CARLOS G. SERAPIO

PRESIDENT'S CORNER

Greetings RCM brothers!

As we wind down the Rotary Year with this year's TOWER Awards, one of the signature projects of our beloved club, it was delightful to have accomplished this with the cooperation of the PMAP, DOLE and support of PAGCOR. In our first ever all-live General Membership Meeting, the ballroom of the New World Makati Hotel was filled with quite a number of our members, guests and friends from PMAP, DOLE and some representatives from PAGCOR.

No less than the President of Rotary International, Shekhar Mehta, cited this project and conveyed his personal greetings in our BALITA.

Dignitaries who were present made the event more significant and memorable.

Secretary Silvestre Belo III gave a virtual message and our partners from PMAP, President Ellen C. Fullido, gave her inspirational talk as well.

We need to thank Chairman RCManila Foundation, Inc. President and Rotary Club of Manila PP Susing Pineda (Centennial President) and Co-Chairman RCManila Foundation, Inc. Chairman and Rotary Club of Manila Programs Committee Chairman PE/PVP Hermie Esguerra for having successfully done this hallmark project of the Rotary Club of Manila. We need to thank all the committee members.

I liked Dir. Amading Valdez's opening remarks when he was about to present the winners!

"I am sorry, but I seem to have misplaced the list of winners I am supposed to call out".

I fell for it and quickly looked for Anna to come to the rescue...

Thank you Dir. Amading Valdez for having added a bit of spice to the event!

PRESIDENT'S CORNER

Congratulations to the following winners:

- Franklin A. Dalida from San Miguel Yamamura Packaging
- Carlo R. Sereno of Opentext (Philippines)
- Christian P. Caubang of Energy Development Corporation
- Ramil A. Atienza of Nexperia

We are all so proud of you, truly OUTSTANDING WORKERS OF THE REPUBLIC!!!

RCManila Foundation, Inc. Chairman and Programs Committee Chairman PE/PVP Hermie Esguerra has issued an invitation for the Handover and Induction Ceremonies of our club for Rotary Year 2022-2023. This is scheduled for July 7, 2022 with registration to commence at 4:00 pm. This will be held at the Conrad Hotel. Please sign up if you haven't. "The Boys of 1905" promises to be an event we cannot miss!

Before I forget, last May 21, 2022, our club was ably represented by PDG Rudy Bediones, PDG Vince Carlos, RCManila Foundation, Inc. Chairman and Rotary Club of Manila Programs Committee Chairman PE/PVP Hermie Esguerra and DE/Dir. Johnny Chotrani. Though we did not get as much accolades as the previous Rotary year, we are thankful and I give back all thanks and kudos to you all for the awards given to us.

Finally, I will make the last few appeals and reminders to be a Paul Harris Fellow and for Everyone to Bring One!

Not too late folks!

Stay well everyone! God Bless us all!

Humbly yours in Rotary,

FSZ

Appeal for Paul Harris Fellows

July 1, 2021

Dear Fellow Rotarians,

An Opportunity has now opened doors for our club to be a 100% Paul Harris Club. With only US\$ 500.00 as a beginning contribution, you can now become a Paul Harris Fellow.

We have members who have risen to donor levels that have earned them significant point values. Our fellow members led by IPP Jackie Rodriguez, PDG Alex Cureg, PVP Hermie Esguerra, PDG Rudy Bediones and PDG Obet Pagdanganan have indicated their willingness to share the points they have earned to allow Rotarians to be enrolled in the Roster of Paul Harris Fellows for only an initial contribution of US\$ 500.00 instead of the regular US\$ 1,000.00.

Contributions can easily be made by enrolling in www.rotary.org using your R.I. Identification Number. Once enrolled, you are allowed to learn Rotary, increase your circle of friendship and contribute conveniently using the website.

We, Rotarians, belong to a global family of service-oriented people who believe that our congregation is a means to share our blessings to the less fortunate communities globally. The Rotary Foundation is the funding arm of global humanitarian undertakings of Rotary International. It was formally named in 1917 and the first trustees were appointed after Rotary International President Arch Klumph proposed for the establishment of an endowment for the purpose of doing good in the world. The first grant of US\$ 500 benefitted the International Society for Crippled Children (Easter Seals). History marks the milestone projects of The Rotary Foundation such a scholarship for

international graduate study, the elimination of Polio worldwide, the initiation of a World Peace Forum, among others. Under the Rotary's 7 Areas of Service Focus, namely, Peace and Conflict Prevention/Resolution, Disease Prevention and Treatment, Water and Sanitation, Maternal and Child Health, Basic Education and Literacy, Economic and Community Development and lastly, Supporting the Environment, Rotary International and The Rotary Foundation have made themselves relevant to developing communities globally.

