PRESIDENT'S DIARY

My dear fellow Manila Rotarians,

If you will recall, I participated in the District Relief Operations and Disaster Response Zoom meeting on May 23 headed by DG Joyce Ambray. During the meeting, we discussed the generous donation of 350 wheelchairs from D7670, USA, through the efforts of PDG Bill Biddle, PP Joanne Biddle, PDG Ken Shull and PP Sandie Jones. It is worth mentioning that the arrangements for this donation were initiated back in October 2021 when I was still serving as President-elect, reflecting our commitment to long-term planning and community service.

Following up on this initiative, we have commenced the distribution of wheelchairs to various Rotary clubs within District 3810, as well as directly to individuals in need of mobility assistance.

Joint Mobility Project of District 3810 and District 7670, USA

The Mobility Project, which aims to provide mobility assistance to individuals in need, specifically through the distribution of wheelchairs, has been ongoing for 13 years.

The term "mobility" originates from the Latin word "mobilitas," signifying activity and the ability to move freely.

Coincidentally, the distribution of wheelchairs took place on the occasion of the 125th Independence of the Philippines, which added a special significance to the initiative. This timing served as a providential opportunity to contribute to the well-being of individuals in need of mobility assistance, enhancing their quality of life by enabling them to move around more easily and independently.

Deep within the heart of this profound mission, the manufacturers of these wheelchairs envisioned commercials and sought to craft durable and competitive products. Little did they know that the bridge connecting them to the end-users, the less fortunate recipients, would be forged by the unwavering dedication and compassionate souls of the Rotarians. It is through the Rotarians' indomitable hearts and tireless service to the less fortunate that these manufacturers find their purpose fulfilled. It is through this partnership that not only are the manufacturers able to reach their market and promote their products, but Economic and Community Development also flourishes, resonating with the transformative power of service.

The Joint Mobility Project stand as a testament to the human spirit, reminding us that united hearts can move mountains, empower lives, and unlock the truest form of liberation. Together, we embrace the vision of a world where no one is held captive by circumstances, where freedom of movement becomes the birthright of all.

EDITOR'S NOTE

Raoul C. Creencia
Editor-in-Chief, balita

DYURNALIS. The Rotary Club of Manila is finishing strong as it sprints towards the end of this eventful Rotary year. Today, in its weekly meeting, the annual Pro Patria Journalism Awards will be conferred to another batch of deserving recipients. From among a number of nominees, the Journalism Awards Committee has carefully chosen the 2023 awardees, who were all unanimously voted by the committee members.

The word journalism comes from the word 'journal' – which evolved from a late Latin word 'dyurnalis' which means belonging to a day. This day, June 15, rightfully belongs to our set of awardees who will be deservedly recognized. A truly impactful and

among the Club's institutional projects, the yearly conferment of this prestigious Journalism Awards is certainly an eloquent way of honoring the men, women, and organizations who have promoted and practiced responsible journalism.

The three awardees this year will be for the following categories: a) Pro Patria Talk Journalism Awardee for Talk Show of the Year; b) Pro Patria Journalism Awardee for News Reporting; and c) Pro Patria Journalism Awardee for Newspaper of the Year.

The role of media, in general, and journalism, in particular, is vital in the life of our nation, as well as in our growth and maturity as a people. Rightly termed the "fourth pillar of the state," the media plays a key role for the efficient working of democracy. As Thomas Jefferson succinctly said, "our liberty depends on the freedom of the press, and that cannot be limited without being lost." Indeed, the ability of journalists and public affairs writers and professionals to report the true state of affairs is essential in making democracy work in any country. Even news articles that are unpalatable to the government, as long as true and accurate, must be allowed to be published without being restrained or censored. Marcelo del Pilar, widely regarded as the "Father of Philippine Journalism," is known for his writings that were critical and hard-hitting. He is known for his 150 essays and 66 editorials mostly published in La Solidaridad and various anti-friar pamphlets. We thus need a brand of journalism that is both fearless and fair.

In our day and age, with so many things and events simultaneously happening – in the national and local government, around the globe, and in local communities -- each individual's need for instant and reliable information has tremendously increased. It is the information one gets from responsible journalists and media outlets that aids citizens in making decisions in their personal, professional and business affairs. In fine, for providing a platform for diverse views and more in-depth discussion of the burning issues of the day, for constantly checking the actions and behavior of government officials, and for making available all relevant and needed information to the general public, it is but proper that the outstanding men and women engaged in this noble profession, journalism, be duly recognized and heralded by no less than the First Rotary Club of Asia.
