EDITORIAL

Reginald T. Yu
Editor-in-Chief

THE Rotary Club of Manila (RCM) rings in the new year with a tradition that underscores our role as a vital forum for meaningful discourse and forward-thinking leadership. In keeping with this proud custom, we are honored to host **Bangko Sentral ng Pilipinas (BSP) Governor Eli Remolona** as our first Guest-of-Honor and Speaker for 2025.

Governor Remolona, one of the nation's foremost monetary experts, will deliver a critical address on his economic forecast for the Philippines. His presence not only signals the importance of collaboration between policymakers and civic organizations but also highlights RCM's decades-long tradition of hosting the BSP Governor as our first speaker of the year. This event sets the tone for what lies ahead economically for our nation, offering clarity and direction as we begin another year of service and enterprise.

The Philippine economy has proven resilient in recent years, rebounding from the pandemic-induced downturn with a commendable recovery

trajectory. In 2023, GDP growth stabilized, fueled by a surge in domestic consumption, increased remittances, and a reinvigorated export sector. By 2024, despite global headwinds such as inflationary pressures, geopolitical tensions, and supply chain disruptions, the economy maintained a solid pace, supported by robust infrastructure investments and improving investor confidence.

However, challenges remain. The rising cost of living, fueled by persistent inflation, has eroded purchasing power, especially among low- and middle-income households. Interest rate adjustments by the BSP, though necessary to manage inflation, have created ripples in consumer spending and business expansion. Additionally, external risks such as global economic slowdowns and fluctuating oil prices continue to cast a shadow on growth prospects.

As we look to 2025, the Philippine economy stands at a critical juncture. The foundation for long-term growth lies in sustaining the momentum of key reforms initiated in recent years: financial inclusion, infrastructure development, and green energy transition. Governor Remolona, with his extensive global expertise and leadership at the BSP, is poised to play a pivotal role in steering the nation through these opportunities and challenges.

Governor Remolona's insights will likely emphasize the BSP's dual focus on maintaining price stability and fostering sustainable growth. We anticipate discussions on the continued adoption of digital financial technologies, efforts to deepen capital markets, and measures to mitigate external vulnerabilities. His forecast for the year will be a crucial guide for the business community, policymakers, and civic leaders alike.

RCM's role in these conversations is clear. As Rotarians, we must embrace our unique position to drive collaboration between the public and private sectors. By fostering dialogue, promoting innovation, and advocating for inclusive growth, we can ensure that the benefits of economic progress reach every Filipino.

As we welcome Governor Eli Remolona to the RCM podium, let us take this opportunity to reflect on our shared responsibilities as leaders in our respective fields. The year 2025 holds immense promise, but it requires deliberate action, bold decision-making, and a commitment to service above self.

Together, let us set the stage for a prosperous and equitable future, inspired by the vision and wisdom of the nation's foremost monetary authority. This is the promise of Rotary — to make a difference where it matters most.

New Year... Halfway through.

Happy New Year, my RCM brothers! Let us all welcome 2025 with a renewed hope that things will and can be better. Yes, let us all continue to hope and dream; let us ever nurture the fortitude to forge ahead, and maintain the audacity to act based on those hopes and dreams. To dream, as they say, is like reaching for the stars. We may not always actually reach them, but the star continues to serve as a constant guide and a sublime inspiration. Let the unfolding of a new year strengthen our resolve to pursue the good, eschew and fight the bad, and be an overall kind and self-effacing individual in this ever-evolving world of ours. I hope we will all continue to render service above self, with all our actions genuinely geared towards realizing substantive and life-changing projects for the benefit of others.

While we welcome the new calendar year, Rotarians all over the world also mark the second half of this Magical Rotary Year. Yes, we are halfway through our magical year. Truly, the past six months have been eventful, with RCM's implementation of various community projects. Our memorable December activities (such as the gift-giving to indigent children of Mithing Pangarap at Smokey Mountain in Balut, Tondo; and the special program and gift distribution to the children, teens and elderly at Hospicio de San Jose), as well as the other successfully rolled out projects in the first half of the Rotary year must serve as an impetus and inspiration for us, Manila Rotarians, to

continue serving our chosen communities and beneficiaries.

RCMFI. As an unincorporated entity, it made perfect sense for RCM, and indeed was a wise decision by the leaders at that time, to formally organize and set up a foundation. Hence, in 1978, RC Manila Foundation, Inc. or RCMFI was officially incorporated and registered with the Securities and Exchange Commission. Since its foundation, RCMFI has served as the funding arm of RCM, supporting its programs and enabling benefactors and donors to enjoy the benefits of donating funds and giving monetary support to a duly registered and organized foundation. RCMFI has also initiated fund-raising activities such as the RCM Cup, an annual golf tournament, which has raised the needed funds to support RCM's various projects and initiatives.

The founders and incorporators of RCMFI have wisely determined that the roadmap, policies, and direction of both the foundation and RCM must always be in sync. After all, RCMFI was founded not to independently pursue its own plans, but to always act pursuant to or consistent with the direction and objectives of the Club itself. It is thus unsurprising that the RCMFI By-Laws (Article IV, Section 2) provides that the members of the RCM Board are automatically nominated for election as members of the RCMFI Board of Trustees. The 15-man RCMFI Board is thus expected to have the 8 Directors of RCM among them. Manila Rotarians must thus note this wisdom embedded in the RCMFI By-Laws, as it clearly lays down the clear and intended relationship between RCM and RCMFI.