All these services would not have been made possible if not for the generosity of Rotarians, who voluntarily enlisted themselves to become members of The Rotary Foundation through a minimal contribution of US\$ 1,000.00.

We are currently working on Global Grants and District Grants. Your contribution will significantly improve the community living of our target beneficiaries.

For any assistance, please feel free to contact me.

Yours in the service of Rotary,

ROMEO THADDEUS R. LIAMZON

Rotary in Australia on the road to reconciliation

— Mickey O'Brien, senior Kaurna Man, welcomes Rotary members to Kaurna country during a July 2021 event launching the Rotaract Club of Adelaide City, South Australia, Reconciliation Action Plan.

By Katey Halliday, Rotaract Club of Adelaide City, South Australia, Australia, and a member of Rotary International's Diversity, Equity, and Inclusion Taskforce

As a leading community service organisation, Rotary absolutely has a role to play in advancing reconciliation efforts. We exist to serve the community, and to do this well, we must have an understanding and appreciation for Indigenous communities.

Australia is made up of hundreds of different [Indigenous nation groups](#); each with their own culture, customs, language, and laws. Based on Kaurna land on the Adelaide Plains, the Adelaide City Rotaract Club are the first within Rotary to have developed a Reconciliation Action Plan (RAP), endorsed by the not-for-profit organisation Reconciliation Australia.

Since 2006, these reconciliation plans have provided an avenue for organisations to sustainably and strategically take meaningful action to advance reconciliation between Indigenous and non-Indigenous Australians.

ROTARY

INFORMATION

Our plan outlines a number of tangible actions to increase our members knowledge of Indigenous peoples, including Kurna people, and elevate their commitment to building relationships that will lead to meaningful opportunities to serve alongside Indigenous peoples. We seek to ensure that our service projects, initiatives, and membership opportunities are inclusive of, respectful of, and extended to Indigenous peoples.

— Katey Halliday explains the Reconciliation Action Plan to members.

Our club had already taken the step of Acknowledging the Indigenous Country we're based upon at meetings a few years ago; an Australian custom demonstrating respect for First Nations peoples. But with the guidance of the reconciliation framework, we wanted to do even more.

We launched our plan at an event in July 2021 with support from [Mickey O'Brien, Senior Kurna Man](#), who welcomed us to Kurna country and congratulated us on our commitment to reconciliation. We were joined by Rotaract and Rotary members from District 9510 who wanted to celebrate with us and learn more about our vision and plan to support reconciliation not only in our club, but within other clubs as well.

As community service leaders, Rotarians and Rotaractors have a role to play in contributing to reconciliation and ensuring our service projects, initiatives and membership opportunities are inclusive of Indigenous peoples

BERNADETTE BARRET, INAUGURAL CHAIR

ROTARY

INFORMATION

The vision and principles of Rotary encourage us to promote diversity, equity, and inclusion. Reconciliation action plans are an incredible resource to support this in Australia. More broadly, taking a strategic look at how our clubs could be more inclusive of not only Indigenous peoples, but underrepresented groups such as LGBTIQ+ communities, is a great way to take strides towards improving cultural safety within our clubs and reaffirming that we are people of integrity.

Every club could benefit from a strategic discussion about how diverse, equitable, and inclusive they are, reflecting on the actions outlined in the following documents. Discuss how they could be tailored to your club environment:

TULOY ANG JOY SA QC.

“When Joy is a habit, love is a reflex.” — Bob Goff

It was an absolute delight to have spent a very productive morning with our newly-reelected Mayor of Quezon City, the effervescent MARIA JOSEFINA TANIA GO BELMONTE, affectionately called “Joy” by her family, friends and constituents.

Mayor Belmonte believes that the success of the city lies upon having trustworthy leadership, data and information-driven decision making, and an efficient and well-functioning government system that is worthy of the public trust. While having initially introduced her 14-point agenda which focused on human and social services, economic development, environment, and climate change, infrastructure, and institutional development, she spent a dominant part of her first term as Quezon City mayor confronting the pandemic. During the coronavirus pandemic in 2020, she proved that, through the dedicated service of the local government officials and genuine concern for its constituents,

the city would survive all hurdles thrown against it. Free COVID-19 tests were made available for its residents and workers and the city's molecular laboratory was built for speedy release of coronavirus test results. The local government had also provided financial aid to employees of high-risk establishments affected by lockdowns, and care kits to closed-care setting facilities grappling with virus outbreaks.

