GUEST SPEAKER

MS. ANNA MELOTO-WILK

Co-Founder and President, Human Nature
President, Gandang Kalikasan, Inc.

“

My sister Camille, my husband Dylan and I started a social enterprise called Gandang Kalikasan, Inc. in response to the growing need for all natural, organic and Philippine made personal and home care products at prices that can be affordable to a lot of Filipinos. Previously organic and natural products were only available to the wealthy because most of them were very expensive and most often imported. Realizing that the Philippines is so rich in natural healing plants and herbs and drawing on our experience as Gawad Kalinga volunteers, we set out to start a business that could open up a market for high value, natural personal care products that use locally sourced raw materials and help uplift the quality of life of the poor -- urban dwellers considered “unemployable” by most companies, and rural farmers who are do not earn enough from low value cash crops.

We also wanted to see how sustainable and eco-friendly business practices, fair trade and pro-poor policies can be applied in our country where corruption is prevalent and acquiring cheap labor is a standard business practice.

In the 11 years since we started, we have sold over 18 million products, employ over 640+ people and we have a network of about 40,000 dealers nationwide. Almost half of our work force is residents from Gawad Kalinga communities who receive 70% more than the minimum wage and full benefits such as private health insurance. We buy organic raw materials at fair trade prices from farming cooperatives over the Philippines. As of January 2020, Human Nature has 34 branches in the Philippines, 640+ employees, as well as distribution in the USA, Canada, Malaysia and Singapore.

We are encouraged with these developments because we see how a social enterprise that is founded on Christian principles of justice, integrity, compassion and stewardship can also be commercially viable. In this business model, everyone from the business owners, the employees, suppliers, distributors, end consumers and even the environment benefit from quality products, quality of life brought about by fair wages and working conditions, and ecologically sustainably business practices.

PRESIDENT'S CORNER

Dear Colleagues in RCM,

During our last Rotary Club meeting, we had three guest speakers led by Ambassador U Lwin Oo, Ambassador of Myanmar to the Philippines, PDSAA Ike Stranathan, Founder and President of Staff Virtual, and Star Rotarian Shigeru Shimoda, President of Marubeni Philippines Corporation. We were delighted with the wealth of knowledge shared to our members. Kudos to RCM, we have opened up doors for all members to get to know their Business Classifications to afford our members to network. In the very near future, we may consider having a B to B Matching appointment meeting. Please let us know if this is favorably appreciated.

We thank IPP Jackie Rodriguez, PD Nick Locsin and PDG Vince Carlos, who are happily promoting the Ambassador's Networking Projects and at the same time, coordinating with all clubs who have achieved over 100 years to join our organization of the Circle of Centennial Rotary Clubs, namely Rotary Club of Shanghai, Rotary Club of Seattle, Rotary Club of Calcutta, Rotary Club of Dublin, Rotary Club of Madrid Internationale, Rotary Club of Minneapolis, Rotary Club of Tokyo and Rotary Club of London. We shall be having Zoom meetings with them to coordinate the different officials of the different clubs.

On January 30, 2021, we are inviting members of the Board of Directors, Past District Governors, Officers, Volunteers, friends, and advisers for a social gathering at 5:00 pm, The Heritage Hotel Manila in Pasay City. We have arranged a face to face meeting with safety protocols. We will be coming up with ideas to raise funds to support our outreach projects. We are also taking this

opportunity to recognize Rotarians who have contributed to the progress of the club. We shall be bestowing, for the second time during my term, the President's Haribon Leadership Award. The recipients are the following, namely, Assistant Treasurer Marcus Dee, DE John Cutter, Treasurer Karlo Castro, Dir. Farid Shoucair, IPP Jackie Rodriguez, DE/VP Thad Liamzon, PVP Fausto Preysler, Jr., PDG Obet Pagdanganan, DG Odie Tarriela, PD Nick Locsin, PP Susing Pineda, ES Anna Toledo and PP Teddy Ocampo.

We would like to thank the Rotary Club of Osaka for donating US \$ 3,000 for Hospicio de San Jose. Let's add to the donation of the Rotary Club of Osaka to help out Hospicio de San Jose. For your donations, please contact ES Anna Toledo.

We would also like to also thank DG Odie Tarriela for personally donating Php 100,000 which has been turned over to DE John Cutter to purchase the needs for the PGH cancer-stricken patients.

