PRESIDENT'S CORNER

Dear Colleagues in RCM,

As we work in harmony and partnership, let us all share the burden, divide the tasks and work together as we promote our club, the Rotary Club of Manila. This collaborative work emanates from the Board of Directors, Advisers, Officials of Committees, and our Members. We faced some challenges and difficulties that galvanized us through friendship and respect for one another to succeed and become stronger.

*With prayer and commitment,
RCM will continue reaching
greater heights while inculcating
the Four (4) Way Test.*

Our weekly meetings are getting interesting and educational as we are encouraging new members to share their business expertise and serve as coach/mentor. As an update, Balita is shared to all districts in the country and, especially, to our District 3810 where we are among the 116 Rotary Clubs.

Last Saturday, January 30, 2021, we had around twenty-three (23) members present during our cocktail, dinner and awards night. Our Star Rtn. Martin Romualdez, Businessman and Past Deputy Speaker of the House of Representatives and presently, Majority Floor Leader of the House of Representatives, volunteered to support the bill filed by Rep. Loren Legarda which is pending with

the Special Committee on Reforestation chaired by Rep. Elias Bulut, Jr., entitled, "HB02183: AN ACT PROVIDING FOR URBAN AND COUNTRYSIDE GREENING IN THE PHILIPPINES THROUGH MANDATORY TREE PLANTING AND ADOPTION OF A FOREST SANCTUARY BY PUBLIC SCHOOLS UNDER THE DEPED" and another version in the Senate with a bill initiated by Senate President Tito Sotto, entitled, "SB1292: AN ACT PROMOTING ENVIRONMENTAL CONSCIOUSNESS AND CIVIC ENGAGEMENT IN ORDER TO INCREASE SOCIAL RESPONSIBILITY AMONG THE YOUTH, APPROPRIATING FUNDS THEREOF AND FOR OTHER PURPOSES". This project is an RCM project INITIATED by IPP Jackie Rodriguez in RY 2019-2020. House Majority Floor Leader Martin Romualdez will try to reconcile the two versions in the Bicameral Conference Committee for approval by June 2021. We thank, in advance, Star Rtn. Martin Romualdez for taking the cudgels for RCM to make this turn into a law. Saturday was another blessing as those present promised to increase membership and secure more donations for outreach projects.

PDG Vince Carlos and PDG Rudy Bediones volunteered to help convince nearly seventy (70) members to donate US \$ 1,000 each for Rotary International to become a Paul Harris Fellow until June of this year. This donation is a responsibility of each and every member of the club. This can be paid in installments of US \$ 100 per month for ten (10) months. This program will redound to us for other projects that we have when we get grants from Rotary International. Sometimes, our US \$ 1,000 dollars is returned to us in three-folds or more. Thank you so much PDG Vince and PDG Rudy for your initiatives.

PRESIDENT'S CORNER

PD Nick Locsin invited three Japanese RCM members for a meeting at Ralph's Pasay Road last February 1, 2021 to see how they can influence some members of the Japanese community to join RCM.

We urge our members to be more active and solicit new members. We plan to have two social events this February – one will be hosted by IPP Jackie Rodriguez at Manila Elks Club and the second one, I will be hosting at The Heritage Hotel Manila in the third week of February. We will finalize as soon as possible!

If you have noticed our weekly meetings, members, and guests are rising in attendance. We thank the team of Programs Committee Chairman IPVP Hermie Esguerra and the Star Rotarians who shared their classification talks. This new style is impressive. Members are appreciative and networking among the members are encouraging. Thanks to ASAG/DE/Dir. Albert Alday and his team for the weekly interview feature among the members of the club in the Balita. I believe we could be the best weekly print media of Rotary in the country.

Maraming Salamat!

Your Servant President,

An Invitation to Join the Roster of Paul Harries Fellows

July 14, 2020

Dear Fellow Rotarians,

An Opportunity has now opened doors for our club to be a 100% Paul Harris Club. With only US\$ 500.00 as a beginning contribution, you can now become a Paul Harris Fellow.

We have members who have risen to donor levels that have earned them significant point values. Our fellow members led by IPP Jackie Rodriguez, PDG Alex Cureg, IPVP Hermie Esguerra, PDG Rudy Bediones and PDG Obet Pagdanganan have indicated their willingness to share the points they have earned to allow Rotarians to be enrolled in the Roster of Paul Harris Fellows for only an initial contribution of US\$ 500.00 instead of the regular US\$ 1,000.00.