With her landslide win against her closest rival in the mayoral race this year, she vowed to focus on her 14-point agenda of inclusive growth, the upliftment of lives and communities, and unwavering service to every Quezon City citizen, which she believes can contribute to the city's long-term development while resolving challenges brought about by the pandemic.

Among her priorities include ensuring the vaccination of citizens, further strengthening the healthcare system and providing more support to businesses affected by the pandemic.

The 14-point agenda of her administration includes: (1) Delivering responsive, efficient and cost-effective social services; (2) building more homes; (3) provide better healthcare; (4) ensuring high quality education; (5) empowering citizens of every gender and social class; (6) building a safer and more resilient city; (7) making Quezon City the preferred destination for businesses; (8) creating new jobs across more businesses; (9) developing growth hubs; (10) building a livable, green and sustainable city; (11) building essential infrastructure; (12) being a model of good governance; (13) professionalizing and strengthening the Quezon City workforce; and (14) listening to Quezon City citizens and knowing what they need.

While the mayor's advocacies cover a wide spectrum, they are especially focused on the protection and upholding of the rights of women and children, gender fairness, economic empowerment of women, mental health, culture, and the arts. She pushed for the establishment of the QC Protection Center for Women, Children, and LGBT++ (lesbians, gays, bisexuals, and transgenders) as a one-stop-shop facility for victims of abuse. Located at the Quezon City General Hospital, the facility provides legal services, police assistance, medical assistance, medico-legal examinations, counseling and psychiatric evaluation, and referral to a temporary shelter program.

She also saw the need for nursing mothers who have to transact business at Quezon City Hall for a breastfeeding station and ensured that one such facility was put up at City Hall. The facility complies with DOH requirements and has a play area suited for small children of nursing mothers.

Moreover, her advocacy to promote livelihood programs and entrepreneurship is designed to empower and provide a sustainable future for indigent women, for those rehabilitated from drug abuse, and for inmates who seek a better life upon release from jail, among others. Among her projects for promoting entrepreneurship is the "Tindahan ni Ate Joy, L.I.P.A.D." (Local Inclusiveness Project for the Advancement and Development)-Pinay Program, the Artisan Academy, and Lazada E-commerce online selling.

More recently, she has approved an ordinance mandating the inclusion of environmental criteria in the technical specifications for the city government's procurement of goods, services, and infrastructure. This Ordinance hopes to help

the city government implement the policies it crafted and fulfil the agreements and commitments it entered into with various organizations when it comes to environmental protection and sustainable development.

Prior to becoming the chief executive of Quezon City, she served as the vice mayor from 2010-2019. She presided over a City Council, which has been regarded as the Most Outstanding in the Philippines, in accordance with the exemplary standards of the Local Legislative Awards of the Department of Interior and Local Government (DILG).

A gifted leader and academic achiever, Mayor Joy completed her high school studies at the Poveda Learning Centre, where she became the first student council chairman of the school. She graduated with a Jose Segovia Award for Service and Gerry Roxas Award. She received her Bachelor of Arts in Social Sciences degree from the Ateneo de Manila University, a Master's Degree in Philosophy from the Institute of Archaeology, University College in London, and another Master's degree in Museum Studies from the Leicester University in the United Kingdom.

The two-hour tête-à-tête gave me an even better appreciation of our city leader who astonished me with her unmatched dedication and cyclonic energy. It is no wonder that she continues to confound skeptics with her steely resolve to accomplish the impossible, often masked in a disarmingly childlike demeanor.

Indeed, with Mayor Joy at the helm, #MayJOYsaQC.

Manila Rotarians Hold First Friday Mass for the Month of June

Liturgical Leaflet for an Active Participation in the Celebration of the Eucharist

3 June 2022

FIRST FRIDAY – (Votive Mass of the Sacred Heart)

Love Is the Essence

Although the entire month of June is devoted to manifest our love for the Sacred Heart, it is particularly appropriate to do so today in imitation of the apostle Peter who declared his love for Jesus three times. We will renew our commitment to love Jesus by participating in this Eucharistic Celebration, receiving Holy Communion in reparation for all the sins of mankind, and spending some time in quiet adoration in front of the Blessed Sacrament.

We know that the Lord Jesus loves us so much. We also know that we have often failed to reciprocate his love for us. But we confidently stand in his presence and beg his mercy for we know that his love is greater than our unworthiness. To him we entrust all the people we love, especially the newly elected public servants, who are chosen to promote the common good.
