PRESIDENT'S CORNER

Dear Colleagues in RCM,

Welcome to another RCM weekly meeting.

I would like to congratulate everyone who took part in the successful meeting held last January 7, 2020 which was led and organized by Programs Committee Chairman IPVP Hermie Esguerra. The event garnered attendees not just within the RCM community; other Rotarians and Rotaractors all over the country attended as well. About 274 individuals joined the meeting, and in my 21 years in the Rotary, this was the biggest regular meeting I have ever witnessed. I am proud that it happened during my leadership.

We are grateful to our guest of honor and speaker last week, Governor Ben Diokno of the Bangko Sentral ng Pilipinas, who is also our past RCM Vice President, for taking the time to speak with us and share his valuable insights and fearless financial forecast for 2021 amid a global pandemic.

The remarkable attendance inspired us to invite more Rotarians around the country to witness our activities and meetings through Zoom. We will also continue to hold joint meetings with other Rotary clubs.

This week is a hectic week with multiple meetings as we also prepare for this week's fellowship on Saturday. We have invited Executive Officers, Star Rotarians and Governors to meet over lunch at the Heritage Hotel. Wines will be served with delicious Singaporean and Malaysian specialties. Our Director, Farid Shouchair, who is also the Country Manager of Heritage Hotel, is assisting me in organizing the event.

We are currently evaluating another major project called Branding through Marketing Techniques and Strategies. The goal of this project is to improve the image of RCM, increase and sustain its membership and create more collaborations with other Rotary clubs worldwide. Yesterday, we began assessing this project and estimated it to cost 2.7 million pesos. Since this amount is huge for the club to undertake, we will suggest to District Governor Odie Tariella to take the project to a larger scale to include 116 Clubs, including RCM, and to seek sponsorship. To determine the feasibility of this project, this will undergo a Board and Audit review. If there are any suggestions from the readers, please contact us.

I would like to thank our good friend and Assistant Treasurer Marcus Dee, who started the project with Carla Cabrera, Charter President of Rotary Club of Makati Lumina and Derrick Daye, Managing Director of Blake Project, based in LA. We had them two weeks ago as our guest presenters and their presentation was interesting.

The economy is starting to move, and more positive things are in sight. So never give up, appreciate what you have and continue to share your blessings.

PRESIDENT'S CORNER

We continue to encourage everyone to extend a helping hand to the poor despite the financial difficulties. If we put all our efforts together in helping those in need, it would amount to something substantial in improving their lives. The economy is starting to move, and more positive things are in sight. So never give up, appreciate what you have and continue to share your blessings.

As there is a current demand for change and interrupters, it is time that corporations and organizations such as ours, review and reap from the benefits of what we can learn and practice for us to lead and advance since we started this

organization 102 years ago. We can leap forward to a new era.

Mabuhay ang Rotary Club of Manila!
Mabuhay tayong lahat!

Your Servant President,

ROTARIAN OF THE WEEK

Director Hans Palacios: Rising Above the Global Pandemic

by Rhea Vitto Tabora

While the coronavirus pandemic has crippled many businesses and affected countless individuals across the globe, Dir. Hans Palacios is among those who rise above the challenges. No, it was not because he's running Holy App/East 2010 Ventures, a corporation that manages a retail chain of generic pharmacies in Southern Negros. It is more because through his business, he is able to bring more affordable medicine closer to people especially during this pandemic.

From someone who used to live an unhealthy lifestyle and completely dependent on medicinal drugs, he did a complete turnaround to become an exemplar of a healthy life gained, lived, promoted, and shared. He became a strong natural health advocate and involved himself deeply in important movements including the anti-GMO lobby group in the Philippines. He co-hosted TV and radio shows about nutrition, healthy living, and other health topics.

Get to know Dir. Palacios better as he shares some tips in surviving the new norm, his love for travel, and his interests and hobbies.

Rhea Vitto Tabora (RVT): When did you join the Rotary Club of Manila and what inspired you to join?

HP: I was inducted in April 2018. I was invited and supported by Jackie Rodriguez and Raffy Alunan. My late father was a member of the club in the 80s and 90s. That was enough inspiration for me to join.

RVT: How has Rotary changed your outlook in life?

HP: Rotary showed me the significance of the words in the song "It's a small world after all".

