Editor-in-Chief

AS we gather today to celebrate RCMFI Day, we are reminded of the enduring legacy of the RCManila Foundation, Inc. (RCMFI), the fund-raising arm of the Rotary Club of Manila. Since its inception on December 6, 1978, RCMFI has been a beacon of hope and transformation, embodying the Rotary spirit of service above self. Established as a non-stock, non-profit organization in February 1979, RCMFI continues to stand at the forefront of social and economic advancement, fostering goodwill and responding to the needs of the underprivileged with purpose and compassion.

Over the years, RCMFI has remained steadfast in its mission to serve as the implementing arm of the Rotary Club of Manila, driving impactful programs in education, healthcare, and community development. Its focus on disease prevention and treatment, maternal and child health, basic education and literacy, and community economic development aligns seamlessly with Rotary International's areas of focus. These initiatives — ranging from scholarships for marginalized students to

life-saving medical assistance, and from livelihood programs to disaster relief — highlight the foundation's commitment to addressing the needs of society's most vulnerable.

A significant milestone in RCMFI's journey has been the establishment of its sustainable capital fund. With a goal of Php 10 million by 2028, the foundation has already set aside Php 1 million and is on track to raise an additional Php 2 million this Rotary Year. Initiatives like the Trust Endowment Program exemplify innovative philanthropy, offering donors flexible and meaningful ways to contribute to transformative projects. These funds are not just financial reserves; they are investments in a brighter future for communities in need.

RCMFI's recent accomplishments are a testament to the dedication and vision of its members. From the successful relief operations during Typhoons Kristine and Carina to the distribution of wheelchairs in Sta. Rosa, Nueva Ecija, and San Juan City, and from the turnover of molecular laboratory equipment to the Philippine Orthopedic Center to the collaborative pilot project with PETA Asia Pacific, these initiatives demonstrate the foundation's broad impact. Notably, the Hospicio de San Jose "Essence Art Exhibit" raised over Php 1 million, showcasing the power of art and generosity in advancing humanitarian causes.

As RCMFI looks ahead, collaboration remains key. Strengthening ties with the Rotary Club of Manila, doubling membership, and hosting fundraising events like the 3rd RCM-RCMFI Golf Cup are strategic steps toward achieving its ambitious goals. The foundation's adherence to compliance standards, as affirmed by the commendation from the Department of Social Welfare and Development (DSWD), further cements its credibility and commitment to transparency.

RCMFI Day is not just a celebration — it is a call to action. It is an invitation for Rotarians and supporters to deepen their engagement, contribute to the Trust Endowment Program, and champion the foundation's vision of sustainable service. Together, we can ensure that RCMFI continues to be a catalyst for positive change, touching lives and transforming communities for generations to come.

As we commemorate this special day, let us reaffirm our commitment to the values that have defined RCMFI for nearly five decades. Let us build on its legacy, inspired by the Rotary spirit, and remain united in our pursuit of a world where service and compassion prevail.

ON a momentous Thursday, January 9, 2024, the Rotary Club of Manila (RCM) and the Rotary Club of Makati West (RCMW) convened at the distinguished Manila Polo Club for their 18th Weekly Membership Meeting. This joint event, graced by eminent Rotarians,

The program commenced at 12:30 PM with a joint call to order by President **Eduardo "Jujut" V. Enriquez III** of RCM and President-Elect **Christopher "Dino" C. Dumatol** of RCMW. Introduced by Vice-President **Joel Valdes**, **Dr. Eli M. Remolona, Jr.**, the BSP Governor, delivered a riveting speech, shedding light on the Philippines' economic trajectory and the pivotal role of the central bank. His discourse was not merely a presentation but a masterclass on navigating economic complexities in an ever-evolving global landscape.

VP Joel Valdes introduced the guest speaker.

Dr. Remolona began by acknowledging the formidable audience and expressing gratitude for the honor of addressing such a distinguished assembly. His report on the economy painted a balanced picture of achievements and challenges, encapsulating the BSP's dual mandate of price stability and economic growth.

Guest speaker **Dr. Eli M. Remolona, Jr.**, Governor of the *Bangko Sentral ng Pilipinas*

Highlighting the journey of inflation control, Dr. Remolona traced its peaks and troughs. He recounted how external shocks, such as the Russia-Ukraine conflict and India's ban on Basmati rice exports, triggered inflationary pressures. These events underscored the intricate web of global interdependencies.