We are still lagging behind our contributions to the needy and we are requesting you and your business partners to lend a helping hand. Many are suffering and are in dire need especially during this pandemic time.

PRESIDENT'S CORNER

Last January 23, 2021, I was invited to coach 20 Transformational Presidents of Team A of District 3810 on public speaking. I am glad they appreciated the training because it built confidence and improved their communication skills. It was requested that we conduct several more sessions.

Last January 24, 2021, I was invited to be the Guest of Honor and Speaker on the subject of Leadership in RCM for the Rotaract Club of DLSU Manila during their 22nd Induction and 21st Handover Ceremony, entitled, "Lumiere". This is the youth arm of Rotary International. Thank you Aila Jenya Arellano, President of the Rotaract Club of DLSU Manila and Chloe Say, EVP External of the Rotaract Club of DLSU Manila.

Colleagues in Rotary, you may invite some potential members to join our club as we need younger members to join us. We appeal to Senior Rotarians to mentor Star Rotarians and donate and contribute to The Rotary Foundation. We are also seeking the assistance of the Rotary Club of Bangkok which has a crowdsourcing fundraising program. We are seeking their approval to share with us their software.

May your hearts be full of gladness and compassion as we were meant to save lives. May the Lord God keep you safe and blessed during these challenging times. Wishing you all the best. Have a great day!

Star Rtn. Juan E. "Jed" Dayang, Jr.: Giving His All for the Service of God, Country and People

by Rhea Vitto Tabora

Born an international figure and destined to be a diplomat—this sums up Star Rtn. Dr. Juan E. "Jed" Dayang, Jr.'s professional journey. His early exposure to diplomacy, education outside the country, and travels around the world were all instrumental in shaping his career destiny.

Prior to his current role as OIC of the Department of Foreign Affairs Intelligence and Security Unit, he served as Charge' d' affaires at the Philippine Embassy in Prague, Czech Republic. He also had a stint as political and economic officer and as Consul at the Philippine Embassy in Seoul, Republic of Korea. Fearless and bracing all of life's challenges, he's heading next to a "hardship post", a work no ordinary person could ever volunteer for.

Get to know more about Star Rtn. Jed Dayang as he shares his experiences working in an environment with a new culture and language, the challenges he faced as a diplomat, and his great achievements.

Rhea Vitto Tabora (RVT): Was it your plan to become a diplomat early in your life?

Juan E. "Jed" Dayang, Jr. (JED): At a young age, I got interested to work internationally. When I was in college, my father sent me to Europe during summer breaks and introduced me to his friends, Ambassador Edmund Libid and Ambassador Nelson Laviña in London and Vienna, respectively, and I got to meet former Secretary Domingo Siazon, Jr. who was then Director-General of the United Nations Industrial Development Organization in Vienna. I had my first exposure to diplomacy and got interested in doing international work.

RVT: How did you prepare for an international relations career and life as a diplomat?

JED: The early exposure to international travel to Asia, North and South Americas and Europe with my father, Johnny Dayang, a journalist, was crucial in my formation. He made sure that I travel with a purpose of learning. In my early 20s, I got a scholarship grant to do my MBA at the Graduate Institute of Peace Studies, Kyung Hee University. I was the first foreigner elected to be the Student Council President and I organized the International Model United Nations with US and Japanese delegates. I also attended the UN50 youth conference in San Francisco in 1995. My exposure to international leaders was when I did my internship at the Forum of Democratic Leaders in the Asia-Pacific based in Seoul led by Nobel Laureate Kim Dae-jung. I was an active youth leader in the mid 90s. I organized the Youth Forum on APEC in 1996 and we had President Fidel V. Ramos as our guest of honor and speaker. Apart from youth activism, I was a young academic and was a research fellow at the Yuchengco Center for East Asia and an Assistant Professorial Lecturer of International Business at De La Salle University. I also took foreign languages and further developed my leadership and communication skills through the Bayanihan Toastmasters Club, where I served as President.

RVT: How would you describe your experience working in an environment with a new culture and language?