“Rotary showed me the significance of the words in the song 'It's a small world after all'.”

ROTARIAN OF THE WEEK

Director Hans Palacios: Rising Above the Global Pandemic

RVT: As Chairman of Holy App Ventures, what is your typical day at work like?

HP: At the moment, my work is 80% conducted through the internet. Holy App/East 2010 Ventures is fairly straightforward to run. What makes it challenging is how the people working for you respect their work.

RVT: What are you most proud of regarding the company?

HP: What I'm most proud of is that we help people get better access to quality affordable medicines, especially during this global pandemic. And, how our people stepped up to serve the needs of the public in Southern Negros.

We have the franchise for The Generics Pharmacy in the 5th and 6th Districts of Negros Occidental. TGP was the first client of our Advertising Agency B&W Omnimedia, Inc in 2008.

RVT: What would you say has been your greatest accomplishment in life?

HP: I'd like to think that my greatest achievement in life is to improve the status of my health. Back in 2004, I was overweight and was taking major painkillers like Arcoxia. I turned to the alternative approach with the help of friends like Cory Quirino and recovered my health. I was co-host for a year in her DZMM Tele/Radyo Sunday Show, where I met up with Doc John Cenica. I've been pharma free since 2004 and don't suffer from migraine headaches since. I am also involved heavily with some very important movements like the "ANTI GMO" lobby here in the Philippines.

RVT: What are your interests and hobbies? What do you do when you are not at work?

HP: I am really interested in doing more traveling, especially in Europe. Before the pandemic, we tried to travel at least two to three times a year over the last decade. I have also been trying to finalize our retirement home in Antipolo. I am interested in picking up golf again. I had to give it up 20 years ago because I was active in helping my son with his baseball. When I'm not at work, I'm basically a homebody.

ROTARIAN OF THE WEEK

Director Hans Palacios: Rising Above the Global Pandemic

RVT: What's the most important thing that people should know about you?

HP: Most important thing? I am a big Yankees Fan, next to my being very devoted to my family.

RVT: What's one positive thing you've learned during this pandemic?

HP: What I've learned during this pandemic is that one shouldn't be a blind follower to the "supposed experts" who really don't have the real answers.

RVT: What tips can you share in surviving the 'new norm'?

HP: Keep away from watching the news and eat healthy.

RVT: What are you looking forward to in the coming months?

HP: I am looking forward to doing more travel even if it's just domestic. I am looking forward to going back to visit Negros again.

Tower Awards Committee Holds Meeting

The Tower Awards Committee for RY 2020-2021 held a second meeting last January 11, 2021 via Zoom virtual platform with the People Management Association of the Philippines (PMAP) to discuss the awards criteria, screening board, launching, awarding date, board of judges and budget. Present during the meeting were PMAP President Louisa Mila Echevarria, Executive Director Rene Gener, Program Coordinator Kat Geronimo, RCM Tower Awards Chairman PP Susing Pineda (President, RCManila Foundation), Co-Chairman IPVP Hermie Esguerra (Chairman, RCManila Foundation), PP Teddy Ocampo, BLA Amading Valdez and ES Anna Kun Toledo. The Tower Awards is a cooperative endeavor between the Rotary Club of Manila and the PMAP. It was first conceived in RY 1975-1976 during the term of President Teofilo "Fil" Reyes with then, Club Secretary Alberto "Bert" Romulo as Project Chairman and this was undertaken jointly with the Ministry of Labor, now, Department of Labor and Employment. The project was suspended from 1986-1996, but, was revived in 1996 in response to the call to revitalize excellence and productivity in the workplace and energize collective skills of our workers for global competition. Thereafter, an intermittent launch was held accordingly. To date, there are more than two hundred (200) Tower Awardees who have been recognized. The main objective of the Tower Awards is to recognize the contribution to economic development of the legions of skilled workers who constitute the backbone of the country's industrial capacity. Today, the 2021 edition of the Tower Awards is launched.

An Invitation to Join the Roster of Paul Harries Fellows

July 14, 2020

Dear Fellow Rotarians,

An Opportunity has now opened doors for our club to be a 100% Paul Harris Club. With only US\$ 500.00 as a beginning contribution, you can now become a Paul Harris Fellow.