With inflation peaking at 8.7% in January 2023, the BSP implemented strategic monetary policies, including measured easing beginning in August 2024. By December 2024, inflation had moderated to 2.9%, signaling a return to the government's target range. Dr. Remolona lauded the resilience of the Philippine economy, citing a robust 5.6% growth in the third quarter of 2024 — one of the best in ASEAN.

Turning to the health of the banking sector, Dr. Remolona assured the audience of its robustness. He highlighted key metrics, such as a capital adequacy ratio of 16.4% — well above international standards — and liquidity coverage at 186.6%. These indicators underscored the sector's preparedness to weather economic shocks.

Dr. Remolona also discussed systemic risk management and the designation of 11 banks as systemically important, ensuring their soundness would not jeopardize the broader financial system. Furthermore, he elaborated on the BSP's foray into digital banking, fostering financial inclusion and innovation. He envisioned a future where e-wallets and digital lending could bridge gaps in access to financial services.

The BSP Governor emphasized the transformative potential of digital payment systems. He advocated for subscription-based fee structures to maximize network effects, facilitating greater participation and financial inclusion. On capital market development, he highlighted efforts to enhance liquidity in the bond market, enabling monetary policies to transmit more effectively.

Dr. Remolona concluded with an optimistic yet cautious outlook. Acknowledging uncertainties, particularly in the global arena, he expressed confidence in the Philippines' economic fundamentals. The BSP, he assured, remains committed to fostering a stable and inclusive financial environment.

The event concluded with an engaging open forum, where attendees posed insightful questions, deepening their understanding of economic policies and their implications. Presidents Enriquez and Dumatol presented a certificate of appreciation to Dr. Remolona, honoring his invaluable contribution to the meeting.

Dr. Remolona engaged in an interactive conversation with PT PJ Garcia, PP Ruy Y. Moreno (RC Makati West), VPE Ricky Guevara, and DIS Anton Mauricio.

BSP Gov. Eli M. Remolona, Jr., received RCM's Plaque of Appreciation, witnessed by: newly inducted honorary member PP Dumlao Santiago "Santi" F. Dumlao, Jr.; PD Jose "Pepo" Nuñez, Jr.; PP Arsenio "Archit" M. Bartolome III; PE Christopher "Dino" C. Dumatol (RC Makati West); Pres. Jujut Enriquez; VP Joel Valdes; newly inducted honorary member and former SC CJ Artemio "Art" V. Panganiban (Ret.); and PDG Vicente "Vince" J. Carlos

As the gavel fell, signaling adjournment at 2:00 PM, the room buzzed with a renewed sense of purpose and inspiration. The Rotary Club of Manila and the Rotary Club of Makati West had once again exemplified Rotary's mission of fostering dialogue, learning, and service above self.

RCManila Foundation, Inc.: A LEGACY OF SERVICE AND IMPACT

by **Reginald T. Yu**, *Chairman*

IN the heart of Manila, where the vibrancy of life meets the urgent need for social change, a visionary group of members from the Rotary Club of Manila (RCM) laid the foundation for an institution that would impact countless lives. On December 6, 1978, a pivotal moment occurred as these forward-thinking individuals recognized the necessity for a dedicated entity to channel their efforts toward uplifting society. This foresight led to the establishment of the RCManila Foundation, Inc. (RCMFI), a non-stock, non-profit organization committed to social and economic advancement, international goodwill, and supporting the very club that birthed it.

Incorporated with the Philippine Securities and Exchange Commission in February 1979, RCMFI embarked on a journey that has spanned over four decades, becoming a driving force for social change, community development, and humanitarian causes. Its mission, simple yet profound, is clear: to serve the underprivileged through socio-economic outreach initiatives, leveraging the Rotary Club of Manila as its primary implementing partner.

A Foundation Built on Vision

RCMFI's origins can be traced to a dedicated group of visionaries whose names remain etched in the history of the Foundation. The founding Board of Trustees in 1979 included leaders such as Alberto G. Romulo, Nicanor T. Jimenez, Marcelo B. Balatbat, and Santiago F. Dumalao, Jr., to name just a few. These individuals recognized the importance of creating an enduring institution dedicated to making a meaningful difference in the lives of those in need.

