PRESIDENT'S CORNER

Dear Colleagues in RCM,

It is great being in the comfort of my home. I was released a few days ago after being confined for nearly two weeks at the Asian Hospital and Medical Center because of severe CoVid-19. Please be very careful, and should you need to go out, even if you have been vaccinated twice, I highly recommend you use double mask and face shield as well as observe physical distancing at all times. Try to avoid eating out if you can. Take all the necessary precautions. Stay as conservative as possible.

In my case, it is difficult to have fourth (4th) stage cancer and CoVid-19 at the same time! I knew there were no rooms available in the hospital and I had to stay for two days in the Emergency Room. Too many people in different stages of CoVid-19 were coming in and out. It was noisy and when I hollered for assistance from nurses, they would pass by my side and ignore my calls as they were too busy. I cannot blame them as they were short-handed. I found out that their salary is not attractive enough despite the additional Php 5,000 monthly bonus. Many of them have left to work overseas, particularly in the Middle East, London and the United States of America.

When a room became available, I thought I would be comfortable. I was expecting a better way to be taken care of. But no. That did not happen. I had to use the call button and they seldom answered because they were understaffed, overworked and they were too busy to be compassionate.

The sadness and isolation I felt being alone in the hospital for almost two weeks was almost unbearable. It was very difficult being alone in a hospital room. Thinking as to when I will be released really put quite a stress on me. Reading the papers daily and knowing how many were dying gave me the chills.

Prayers and meditation helped me tremendously. Viewing the talks given by Fr. Jim Achacoso of Opus Dei on his daily meditations on YouTube also helped give me peace. Hearing mass daily and praying the rosary comforted me.

I was given intravenous Remdesivir for ten days. They x-rayed my lungs daily and the doctors monitored my heart, blood chemistry, oxygen, sodium, potassium and more. They gave me my usual medications for cancer, but they stopped my cancer target pills for two weeks to focus on CoVid.

According to the doctors, I was very lucky to survive CoVid-19 since I have fourth (4th) stage cancer and my body was responding slowly to the medications. I took many medications. I felt the weakness in me while under treatment. I was not moving as much as I wanted to.

The food at the hospital was nothing great and I had to tell my daughter to send me food from home or order food for me from some restaurants. I also asked her to always add extra so I can share the food with the nurses. When I arrived home, I found out I gained 10 pounds! I ate too much under stress!!!

I thank my Cardiologist, Dr. Jaime Aherera, our Lead Doctor, who happens to be my wife's nephew. My gratitude likewise to my Pulmonologist, Dr. Leni Fernandez, my Infectious Disease Specialist, Dr. Joseph Adrian Buensalido, my Endocrinologist, Dr. Rowena Ejercito-de Jesus, my Oncologist, Dr. Pamela Patdu, my Neurologist, Dr. Vincent Macalintal, and Dr. Gemelyn Garcia. I asked them if they may be invited on Zoom during one of our meetings to raise Coronavirus Awareness, and they agreed.

PRESIDENT'S CORNER

By the way, my wife Ida also got the CoVid-19 virus and was in another room in the hospital. Thankfully, she was released just after four days of confinement as her body immediately responded to the medication. She went home much earlier than me and continued her recovery at home. *Iba na kung bata ang iyong asawa!*

The experience has been traumatic for me and my family. A few months ago, my son tested positive and was able to isolate right away. This time, my daughter tested positive along with my wife and I. Some of our household help likewise tested positive for CoVid-19 and we were just so thankful to God that most were asymptomatic. The good news is that everyone in my household has now fully recovered. Fortunately, we were able to take all precautionary measures early enough to keep my grandchildren safe from this virus.

“

More than anything else, I know that it is my strong faith and prayers that healed me and my family – not just my prayers, but also prayers of relatives and friends who love and care for us dearly. God had answered our prayers. Thank you, Jesus and Mama Mary, for making me and my family survive CoVid-19. It was scary and challenging, but I am healed now. My family is healed now.

”

My fellow Rotarians, thank you so much for all your prayers, compassion and support.

Again, I highly appeal to you, Rotarian colleagues, to be vaccinated as soon as possible, and keep safe.

Your Servant President,

Robert “Bobby” Lim Joseph, Jr.

Know Your Club Constitution, By-Laws and Policies

Q: Is there a prohibition on the circularization of the Rotary Club of Manila Club Roster?

A: The following item in the Code of Policies is authoritative:

"7.2 Prohibition Regarding Circularization of Club Roster

The RCM Club Roster has been printed for the exclusive use of the club's members. Unauthorized circularization of the roster to any person, other than an RCM member, is prohibited and subject to seizure if found in the possession of non-RCM member. The RCM member who directly or indirectly allows or participate in the circularization of the club roster can be appropriately disciplined."

Q: What are the parameters on cooperation of the Rotary Club of Manila with other organizations?

A: The following item in the Code of Policies is authoritative:

"7.3 Cooperation with Other Organizations

Partnerships and alliances are considered to be longer term relationships which may or may not be tied to specific events, with another organization which RCM, may forge subject to Board's approval and periodic review to ensure relevance and propriety of continuing with such relationship.

Sponsorships are considered to be short-term, event-specific relationships with another organization which benefit RCM in image-enhancing, promotional, monetary or other ways. Each sponsorship relationship should terminate with the completion of the sponsored event.