Contributions can easily be made by enrolling in www.rotary.org using your R.I. Identification Number. Once enrolled, you are allowed to learn Rotary, increase your circle of friendship and contribute conveniently using the website.

We, Rotarians, belong to a global family of service-oriented people who believe that our congregation is a means to share our blessings to the less fortunate communities globally. The Rotary Foundation is the funding arm of global humanitarian undertakings of Rotary International. It was formally named in 1917 and the first trustees were appointed after Rotary International President Arch Klumph proposed for the establishment of an endowment for the purpose of doing good in the world. The first grant of US\$ 500 benefitted the International Society for Crippled Children (Easter Seals). History marks the milestone projects of The Rotary Foundation such a scholarship for international graduate study, the elimination

of Polio worldwide, the initiation of a World Peace Forum, among others. Under the Rotary's 7 Areas of Service Focus, namely, Peace and Conflict Prevention/Resolution, Disease Prevention and Treatment, Water and Sanitation, Maternal and Child Health, Basic Education and Literacy, Economic and Community Development and lastly, Supporting the Environment, Rotary International and The Rotary Foundation have made themselves relevant to developing communities globally.

All these services would not have been made possible if not for the generosity of Rotarians, who voluntarily enlisted themselves to become members of The Rotary Foundation through a minimal contribution of US\$ 1,000.00.

We are currently working on a Global Grants for COVID-19 and other community-related projects. Your contribution will significantly improve the community living of our target beneficiaries.

For any assistance, please feel free to contact me.

Yours in the service of Rotary,

ROMEO THADDEUS LIAMZON

ROTARIAN OF THE WEEK

Rtn. John Nico P. Valencia: A Born Leader with a Generous Heart

by Rhea Vitto Tabora

Rtn. John Nico P. Valencia's stint as Chief of Staff of his father, then Congressman Rodolfo G. Valencia, for over a decade and his rich experience in various companies engaged in real estate development and marketing within the RGV Group, helped him prepare for where he is now—serving as President of Westchester Realty Corporation and CEO of Valencia Estates Holdings Development, Inc.

Despite his success, he keeps his feet on the ground. A kindhearted *probinsyano* since his younger days, he continues to help his less fortunate *kababayans* in Oriental Mindoro, particularly the Mangyans who are all close to his heart.

Get to know more about Rtn. Nico Valencia, one of the youngest members of Rotary Club of Manila, as he shares his thoughts on being a Rotarian, his passion and hobbies, as well as a glimpse of his childhood in Oriental Mindoro.

Rhea Vitto Tabora (RVT): Can you describe your younger self and how your parents helped shape you? How did they influence you?

John Nico P. Valencia (NPV): I was raised by loving and God-fearing parents and grew up possessing strong values in life which have become instrumental in paving the road to my success. My parents, although they can provide all my needs, never forgot to teach me the importance of faith in God, love, respect, discipline, integrity, and determination. I was able to discover my potentials while walking on the path of goodness.

RVT: What motivates you to do what you do now? What are you most excited or passionate about?

NPV: I was blessed with the woman who captured my heart 10 years ago, my wife Zyrene. She motivates me to continue carving a good future not just for our humble family but for the Filipino families whom I can serve as a real estate developer.

My passion is to build high-quality, inexpensive, and secured homes that most Filipino families can afford. I believe that this passion could help others carve their beautiful and brighter future too in a place where they could assemble their dreams from—their own home.

ROTARIAN OF THE WEEK

Rtn. John Nico P. Valencia: A Born Leader with a Generous Heart

RVT: If you weren't in real estate development, what would you be doing instead?

NPV: I see myself as a loving husband to Zyrene, free-spirited, dedicated, motivated, disciplined, focused, and faithful in anything that I want to do. These attributes are something that my parents taught me. Have I not become a real estate developer, I believe I would be in fields which are in need of such attributes, such as being a pilot, and maybe a professional scuba diver because of my love for God's creation and my being a travel enthusiast.

I was born in Oriental Mindoro where I became fond of hiking and diving. I am proud of nature's gifts in my home province, and I even encourage my friends to visit places like Puerto Galera, Mt. Halcon, Naujan Lake, as well as the rice fields and agricultural farms.

