PRESIDENT'S CORNER

Greetings Fellow Manila Rotarians!

As of this writing, the CoVid-19 numbers have dramatically dropped today. It is our hope and collective prayer that we are able to see this confounded pandemic finally do a rapid exit.

Last Saturday, quite a number of us were able to virtually join the birthday party of our dear PP Ambassador Toting Del Rosario. This gentleman turned 95 this year. He was joined and greeted by so many of his relatives from all over the globe. The warmth with which they were greeting him was truly manifest of what a truly remarkable man Toting really is.

On behalf of all of us, I was able to extend our warmest birthday greetings towards the end of the program.

Earlier during the week, we had the privilege of paying our last respects to the family of former Manila Rotarian PS Carling Munoz who passed on last week. The good ol' Aleco Adamson Breakfast Group came in full force, headed by PP Archit Bartolome.

While we had the update from Governor Anna Bumagat of District 3860 last meeting with an on the ground situationer regarding our joint efforts on the Super Typhoon Odette Relief Operations Drive, it was touching to see how our fellow Rotarians were working so intensely to alleviate the suffering our Southern brothers are going through.

We were also given a very insightful presentation by the debonaire PD Art Lopez who was our featured Classification Talk Speaker.

Today, we shall have two more of these formidable gentlemen from our own ranks who will share themselves in our Classification Talks.

Last Monday, we had a productive meeting with the TOWER Awards Committee headed by Chairman PP Susing Pineda and team. Together with the PMAP lead team, the spade work for the annual TOWER Awards event is now well on its way.

Chairman DDCC/IPP Bobby Joseph has likewise started the ball rolling for the Tourism Awards.

Earlier today, we also had a mass celebration for our dear Dir. Thad Liamzon, who, we are told, is slowly, but surely getting better everyday. Continued prayers are in order folks!

See you all next week! Stay well and safe everyone! God bless and protect us all!

Humbly yours in Rotary,

FSZ

THE ROTARY FOUNDATION

Appeal for Paul Harris Fellows

July 1, 2021

Dear Fellow Rotarians,

An Opportunity has now opened doors for our club to be a 100% Paul Harris Club. With only US\$ 500.00 as a beginning contribution, you can now become a Paul Harris Fellow.

We have members who have risen to donor levels that have earned them significant point values. Our fellow members led by IPP Jackie Rodriguez, PDG Alex Cureg, PVP Hermie Esguerra, PDG Rudy Bediones and PDG Obet Pagdanganan have indicated their willingness to share the points they have earned to allow Rotarians to be enrolled in the Roster of Paul Harris Fellows for only an initial contribution of US\$ 500.00 instead of the regular US\$ 1,000.00.

Contributions can easily be made by enrolling in www.rotary.org using your R.I. Identification Number. Once enrolled, you are allowed to learn Rotary, increase your circle of friendship and contribute conveniently using the website.

We, Rotarians, belong to a global family of service-oriented people who believe that our congregation is a means to share our blessings to the less fortunate communities globally. The Rotary Foundation is the funding arm of global humanitarian undertakings of Rotary International. It was formally named in 1917 and the first trustees were appointed after Rotary International President Arch Klumph proposed for the establishment of an endowment for the purpose of doing good in the world. The first grant of US\$ 500 benefitted the International Society for Crippled Children (Easter Seals). History marks the milestone projects of The Rotary Foundation such a scholarship for

international graduate study, the elimination of Polio worldwide, the initiation of a World Peace Forum, among others. Under the Rotary's 7 Areas of Service Focus, namely, Peace and Conflict Prevention/Resolution, Disease Prevention and Treatment, Water and Sanitation, Maternal and Child Health, Basic Education and Literacy, Economic and Community Development and lastly, Supporting the Environment, Rotary International and The Rotary Foundation have made themselves relevant to developing communities globally.

All these services would not have been made possible if not for the generosity of Rotarians, who voluntarily enlisted themselves to become members of The Rotary Foundation through a minimal contribution of US\$ 1,000.00.

We are currently working on Global Grants and District Grants. Your contribution will significantly improve the community living of our target beneficiaries.

For any assistance, please feel free to contact me.

People and connections – the logo of the 2022-23 presidential theme

By Gundula Miethke, Specialist, Regional Content and Communication • Europe/Africa at RI Headquarters in Evanston, Illinois, USA

"Imagine Rotary" is the 2022-23 presidential theme that RI President-elect Jennifer Jones [revealed on 20 January](#). She is asking Rotary members to dream big and take action: "We all have dreams but acting on them is a choice. Imagine a world that deserves our best, where we get up each day knowing that we can make a difference."