RCM may support and cooperate with other organizations in specific projects and activities provided that:

RCM's autonomy as an independent organization is preserved;

appropriate recognition for RCM is obtained, to the extent that it is STD;

RCM does not accept an ongoing financial obligation to the organization, but provides opportunities for RCM to review and decide upon continuing support of such projects or activities; and

RCM does not become a member of the cooperating organization."

BASIC EDUCATION AND LITERACY

Sinag-Aralan EduAKSYON

JCI Makati and the Rotary Club of Manila will undertake a joint project, entitled, Sinag-Aralan EduAksyon. It aims to produce bamboo libraries powered by solar panels for readers of the chosen communities. The books that these libraries will house are from different genres. These will be available for reading in order to cater to the needs of the community and to widen one's perspective. This project likewise aims to promote healthy reading and research through books as these are already declining in patronage nowadays due to the availability of internet.

STAR Rtn. Lance Tan, 2021 LO President of JCI Makati, together with JCI Makati members, donated two hundred (200) reference books to the Aetas last May 30, 2021 at Barangay Inararo, Porac, Pampanga as part of the joint project of the Rotary Club of Manila and JCI Makati, entitled, "Sinag-Aralan EduAksyon". This donation included snacks and medical supplies.

THE ROTARY FOUNDATION

An Invitation to Join the Roster of Paul Harris Fellows

July 14, 2020

Dear Fellow Rotarians,

An Opportunity has now opened doors for our club to be a 100% Paul Harris Club. With only US\$ 500.00 as a beginning contribution, you can now become a Paul Harris Fellow.

We have members who have risen to donor levels that have earned them significant point values. Our fellow members led by IPP Jackie Rodriguez, PDG Alex Cureg, IPVP Hermie Esguerra, PDG Rudy Bediones and PDG Obet Pagdanganan have indicated their willingness to share the points they have earned to allow Rotarians to be enrolled in the Roster of Paul Harris Fellows for only an initial contribution of US\$ 500.00 instead of the regular US\$ 1,000.00.

Contributions can easily be made by enrolling in www.rotary.org using your R.I. Identification Number. Once enrolled, you are allowed to learn Rotary, increase your circle of friendship and contribute conveniently using the website.

We, Rotarians, belong to a global family of service-oriented people who believe that our congregation is a means to share our blessings to the less fortunate communities globally. The Rotary Foundation is the funding arm of global humanitarian undertakings of Rotary International. It was formally named in 1917 and the first trustees were appointed after Rotary International President Arch Klumph proposed for the establishment of an endowment for the purpose of doing good in the world. The first grant of US\$ 500 benefitted the International Society for Crippled Children (Easter Seals). History marks the milestone projects of The Rotary Foundation such a scholarship for international graduate study, the elimination of

Polio worldwide, the initiation of a World Peace Forum, among others. Under the Rotary's 7 Areas of Service Focus, namely, Peace and Conflict Prevention/Resolution, Disease Prevention and Treatment, Water and Sanitation, Maternal and Child Health, Basic Education and Literacy, Economic and Community Development and lastly, Supporting the Environment, Rotary International and The Rotary Foundation have made themselves relevant to developing communities globally.

All these services would not have been made possible if not for the generosity of Rotarians, who voluntarily enlisted themselves to become members of The Rotary Foundation through a minimal contribution of US\$ 1,000.00.

We are currently working on a Global Grants for COVID-19 and other community-related projects. Your contribution will significantly improve the community living of our target beneficiaries.

For any assistance, please feel free to contact me.

Yours in the service of Rotary,

ROMEO THADDEUS LIAMZON

Rotary Friendship Exchange

Experience different cultures and build international friendships through Rotary Friendship Exchange

What is Friendship Exchange?

Friendship Exchange is an international exchange program for Rotary members and friends that allows participants to take turns hosting one another in their homes and clubs.

Participants may travel as individuals, couples, families, or groups, and may be Rotary members or not.

Benefits of an exchange

- Broaden international understanding
- Explore a profession or job in a different context
- Build enduring friendships
- Establish a foundation for peace and service
- Gain opportunities for active project involvement and support
- Learn about a region's people, food, languages, customs, and history
- Find partners for grants

Choose a destination

Explore our Exchange Finder Map to view current exchange locations and the districts that serve them. Connect with the district's Rotary Friendship Exchange chair for help finding potential international hosts and planning your itinerary.

Define your purpose

Friendship exchanges are organized around at least one of three themes: culture, service, and vocation.

Fund your exchange

All exchanges are paid for by the participants or their districts. Hosts are not expected to assume a significant financial burden. Club or district funds may be available to offset the costs of exchanges that have a vocational emphasis.

QUOTES ON LIFE

by PP Frank Evaristo

- 1.) "The most important thing is to try and inspire people so that they can be great at whatever they want to be." – Kobe Bryant, the late Los Angeles Lakers NBA Superstar
- 2.) "To have many different candidates running against the election will only insure another six years of victory of the same government that has given us. We have to accept that President Duterte is again a very popular president." – Maria Leonor Gerona-Robredo, 14th Vice President of the Republic of the Philippines
- 3.) "The repertory actors and actresses are my children. I am proud of them, tears fell from my eyes when I saw Miss Saigon in London with Lea Salonga. Acting has no age limit, you can still go on stage and still perform." – Baby Barredo, late grand dame of Philippine Theater
- 4.) "The most important decision you have to make in your life is whom you're going to marry, that decision will dictate the rest of your life. Whether you will have a happy life or a miserable one." – John Gokongwei, Jr., Founder of JG Summit Holdings