RVT: What accomplishments are you most proud of?

NPV: Without regrets, knowing that God had put me in a career where I truly belong—in the real estate industry where I can serve millions of my countrymen—I am proud of what I had become and my accomplishments in my chosen career path.

In particular, I am proud because our company, Westchester, was awarded the top 8 developer of Pag-IBIG for only a period of six months operation from June to December 2020.

RVT: How do you keep a healthy work/life balance? What do you do when you are not working?

NPV: To keep a healthy work/life balance, I do healthy activities that will benefit my mind and body. I work out regularly, eat healthy foods, and do some hobbies like hiking, scuba diving, biking, swimming, and playing badminton and golf.

I also love to spend time with my wife Zyrene and just stay home, especially during this pandemic. We read the bible together, reflect every morning, and watch online movies for some relaxation and bonding.

ROTARIAN OF THE WEEK

Rtn. John Nico P. Valencia: A Born Leader with a Generous Heart

RVT: For you, what is it like to be a Rotarian? How has Rotary changed your outlook in life?

NPV: Being a Rotarian allows me to build relationship with different people from different walks of life and have the chance to exude generosity by helping people in need. My generosity led me to serve more people by working for the government for more than a decade. I discovered different ways of helping less fortunate Filipino families like the Mangyan tribes in Mindoro. My wife and I provide them with homes, education, and health services.

“

I look forward to continuing what I've started and help as many people as possible. With my faith in God, loving and supportive wife who never stops guiding me, I will continue to endeavor for further success while minding the people with whom I can share my blessings with.

Circle of Centennial Rotary Clubs Holds Meeting

The Circle of Centennial Rotary Clubs (CCRC) held a meeting last January 28, 2021 via Zoom virtual platform. Participating Rotary clubs in the meeting were Rotary Club of Manila, Rotary Club of Calcutta, Rotary Club of Shanghai and the Rotary Club of Madrid. Rotary Club of Manila was represented by President Bobby Joseph, IPP Jackie Rodriguez, PD Nick Locsin and Rtn. Juan Montel. Rotary Club of Madrid was represented by President Pedro Soto.

The Circle of Centennial Rotary Clubs

by IPP Jackie Rodriguez

About two years ago, the Rotary Club of Manila, your club, founded and led the establishment of the Circle of Centennial Rotary Clubs (CCRC). The Ambassador of Goodwill Committee, a unique committee of our club that seeks to extend a hand of friendship to Rotary clubs worldwide, took the lead in the establishment of CCRC. With the great efforts of PD Nick Locsin, PDG Vince Carlos and the undersigned, together with the Rotary Club of Shanghai and the Rotary Club of Calcutta, the worldwide organization was completed with the Rotary Club of Manila taking the leadership as Chair of the Circle of Centennial Rotary Clubs. This organization has now blossomed through managed growth with the entry of the Rotary Club of Washington DC handled by Rtn. Marvin and my son Rtn. Sean Rodriguez and the Rotary Club of Seattle, our mother club, as well as the applications of many more Rotary clubs worldwide such as the Rotary Club of Madrid handled by Rtn. Juan Montel, the Rotary Club of London handled by PD Nick Locsin and Rtn. Saumen Ray of the Rotary Club of Calcutta, the Rotary Club of Minneapolis handled by DE John Michael Cutter, the Rotary Club of Dublin handled by Rtn. Saumen Ray and the Rotary Club of Tokyo handled by PD Nick Locsin.

With a great leadership of the Ambassador of Goodwill Committee led by PDG Vince Carlos and PD Nick Locsin, I expect CCRC to have roughly about seventy (70) members within two (2) years and be a major factor of the Rotary Club of Manila's continued growth and recognition as the world leader in the Rotary movement. Our ambassadors work very hard in pursuing relationships with other clubs and bringing our club to the heights it deserves as the first club in Asia as it continues its unique leadership and dynamic strength in fostering connectivity with the Rotary world.