The logo for the theme was designed by Riki Salam, an Australian artist and graphic designer specializing in contemporary Indigenous art, design, and communications. He also created the 2023 Rotary International Convention logo which will be held in Melbourne, Australia, thus connecting the two by a shared visual language.

Meaning of the design elements

There is, of course, a deeper meaning behind each element of the design. The circle in aboriginal culture for instance, signifies our connections to one another. The dots around it represent people and there are seven because of Rotary's areas of focus.

The circle and the dots together become a navigation star – our guiding light. The solid line underneath is what is referred to as a digging stick and it is used when doing hard work. And since Rotary members are people of action – it represents a tool for getting things done.

The colors

The colors green, purple, and white are not necessarily connected to aboriginal culture. President-elect Jennifer Jones asked the new crew of Governors to use one, two, or all three when dressing for official events instead of using a theme jacket. "As we celebrate diversity, equity and inclusion, I wanted all of us to be able to express ourselves differently in what we wear, but still have connection", Jones explained.

There are several ways to interpret the colors: Purple for example stands for polio eradication, green for the environment, the newest addition to our areas of focus, and white for peace, our core mission. Together, they are the colors of the women's movement, the Suffragette – a subtle nod to this history as Jones pointed out, since she will be the first female RI president.

THE MASTER MEETS HIS APPRENTICE. "Inspiring scenes of people taking the future of their countries into their own hands will ignite greater demands for good governance and political reform elsewhere in the world..." — William Hague

Greatly honored to have met up with the eminent Dr. JESUS ESTANISLAO in one of our regular, private tête-à-tête sessions at the Taipan restaurant in the fashionably elite Tower Club. Amidst the restaurant's opulent setting of vibrant crimson amidst dark walnut woodwork, we casually conferred on a rather broad range of issues: good governance, the truth behind our Philippine business chamber, modern Chinese ethos, spiritual formation, the current state of economic affairs and the future of local government.

It is always a thrill to pick brains with one of the most revered economic gurus of this generation. Despite his great achievements, Dr. Estanislao comes across as extremely humble and contagiously jovial. Grandfatherly, even.

Over delectable servings of steamed black garoupa, Cantonese-style crispy noodles served in a hot seafood gravy, spinach with crispy mushroom flakes, wok-fried beef with young corn chili sauce and chilled mango sago (which he generously hosted, by the way), our two-hour-long discourse was reminiscent of my private academic mentoring sessions with some of my professors when I was still at the University; this time, however, without any pedagogic pretensions that may impact my grade-point average.

Having been asked by Dr. Jess to sit as a member of a revalida panel tasked to evaluate meticulously-designed systems on improving public services for the local level on quite a number of occasions, I have personally witnessed firsthand the transformative power of governance as a positive complement to the massive anti-corruption efforts undertaken by local governments.

Dr. Jesus Estanislao is the Founding Chairman of the Institute for Solidarity in Asia (ISA), a non-profit organization committed to public sector governance reform. Recognized as the foremost authority on good governance, he developed the Performance Governance System (PGS), a Philippine adaptation of the Balanced Scorecard, which is now being implemented in over 40 local government units, national government agencies, and government-owned enterprises. He served as the 6th Socio-economic Planning Secretary and concurrent Director-General of the National Economic and Development Authority (NEDA) from 1989-1990 and Secretary of Finance of the Philippines from 1990-1992, during the government of President Cory Aquino.

Dr. Estanislao holds a Ph.D. from Harvard University, where he was also a Teaching Fellow and Research Fellow. He obtained his MA in Economics from Fordham University and a Ph.B. (summa cum laude) from the University of San Carlos- Cebu. A bemedalled luminary, he was awarded the rank of Commander of The Philippine Legion of Honor in 1992, and Management Association of the Philippines - MAP Page's "Management Man of the Year" in 2010. He received "The Outstanding Filipino (TOFIL)" award in the field of good governance for 2011, among many other accolades.

I first met him in late 2011 when I was then heading the prestigious TOFIL Awards (and he was one of that year's honorees) and I consider my warmhearted friendship with this greatly admired "Yoda" as one of my most treasured outcomes as TOFIL Chair.

Indeed, he's probably the ideal Jedi Master any Padawan could ever ask for.
