio Eradication Initiative (GPEI) discusses how the infrastructure that Rotary and the GPEI have built to eradicate polio has helped communities tackle needs caused by the COVID-19 pandemic, too.

"The infrastructure we built through polio in terms of how to engage communities, how to work with communities, how to rapidly teach communities to actually deliver health interventions, do disease surveillance, et cetera, has been an extremely important part of the effort to tackle so many other diseases," says Dr. Bruce Aylward, senior adviser to the director general at the WHO.

Panelists also include Dr. Christopher Elias, president of the Global Development Division of the Bill & Melinda Gates Foundation; Henrietta H. Fore, executive director of UNICEF; and Rebecca Martin, director of the Center for Global Health at the U.S. Centers for Disease Control and Prevention.

Rotary Foundation Trustee Geeta Manek, left, co-hosts the World Polio Day Global Online Update. Rotarian Marie-Irene Richmond Aouha, right, past PolioPlus chair of Cote d'Ivoire, presents at the event.

Elias says that when there are global health emergencies, such as outbreaks of other contagious diseases, Rotarians always help. "They take whatever they've learned from doing successful polio campaigns that have reached all the children in the village, and they apply that to reaching them with yellow fever or measles vaccine."

The program discusses several pandemic response tactics that rely on polio eradication infrastructure: Polio surveillance teams in Ethiopia are reporting COVID-19 cases, and emergency operation centers in Afghanistan, Nigeria, and Pakistan that are usually used to fight polio are now also being used as coordination centers for COVID-19 response.

The online program also includes a video of brave volunteer health workers immunizing children in the restive state of Borno, Nigeria, and profiles a community mobilizer in Afghanistan who works tirelessly to ensure that children are protected from polio.

Kluger speaks with several people, including three Rotary members, about their childhood experiences as "Polio Pioneers" — they were among more than a million children who took part in a huge trial of Jonas Salk's polio vaccine in the 1950s.

The future of the fight against polio

Rotary's challenge now is to eradicate the wild poliovirus in the two countries where the disease has never been stopped: Afghanistan and Pakistan. Routine immunizations must also be strengthened in Africa to keep the virus from returning there.

To eradicate polio, multiple high-quality immunization campaigns must be carried out each year in polio-affected and high-risk countries. During the COVID-19 pandemic, it's necessary to maintain populations' immunity against polio while also protecting health workers from the coronavirus and making sure they don't transmit it.

Rotary has contributed more than \$2.1 billion to polio eradication since it launched the PolioPlus program in 1985, and it's committed to raising \$50 million each year for polio eradication activities. Because of a 2-to-1 matching agreement with the Bill & Melinda Gates Foundation, that means that, each year, \$150 million goes toward fulfilling Rotary's promise to the children of the world: No child will ever again suffer the devastating effects of polio.

NUTS N' BALLS

by PP Boy Guevara, Jr.

Dear friends: Dr. Charles, secretary-general of the United Nations Chinese Friendship Association, reminds: Everyone who sees this life-saving method must pass it on! This is also a good deed!

Four really simple knowledge:

1. Choking something
2. Stiff neck
3. Foot cramps
4. My feet are numb

Please do your best to spread this, because it is knowledge, which can teach and save people!

Life-saving methods to share:

1. How to deal with choking - just "raise your hand"!

2. Stiff neck

Do you occasionally find yourself stiff neck when you wake up in the morning? It's neck pain. What should you do if you stiff neck?

Once stiff neck, just lift your feet up!

Break the thumb of your big toe, and slowly massage and rotate it in a clockwise or counterclockwise direction!

3. When foot cramps

Raise your right hand high when your left foot cramps.

When your right foot cramps, raise your left hand high and immediately relieve it.

4. Foot numb

If your left foot is numb, shake your right palm vigorously.

If your right foot is numb, shake your left palm vigorously.

Three ways to help

1. Hemiplegia (regardless of cerebral hemorrhage or embolism), crooked mouth and eyes, immediately take a sewing needle to pierce the lowermost point of the patient's earlobes, squeeze a drop of blood from each, and the patient will heal immediately without leaving any sequelae.

2. After the sudden death of a heart attack, the patient immediately took off his socks and pierced his ten toes with a sewing needle, squeezing out a drop of blood from each of the ten toes. The patient would wake up without waiting for the ten toes to be squeezed.

3. Regardless of asthma or acute laryngitis, if the patient was found to be unable to breathe, blushing and his neck thick, he quickly pierced the tip of his nose with a sewing needle and squeezed out two drops of black blood to heal.

None of the above three methods are dangerous, please rest assured that they are all valid within 10 seconds. Accumulate virtue and do good, a love, I turned! Be sure to pass it hard, because it is knowledge, which can teach people and save people when they are in trouble!

Help others have merit!

Everyone should pass on this life-saving method, everyone! This is also a good deed!

DOING GOOD IN THE WORLD

by PDG Rudy Bediones

The mother of a Rotary Past President from another club died last week. The sister of this Past President is in Canada and wishes to come to Manila to be at the wake of her mom. However, she cannot come home per IATF rules as she had already acquired Canadian citizenship and was not able to avail of dual citizenship.

Last Friday, October 23, 2020, I called up Rtn. Jed Dayang and asked him if there is any way he can help the sister come to Manila. I knew it was a difficult request considering that we were headed towards the weekend.

Yesterday, October 25, 2020, I got a text message saying that the sister is now on her way to Manila.

Thank you Rtn. Jed. You are a miracle worker. It is difficult to put to words the joy you brought to their family...a family you don't even know.

They are immensely grateful for your valuable assistance.

God bless you Rtn. Jed.