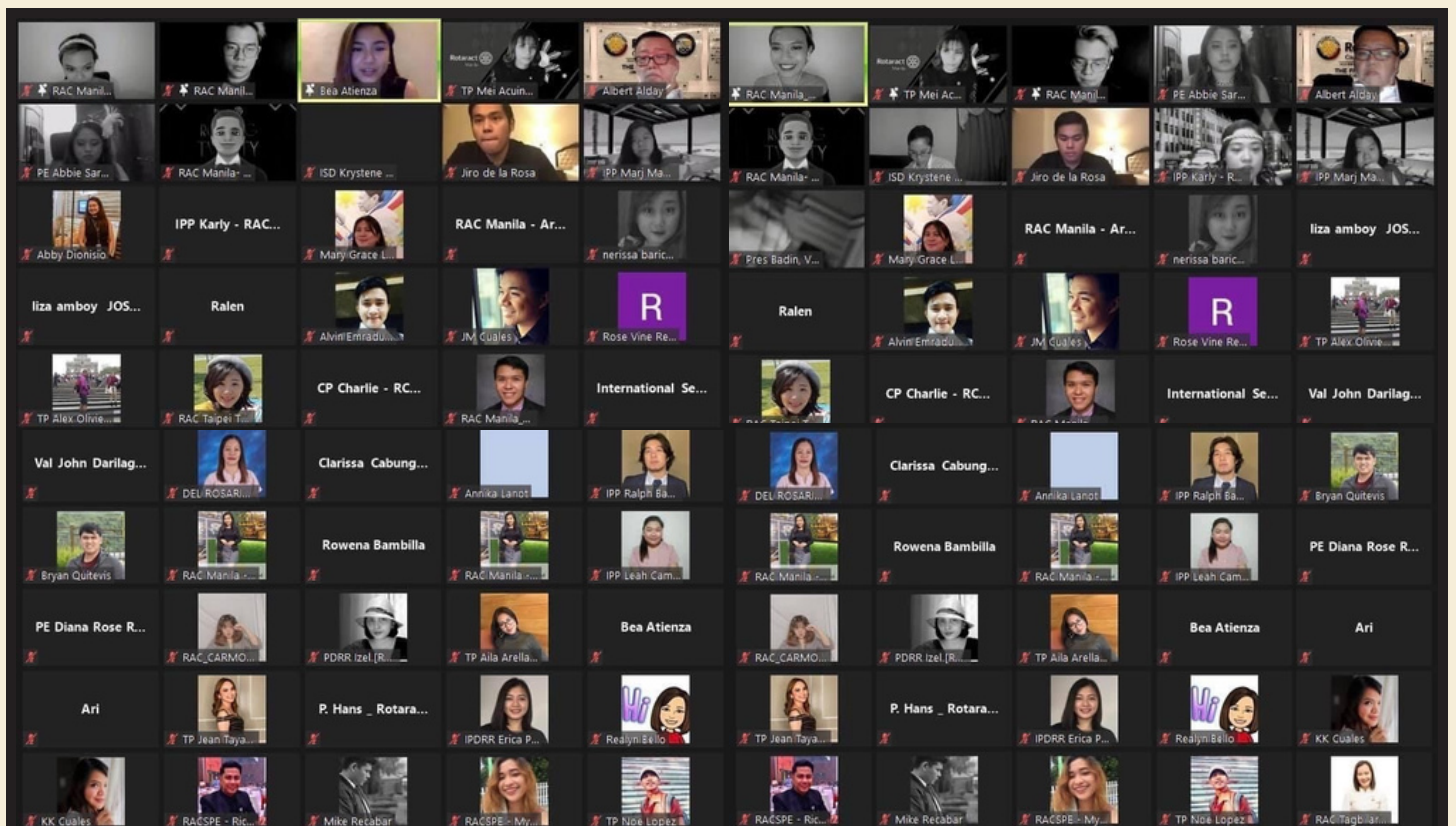

The Rotary Club of Manila Ambassador of Goodwill Committee needs more RCM members to participate and help in its objectives. I urge all of you to find yourself a club you can connect to and thereby join the circle.

RI President-elect announces 2021-22 presidential theme

by Ryan Hyland

Incoming Rotary International President Shekhar Mehta urged members to become more involved in service projects, saying that caring for and serving others is the best way to live because it changes not only other people's lives, but also our own.

Mehta, a member of the Rotary Club of Calcutta-Mahanagar, West Bengal, India, revealed the 2021-22 presidential theme, *Serve to Change Lives*, to incoming district governors on 1 February during the Rotary International Assembly. The assembly, a yearly training event for district governors-elect, was originally set to take place in Orlando, Florida, USA, but was held virtually because of the COVID-19 pandemic.