Core Program Areas: A Commitment to Change

The Foundation's work is defined by its unwavering commitment to five core program areas that align with Rotary International's values of "Service Above Self":

- 1. Education and Literacy:** RCMFI is dedicated to providing scholarships for marginalized but deserving students, empowering them to build brighter futures through education.
- 2. Medical Assistance:** Offering financial aid for life-saving treatments, including heart surgeries and cancer therapies, RCMFI is a vital lifeline for many individuals facing significant health challenges.
- 3. Children and Elderly Programs:** RCMFI supports orphanages and senior communities, ensuring that the most vulnerable members of society receive care, attention, and love.

4. **Community Economic Development:** Through livelihood programs, infrastructure projects, and other community improvements, the Foundation works to create sustainable economic development, giving families the resources to thrive.
5. **Humanitarian Causes:** Whether responding to natural disasters or urgent needs, RCMFI demonstrates agility and compassion in providing immediate assistance where it is needed most.

These programs are not mere aspirations but concrete steps toward a more equitable society. Each project reflects the Rotary ethos of service, ensuring that RCMFI remains a true agent of change.

Aligning with Global Goals

RCMFI's goals align closely with the seven areas of focus championed by Rotary International, emphasizing the critical need for:

1. **Disease Prevention and Treatment:** From medical missions to funding life-saving surgeries, RCMFI works tirelessly to reduce suffering and improve health outcomes.

2. **Basic Education and Literacy:** Education is the foundation of empowerment, and RCMFI is committed to building stronger communities through the power of knowledge.
3. **Maternal and Child Health:** Supporting programs that safeguard the health and well-being of mothers and children is an essential pillar of RCMFI's mission.
4. **Community Economic Development:** Through sustainable economic initiatives, RCMFI works to improve the lives of families and communities, ensuring long-term success.

By focusing on these four key pillars, RCMFI ensures that every initiative it undertakes has a measurable, lasting impact.

A Vision for the Future

As RCMFI looks to the future, its leadership has set ambitious goals for the Rotary Year 2023-2024 and beyond. With a clear and actionable vision, the Foundation is determined to continue its growth and make an even greater impact.

Fundraising Excellence stands at the top of the agenda. RCMFI aims to grow its restricted fund by PHP 2 million, ensuring a more robust financial base to support its projects and initiatives. Key strategies to achieve this goal include the successful hosting of the 3rd RCM Golf Cup Tournament and the launch of the Trust Endowment Fund, which will secure long-term financial stability for the Foundation.

Membership growth is also a priority, with a target to double RCMFI's membership by engaging new donors and partners. This growth

will strengthen the Foundation's capacity to fulfill its mission and enhance its ability to serve the community.

In addition, **streamlining administrative services** and rationalizing the Foundation's budget will increase operational efficiency. With an external auditor providing enhanced oversight, RCMFI will ensure its financial processes remain transparent and accountable.

The establishment of **RCMFI Day** will celebrate the Foundation's achievements and foster a sense of unity among members and partners. This annual event will serve as a platform for recognizing exceptional contributors and promoting continued engagement in RCMFI's mission.

Furthermore, **strengthening collaboration with RCM on funded projects** will ensure that both entities work in tandem to create a more significant impact. Jointly developed initiatives will align goals, resources, and efforts to address community needs more effectively.

Lastly, **RCMFI's annual elections**, managed by the competent COMELEC Chair Issam Eldebs, will ensure that the leadership remains transparent, democratic, and representative of the members' will, maintaining the integrity of the Foundation.

A Dedicated Team

Behind every initiative, every program, and every success is a dedicated team of leaders. The RCMFI Board of Trustees for the Rotary Year 2024-2025 includes dynamic individuals who exemplify the values of Rotary, including Chairman Reggie Yu, President Mike Albaña, Treasurer Karlo Kastro, and Secretary Romy Nones. Together with their fellow trustees, such as Anton Mauricio, Paco Magsaysay, and Past President Chito Zaldarriaga, they work tirelessly to advance the Foundation's goals.

Their work is built on the legacy of Past Chairs like Hermie Esguerra and Lito Sibayan, whose guidance has shaped the direction of RCMFI.

Conclusion

RCManila Foundation, Inc. continues to serve as a beacon of hope, compassion, and empowerment for the underprivileged.