JED: I have always been open to new cultures and languages. In my college days, I already took German, Spanish, and French languages. Knowing the language of a foreign country opens a window to their culture. It could be tough not knowing the language. I had a hard time with Korean and Czech languages but thankfully, I learned the language and culture which made my experience more meaningful. My tip is to read history books and current events of your host country, visit various places during weekends, and joining local clubs. In Korea, I was an active member of the South River Toastmasters Club, Hiking Club, and the Young Diplomats Happy Hour. In Australia, as a Doctoral Student at the Australian National University, I joined the Uni Toastmasters Club, the Spanish Speaking Club, the Catholic Group, and the Philippine Study Group where I made many friends.

RVT: What do you consider as your outstanding achievements as a diplomat?

JED: I could cite some achievements: First, successfully negotiating for a legal pathway for OFWs to work in the Czech Republic through ethical recruitment as well as forging Defense and Economic Cooperation agreements under my watch as Charge d'affaires. Second, advocating Financial Literacy workshops for OFWs in Korea, and retracing the steps of Jose Rizal in the Czech Republic by having a Rizal Trail in Litomerice, Prague, and Brno.

I also promoted the Santo Nino de Cebu in the Czech Republic and Poland which can connect us through our faith with the Czech and Polish people

RVT: What were some challenges you faced as a diplomat in South Korea and Czech Republic, and how did you overcome them?

JED: On my first posting to Seoul, Korea, I was tasked to take care of the presidential visit of Gloria Macapagal Arroyo to Korea during the APEC Summit in Busan, Korea. Despite the challenges of working remotely from the Philippine Embassy in Seoul, I led a team to take care of all arrangements for the visit. I was also able to arrange an honorary doctorate in a university for the President. Same case in the Czech Republic where I was acting Head of Mission for 2 ½ years. Despite my rank, I was able to successfully lead the Embassy and facilitated bilateral cooperation in defense and trade. I applied management techniques and work cooperatively with everybody making sure we also enjoy doing our work.

RVT: What's the most bizarre situation you have encountered while performing your duty?

JED: There was a cult leader who fled the Czech Republic and spent nine years in hiding in the Philippines. He was the subject of an international manhunt in connection with the rape of over 300 women. He was eventually arrested in 2015 in Siargao yet there were petitions from the Czech Republic requesting political asylum in the Philippines.

Conferment of Doctor of Diplomacy at the Australian National University in Canberra in 2012 as an Australian Leadership Award full scholarship grantee.

ROTARIAN OF THE WEEK

Star Rtn. Juan E. "Jed" Dayang, Jr.: Giving His All for the Service of God, Country and People

RVT: How did you adjust managing the functions of Intelligence and Security Unit during the COVID-19 pandemic?

JED: All of us have to adjust with the "new normal" without hampering our services. First, I had to adjust to working remotely using online platforms. I was able to transition all diplomatic clearances via online processing. My office is also in charge of Emergency and Response and we had to do contract tracing and coordination with LGU Health Officers for employees infected by COVID-19. In terms of security, we practiced social distancing and made sure DFA employees and guests are following protocols. Overall, we became even more productive during the pandemic.

RVT: If you could give one piece of advice to a potential diplomat, what would it be?

JED: Be the best representative of your country by giving your all for the service of God, country and people.

RVT: How has Rotary Club of Manila changed your life since you joined the Club last year?

JED: RCM has broadened my conception, knowledge and understanding of various professions and human conditions. I adhered to Rotary's 4-way test and "service above self" as moral code as a diplomat. I am happy and proud to be part of a distinguished gentlemen whom I consider as my brothers.

With ISU Team members and US Secret Service during the visit of US NSA Robert O'Brien in the DFA in November 2020.

As Philippine delegate in a Multilateral Meeting in Seoul, Korea

RVT: If you will be assigned to overseas embassies or consulates again, which country would you most like to work in and why?

JED: I volunteered to work in a "hardship post". On 25 January, I received my assignment order from Secretary Teodoro Locsin, Jr. assigning me as Charge d'affaires, en pied to the Philippine Embassy in Tripoli to ensure the welfare of Filipinos living there despite the precarious peace and order situation in Libya. After two years, I can transfer to another post.

RVT: What are your interests and hobbies? What do you do when you are not at work?

JED: I like taking long walks either in the city or in the countryside. I like exploring new worlds through travel, arts and culture. I also like architecture and knowing the history of things. I enjoy swimming and cycling in my spare time.

An Invitation to Join the Roster of Paul Harries Fellows

July 14, 2020

Dear Fellow Rotarians,

An Opportunity has now opened doors for our club to be a 100% Paul Harris Club. With only US\$ 500.00 as a beginning contribution, you can now become a Paul Harris Fellow.