We have members who have risen to donor levels that have earned them significant point values. Our fellow members led by IPP Jackie Rodriguez, PDG Alex Cureg, IPVP Hermie Esguerra, PDG Rudy Bediones and PDG Obet Pagdanganan have indicated their willingness to share the points they have earned to allow Rotarians to be enrolled in the Roster of Paul Harris Fellows for only an initial contribution of US\$ 500.00 instead of the regular US\$ 1,000.00.

Contributions can easily be made by enrolling in www.rotary.org using your R.I. Identification Number. Once enrolled, you are allowed to learn Rotary, increase your circle of friendship and contribute conveniently using the website.

We, Rotarians, belong to a global family of service-oriented people who believe that our congregation is a means to share our blessings to the less fortunate communities globally. The Rotary Foundation is the funding arm of global humanitarian undertakings of Rotary International. It was formally named in 1917 and the first trustees were appointed after Rotary International President Arch Klumph proposed for the establishment of an endowment for the purpose of doing good in the world. The first grant of US\$ 500 benefitted the International Society for Crippled Children (Easter Seals). History marks the milestone projects of The Rotary Foundation such a scholarship for international graduate study, the elimination

of Polio worldwide, the initiation of a World Peace Forum, among others. Under the Rotary's 7 Areas of Service Focus, namely, Peace and Conflict Prevention/Resolution, Disease Prevention and Treatment, Water and Sanitation, Maternal and Child Health, Basic Education and Literacy, Economic and Community Development and lastly, Supporting the Environment, Rotary International and The Rotary Foundation have made themselves relevant to developing communities globally.

All these services would not have been made possible if not for the generosity of Rotarians, who voluntarily enlisted themselves to become members of The Rotary Foundation through a minimal contribution of US\$ 1,000.00.

We are currently working on a Global Grants for COVID-19 and other community-related projects. Your contribution will significantly improve the community living of our target beneficiaries.

For any assistance, please feel free to contact me.

Yours in the service of Rotary,

Back to Growth Path in Q1

'Back to growth path in Q1'

Lawrence Agcaoili (The Philippine Star ⓘ) - January 8, 2021 - 12:00am

MANILA, Philippines — The economy may reverse the pandemic-induced recession as early as the first quarter followed by a stronger expansion over the next few quarters, according to the Bangko Sentral ng Pilipinas (BSP).

During a virtual meeting, BSP Governor Benjamin Diokno told members of the Rotary Club of Manila that the country may finally post a GDP growth this quarter after four straight quarters of contraction last year.

"I think the fourth quarter performance will continue to be slightly negative. But the first quarter of this year will be positive and then the second quarter will be a huge increase because of the base effect. Remember, the worst happened during the second quarter of last year," Diokno said.

The country slipped into a recession as the economy contracted by 10 percent from January to September 2020 amid the pandemic.

The slowdown eased to 11.5 percent in the third quarter from a record 16.9 percent in the second quarter as the economy partially reopened with the National Capital Region (NCR) shifting to general community quarantine in June 2020.

Diokno said the economy would continue to grow in the third and fourth quarters. "The third quarter will continue to grow. And I am sure because of the pent-up demand, people will celebrate Christmas in the fourth quarter in a big way," the BSP chief said.

Diokno said the inter-agency Development Budget Coordination Committee (DBCC) has penciled a GDP growth of 6.5 to 7.5 percent this year and eight to 10 percent next year after contracting by 8.5 to 9.5 percent in 2020 due to the impact of the COVID-19 pandemic.

Diokno also said the BSP unleashed P2 trillion or 10 percent of GDP through various liquidity-enhancing measures to cushion the impact of the pandemic on the economy.

"BSP's policy measures complement the government's expansionary fiscal policy stance to boost demand and limit the adverse effects of the COVID-19 pandemic," he said.

The Foundation earned the recognition for adhering to sector best practices and executing its mission in a financially efficient way, demonstrating both strong financial health and commitment to accountability and transparency. Only one percent of the organizations Charity Navigator evaluates have received 13 consecutive 4-star evaluations.

"Your achievement and 4-star rating will enhance your organization's fundraising and public relations efforts," says Michael Thatcher, president and chief executive officer of Charity Navigator. "This exceptional designation sets the Foundation apart from its peers and demonstrates to the public its trustworthiness."

The rating reflects Charity Navigator's assessment of how the Foundation uses donations, sustains its programs and services, and practices good governance and openness.