Mehta spoke about how participating in service projects through Rotary changed him as a person and made him empathize more with the needs of others. Soon after joining his club, he helped carry out projects that benefited rural communities in India.

Some of the poor conditions he saw in those communities strengthened his commitment to service. "I truly understood the plight of my brethren," he said.

Mehta participated in initiatives that brought artificial limbs to children, clean water and sanitation to homes, and better health care facilities to communities.

"Rotary kindled the spark within me to look beyond myself and embrace humanity," he said. "Service became a way of life for me and I, like many others, adopted the guiding philosophy that 'Service is the rent I pay for the space I occupy on this earth, and I want to be a good tenant of this earth.'"

Mehta encouraged district governors-elect to lead by example during their term and inspire Rotary and Rotaract members to participate in projects that have measurable and sustainable impacts. He's asking each club to conduct a Rotary Day of Service.

"At the end of your term as district governor, you should feel that because of your leadership, because of your inspiration to Rotarians and Rotaractors, the world has changed for the better because of the service done by them during the year," he said.

Focusing on diversity, membership

For the 2021-22 Rotary year, Mehta wants members to focus their efforts on empowering girls and ensuring their access to education, resources, services, and opportunities so that future generations of women leaders will have the tools they need to succeed. Mehta asked members to use Rotary's belief that diversity, equity, and inclusion is critical in all we do as a compass to guide this work.

"Rotary kindled the spark within me to look beyond myself and embrace humanity."

"There are many issues that girls face in different parts of the world, and you as leaders will ensure that we try and mitigate the disadvantage of the girl that they may have," he said.

To be able to do more through service, Rotary needs to increase membership, Mehta said. Membership has hovered around 1.2 million for the past two decades. He challenged the incoming governors to be catalysts in their districts to help increase membership to 1.3 million by 1 July 2022. Mehta's Each One, Bring One initiative asks every member to bring one person to join Rotary within the next 17 months.

Increasing membership while also continuing our commitment to eradicating polio, fighting COVID-19, and serving our communities is an ambitious goal. "And that should excite you," Mehta said. "Rotarians love challenges."

QUOTES ON LIFE

by PP Frank Evaristo

- 1.) "If I am going to learn, I must do it by listening. I never learned anything while I was talking. The first rule of my speaking is to listen." – Larry King, TV Host Legend
- 2.) "Let's begin to listen to one another again, hear one another, see one another. Politics doesn't have to be a raging fire destroying everything in its path." – Joseph Robinette Biden, Jr., 46th President of the United States of America
- 3.) "And so, my fellow Americans: ask not what your country can do for you—ask what you can do for your country." – John F Kennedy, 35th President of the United States of America
- 4.) "Do not assume that if you are poor, you cannot be a leader. Just show sincerity, do your work well and your peers will see it and elect you as a leader." – Sen. Manuel B. Villar
- 5.) "The world is changed by your example not by your opinion." – Paulo Coelho
- 6.) "It's because being American is more than a pride we inherit, it's the past we step into and how we repair it. We've seen a force that would shatter our nation rather than share it, would destroy our country if it meant delaying democracy. And this effort very nearly succeeded. But while democracy can be periodically delayed, it can never be permanently defeated." – Amanda Gorman, The Hill We Climb
- 7.) "Education is not a name of any degree or certificate that can be shown to others as a proof. Education is the name of our attitude, actions, language and behavior with others in real life – Barack Hussein Obama, II, 44th President of the United States of America
- 8.) "Be grateful for the ones who love you at your worst."
- 9.) "Life is a mystery, we'll never know where it's going to take us."
- 10.) "The only thing that is constant in this world is change. When change comes, make sure it is for the better."
- 11.) "Patience is when you're supposed to be mad but you choose to understand."
- 12.) "I may forego politics, but never the opportunity to serve." – Sen. Manny Pacquiao
- 13.) "We were all born for a purpose and our life is dependent on our own decisions and actions and anchored through God's plan and purpose." – Rep. Vilma Santos, 6th District, Batangas
- 14.) "Before you judge anyone, make sure you're perfect."
- 15.) "I am a Rotarian and I will make a difference in service to humanity." – Rafael M. Garcia, III, Rotary International Director