We have members who have risen to donor levels that have earned them significant point values. Our fellow members led by IPP Jackie Rodriguez, PDG Alex Cureg, IPVP Hermie Esguerra, PDG Rudy Bediones and PDG Obet Pagdanganan have indicated their willingness to share the points they have earned to allow Rotarians to be enrolled in the Roster of Paul Harris Fellows for only an initial contribution of US\$ 500.00 instead of the regular US\$ 1,000.00.

Contributions can easily be made by enrolling in www.rotary.org using your R.I. Identification Number. Once enrolled, you are allowed to learn Rotary, increase your circle of friendship and contribute conveniently using the website.

We, Rotarians, belong to a global family of service-oriented people who believe that our congregation is a means to share our blessings to the less fortunate communities globally. The Rotary Foundation is the funding arm of global humanitarian undertakings of Rotary International. It was formally named in 1917 and the first trustees were appointed after Rotary International President Arch Klumph proposed for the establishment of an endowment for the purpose of doing good in the world. The first grant of US\$ 500 benefitted the International Society for Crippled Children (Easter Seals). History marks the milestone projects of The Rotary Foundation such a scholarship for international graduate study, the elimination

of Polio worldwide, the initiation of a World Peace Forum, among others. Under the Rotary's 7 Areas of Service Focus, namely, Peace and Conflict Prevention/Resolution, Disease Prevention and Treatment, Water and Sanitation, Maternal and Child Health, Basic Education and Literacy, Economic and Community Development and lastly, Supporting the Environment, Rotary International and The Rotary Foundation have made themselves relevant to developing communities globally.

All these services would not have been made possible if not for the generosity of Rotarians, who voluntarily enlisted themselves to become members of The Rotary Foundation through a minimal contribution of US\$ 1,000.00.

We are currently working on a Global Grants for COVID-19 and other community-related projects. Your contribution will significantly improve the community living of our target beneficiaries.

For any assistance, please feel free to contact me.

Yours in the service of Rotary,

Top 10 Ways to be a Peacebuilder in the New Year

Top 10 ways to be a peacebuilder in the new year

Posted on December 28, 2020

A peace mural in Ciudad Juárez, Chihuahua, Mexico. The mural is part of a project initiated in 2017 by Yesenia Uribe Rochel, of the Rotary and Rotaract Clubs of Juárez Emprende, which she helped to found in 2019. The project is designed to promote leadership, open minds, and develop resiliency in the community.

By Fergal McCarthy, Peace Programs Manager

Many people use the end of one year to reflect on things they would like to accomplish in the coming year. What better resolution than to sow the seeds of peace in 2021?

Peace underscores much of the work that Rotary members do in improving their communities around the world. Rotary's peacebuilding initiatives seek to create environments where lasting peace is possible. We do this by continually investing in sustainable and measurable peace programs throughout our communities and across the globe; by creating an extensive network of peacebuilders and community leaders dedicated to peace and conflict prevention; and by providing Rotarians with several avenues in which they can actively participate in peacebuilding processes within their communities.

We believe that if Rotarians and concerned citizens mobilize locally to create peace, change can happen globally. Here are 10 ways you can be an everyday peacebuilder. ([Check out an expanded list here](#)).

1. Enroll in the [Rotary Positive Peace Academy](#).
2. Read the [Positive Peace club presentation](#) and [facilitator's guide](#) and share the presentation with your club
3. Help [recruit and endorse worthy candidates](#) for the Rotary Peace Fellowship

Rotary Learning

When you join a Rotary club, your potential to make a difference in the world grows exponentially. That's because you're joining a network of over 1.2 million people who take action — volunteers from all over the world who share a goal of improving others' quality of life. In fact, the top two reasons people join Rotary are to connect with and give back to their communities. These are the same reasons members stay in Rotary year after year. But simply joining isn't going to change lives or make those connections. That happens when you get involved. You'll shape your own experience and decide how to get the most out of your membership.

Membership in a Rotary club offers you opportunities to connect with other professionals who aren't afraid to lead and are dedicated to making a difference. Spending time with your fellow club members — whether to attend a meeting, plan a project, exchange ideas, or just have fun — can lead to lifelong friendships. When you get involved and make connections, you will inevitably grow as a person and develop new skills.
